NEEDHAM TOWN RECORDS

FOR THE MUNICIPAL YEAR ENDING DECEMBER 31, 1945

RECORD OF THE ANNUAL TOWN ELECTION

March 12, 1945

Agreeably to a Warrant signed by the Selectmen February 13, 1945, the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs, met in the Town Hall in said Town on Monday, March 12, 1945, at twelve o'clock, noon.

The meeting was called to order, and the Warrant and Officer's Return were read by the Moderator, Samuel H. Wragg, the reading of the Articles in the Warrant being waived on motion.

The ballot boxes were inspected and found to be empty with the registers set on 0000. The boxes were then locked and the keys delivered to Paul B. Richwagen, the officer in attendance.

The ballot clerks were sworn to the faithful performance of their duties by the Moderator.

The ballots prepared by the Town Clerk for use at this election were then delivered to the ballot clerks and their receipt taken therefor.

The polls were opened at twelve o'clock, noon, and were kept open until eight o'clock in the afternoon.

Cards of instruction and specimen ballots were posted as required by Section 48, Chapter 54 of the General Laws.

Article 1. To choose by ballot the following Town Officers — Three Selectmen for one year; one Moderator for one year; one Town Clerk for one year; one Town Treasurer and Tax Collector for one year; one Assessor for three years; two Members of the Board of Public Welfare for three years; two Trustees of the Public Library for three years; one Trustee of Memorial Park for three years; two Members of the School Committee for three years; one Member of the Board of Health for three years; one Commissioner of Trust Funds for three years; one Member of the Town Planning Board for five years; two Constables for one year; and sixteen Town Meeting Members for each District, namely, 1, 2, 3, 4 and 5, for three years.

The ballots were audibly counted by the Moderator when taken from the box, and at 3.00 o'clock 190 ballots were taken from the box;

at 4.30 o'clock 97 ballots were taken from the box;
at 5.15 o'clock 88 ballots were taken from the box;
at 6.00 o'clock 100 ballots were taken from the box;
at 6.45 o'clock 85 ballots were taken from the box;
at 7.40 o'clock 110 ballots were taken from the box;
at 8.00 o'clock 53 ballots were taken from the box;

making the total number of ballots cast 723

Of this number 2 were absentee ballots.

The vote by districts was as follows:

District	Male	Female	Total
1	100	99	199
2	81	90	171
3	72	92	164
4	48	62	110
5	44	35	79
	345	378	723

A canvass of all votes given was made as required by law. Upon completion of the canvass of all votes cast the result of the voting was declared by the Moderator to be as follows, viz.:

For Moderator

Samuel H. Wragg 615
Blanks 108

and Samuel H. Wragg was declared elected Moderator for one year.

For Town Clerk

E. Bertha Behnke 623
Blanks 100

and E. Bertha Behnke was declared elected Town Clerk for one year.

All the ballots cast, the undistributed ballots and check lists were sealed up, endorsed by the Election Officer and placed in the custody of the Town Clerk.

Adjourned at 10.15 o'clock, P.M., Monday, March 12, 1945.

E. BERTHA BEHNKE,
Town Clerk.

ANNUAL TOWN MEETING FOR THE TRANSACTION OF BUSINESS

March 19, 1945

Pursuant to a Warrant issued by the Selectmen February 13, 1945, the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the Junior High School in said Town on Monday, March 19, 1945, at 7.30 o'clock in the afternoon.

The checkers appointed by the Selectmen were sworn to the faithful performance of their duties by the Town Clerk.

The meeting was called to order by the Moderator, Samuel H. Wragg, and the call to the meeting and the officer's return were read by the Town Clerk, the reading of the Articles in the Warrant being waived upon motion.

Check lists were used and 224 men and 112 women were checked on the lists as being present, a total of 336. There were 171 Town Meeting Members present.

The meeting was called to order at 7.30 o'clock, P.M., a quorum being present, and the Moderator proceeded to

Article 3. To choose and appoint all other Town Officers in such manner as the Town may determine.

Voted: That the following officers be elected:

Town Agents: George A. Potter, David Murdoch, Cyril N. Angell.

Measurers of Wood and Bark: James H. Whetton, Frederick A. Whetton.

Public Weighers: James H. Whetton, Frederick A. Whetton, John J. Whetton, Nicholas A. O'Brien, Ernest W. Starratt, Jr., Edmund Cusack, Charles E. Evans, James Gilleran, Jacob Leader, Albert McNamara, Augustus Mancini, Richard L. Nims, John McHugh, Rita Mastropieri, Ralph T. Woodcock.

Article 4. To hear and act on the reports of Town Officers and Committees.

Voted: That the Reports of Town Officers and Committees, as printed in the Annual Report, Town of Needham, 1944, be accepted and placed on file.

Report of the Committee appointed by the Moderator, under vote of Town Meeting of March 20, 1944, Article 45, as submitted to the Town Meeting of March 19, 1945.

The regulation of the construction of streets through private property, where such streets will ultimately be offered for acceptance as public streets, is rightly a matter of public concern.

Construction details should conform to strict specifications, uniformly applied. Costs of building such streets should fall, not upon the Town, but upon their promoters, and this applies to the installation of drainage, sewer and water systems, as well as to engineering, plans, grading and surfacing.

In the past many such streets through private properties have been laid out, and then offered for acceptance and building under the Betterment Act. Therefor such a practice resulted in the use of Town appropriated funds, plus Town credit, for private advantage and gain.

Your Committee is of the opinion that the postwar growth of Needham will be both extensive and rapid; and will entail the opening up of many large areas of vacant land.

We believe the time has come for this Town to adopt a different policy toward (1) construction of new streets for development of private properties, and (2) acceptance of present existing private ways. Excepting in rare instances, previous installation of adequate drainage systems should be required, the cost of the same to be borne privately.

We understand that there has been prepared for submission to this Town Meeting a Motion, which, if adopted, should operate to give the Town more adequate protection as to future streets through private developments, and we favor such action.

We also understand that the present Board of Selectmen is fully aware of the need for safeguarding the interests of the Town in these respects. To them, under Massachusetts statutes is entrusted a large degree of authority and responsibility for street building specifications.

Under Article 52 of the Warrant we propose to introduce a Resolution, the adoption of which may well serve to interpret and record the sense of this Meeting respecting some phases of the building of streets regulation.

By acting upon motion and resolution this meeting will have done all within its power, in our opinion, to contribute toward safeguarding the interests of the Town in the matter.

Respectfully submitted,

RAYMOND L. BOND,
LESTER C. HOLLIS,
JAMES D. WHITE,
ARTHUR W. ROHN, *Clerk*,
WILLIAM P. BAILEY, *Chairman*.

Voted: That the Report be accepted, placed on file, and a copy thereof be incorporated with the records of this meeting.

Article 5. To see what action the Town will take relative to unexpended balances and deficiencies of 1944.

Voted: That the unexpended balances, except those appropriated by this Meeting, be returned to the Treasury and that the sum of $150.00 be appropriated to pay "unpaid bills" and the sum of $300.00 be appropriated to pay deficiencies of 1944.

Article 6. To see what action the Town will take relative to unexpended balances and deficiencies of 1945.

Voted: That unpaid bills contracted in 1945 but not received by the Town until after January 1, 1946, regarded as "unpaid bills" be paid in January, 1946, from cash on hand and that the amount so paid be reported by the Town Accountant to the Finance Committee to be included in their report of appropriations for 1946.

Article 7. To see what disposition the Town will make of monies received pursuant to Section 172 of Chapter 140 of the General Laws as the Town's share of the unexpended balance of the Dog Fund.

Voted: That the monies received pursuant to Section 172 of Chapter 140 of the General Laws as the Town's share of the unexpended balance of the Dog Fund, to wit: $1,966.60 be appropriated for the use of the Public Library.

Article 8. To see what action the Town will take relative to the report of the Special Committee appointed under Article 12 of the warrant for the Annual Town Meeting of 1944 to re-examine and review the Rules and Regulations governing the Classification of Personnel Service and the Standard Rates of Salary adopted by the Town under Article 4 of the Annual Town Meeting for 1940.

Voted: That the report of the Special Committee appointed under Article 12 of the Warrant for the Annual Town Meeting for 1944 to re-examine and review the Rules and Regulations governing the Classification of Personnel Service and the Standard Rates of Salary adopted by the Town under Article 4 of the Warrant for the Annual Town Meeting for 1940, be accepted, and the Rules and Regulations governing the Classification of Personnel and the Administration of Standard Rates of Salary and Wages for Town Officers and Employees and the Proposed Standard Rates of Salary therein set forth be and hereby are approved and adopted.

Article 9. To see what action the Town will take relative to the Salaries of its Town Officers.

Voted: That the salaries of Town Officers for the year 1945 be the same as voted in the Annual Budget.

Article 10. To see in what manner the Town will have its taxes collected for the current year.

Voted: That the taxes for the current year be collected in the same manner as in 1944, and that the compensation therefor be the same as voted in the Annual Budget.

Article 11. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Under this article the following appropriations were made, each item being voted on separately, viz.:

Voted: That the sum of $6,259.60 be appropriated for the Accounting Department, as follows:

Salaries	$5,804.60
Expenses	455.00

Voted: That the sum of $9,147.70 be appropriated for the Assessors Department, as follows:

Salaries	$7,847.70
Expenses	1,300.00

(*Substitute Motion*)

Voted: That the sum of $850.00 be appropriated for the Finance Committee as follows:

Salaries	$500.00
Expenses	350.00

and that the Clerk be classified at $300.00 Minimum and $500.00 Maximum.

Voted: That the sum of $55,354.25 be appropriated for the Fire Department, as follows:

Salaries	$47,011.25
Expenses	783.00
Building Maintenance	3,335.00
Equipment Maintenance	1,125.00
Equipment and Supplies	2,600.00
Travel (Out of State)	500.00

Voted: That the sum of $2,100.00 be appropriated for the Fire Alarm Department, as follows:

Expenses	$2,100.00

Voted: That the sum of $125.00 be appropriated for the Forest Warden's Department, as follows:

Expenses	$125.00

Voted: That the sum of $58,884.00 be appropriated for the Glover Memorial Hospital, as follows:

Salaries (All)	$30,684.00
Expenses	1,500.00
Supplies	15,800.00
Equipment	5,800.00
Building Maintenance	5,100.00

Voted: That the sum of $5,297.00 be appropriated for the Board of Health, as follows:

Salaries	$4,483.00
Expenses	814.00

Voted: That the sum of $8,524.00 be appropriated for the Board of Health, as follows:

Hospitalization	$5,200.00
Garbage Collection	3,324.00

Voted: That the sum of $6,582.56 be appropriated for the Inspections Department, as follows:

Salaries	$5,943.56
Expenses	239.00
Transportation	400.00

Voted: That the sum of $1,074.50 be appropriated for the Sealer of Weights and Measures Department, as follows:

Salaries	$800.00
Expenses	74.50
Transportation	200.00

Voted: That the sum of $9,058.40 be appropriated for Insurance.

Voted: That the sum of $2,500.00 be appropriated for the Legal Department, as follows:

Salaries	$2,000.00
Expenses	200.00
Damages	300.00

Voted: That the sum of $15,606.14, together with the Barr and Greenwood Fund ($397.14) and Dog Licenses ($1,966.62) be appropriated for the Library Department, as follows:

Salaries	$12,096.10
Expenses	575.00
Books and Periodicals	3,350.00
Bindings	400.00
Building Maintenance	1,548.80

Voted: That the sum of $3,215.00 be appropriated for the Memorial Park Department, as follows:

Voted: That the sum of $14,000.00 be appropriated to be expended by the Board of Health for the control and eradication of mosquitoes.

Article 23. To see if the Town will appropriate a sum not exceeding $13,500.00 for the purpose of grading and filling Memorial Park; determine in what manner said sum shall be raised and expended; or take any other action relative thereto.

The following *Substitute Motion* by Mr. Crossman carried, and it was

Voted: That the sum of $13,500.00 be appropriated for the purpose of grading and filling Memorial Park.

Yes 90 No 79

Article 24. To see if the Town will vote to acquire by purchase from Frances A. Williams a certain parcel of land in Needham, described in Land Court Plan No. 4382A, being that part of Parcel B thereon situated on the westerly side of High Rock Street and on the northerly side of the

New York, New Haven & Hartford Railroad Co., and consisting of 64.82 acres, more or less, for park purposes; appropriate the sum of $5,242.30 therefor; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

Voted: That the Board of Selectmen, for and in behalf of the Town, be authorized to acquire by purchase, for park purposes, a certain parcel of land in Needham described in Land Court Plan No. 4382A, being that part of Parcel B thereon situated on the westerly side of High Rock Street and on the northerly side of the New York, New Haven & Hartford Railroad Co., and consisting of 64.82 acres, more or less, and that the sum of $5,242.30 be appropriated for this purpose.

Unanimous

Article 25. To see if the Town will authorize the purchase of about 51,450 square feet of land on Chestnut Street including buildings thereon, now or formerly of Arthur W. Walkup, for municipal purposes; appropriate the sum of $17,000.00 for this purpose; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

Voted: That this Article be dismissed.

Yes 19 No 129

Article 26. To see if the Town will appropriate the sum of $900.00 for maintenance of Chapter 90 roads, so-called, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action relative thereto.

Voted: That the sum of $900.00 be appropriated for maintenance of Chapter 90 roads, so called, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

Article 27. To see if the Town will appropriate the sum of $2,000.00 for installation of a storm water drain outlet from Forest Street and additional drainage facilities in Grant Street; determine in what manner the money shall be raised and expended; or take any other action relative hereto.

Voted: That the sum of $2,000.00 be appropriated for installation of a storm water drain outlet from Forest Street and additional drainage facilities in Grant Street.

Article 28. To see if the Town will appropriate the sum of $5,000.00 for constructing particular sewers or connecting drains to buildings under the provisions of law authorizing assessments; or take any action relative thereto.

Voted: That the sum of $5,000.00 be appropriated for constructing particular sewers or connecting drains to buildings under the provisions of law authorizing assessments.

Article 29. To see if the Town will appropriate the sum of $10,752.11 to the sewer construction account which shall be transferred from the Sewer Assessment Reserve Fund for payment of $2,703.12 for note and interest due on sewer construction loan and the construction of sewers in portions of the following ways:

Dedham Avenue
Harris Avenue
Marked Tree Road

or take any other action relative thereto.

Voted: That the sum of $10,752.11 be appropriated to the sewer construction account which shall be transferred from the Sewer Assessment Reserve fund for payment of $2,703.12 for note and interest due on sewer construction loan and the construction of sewers in portions of the following ways:

Dedham Avenue
Harris Avenue
Marked Tree Road
Webster Street

Article 30. To see if the Town will authorize the installation of six street lights on unaccepted ways, as follows: Dana Place — 1; Hawthorn Avenue — 1; Douglas Road — 1; River Park Street — 3; or take any action relative thereto.

Voted: To authorize the installation of six street lights on unaccepted ways, as follows: Dana Place — 1; Hawthorn Avenue — 1; Douglas Road — 1; River Park Street — 3.

Article 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of increasing its water supply by constructing an additional well and other facilities at its Charles River Street water supply location; or take any other action relative thereto.

Voted: That the sum of $40,000.00 be appropriated from the Excess and Deficiency Account to be expended under the direction of the Board of Selectmen for the purpose of increasing the Town's water supply by constructing an additional well and other facilities at its Charles River Street water supply location.

Article 32. To see if the Town will appropriate the sum of $800.00 for the preparation of victory garden plots at the Norris Farm and at other approved locations in the Town, and for care of the orchard at the Norris Farm; determine in what manner the money shall be raised and expended; or take any action relative thereto.

Voted: That the sum of $800.00 be appropriated for the preparation of victory garden plots at the Norris Farm and at other locations in the Town approved by the Selectmen, and for care of the orchard at the Norris Farm.

Article 33. To see what sum the Town will appropriate to be expended by the Board of Trustees of the Glover Memorial Hospital for the purpose of obtaining from a competent architect, to be selected by said Trustees, plans and drawings for the enlargement and expansion of Glover Memorial Hospital; determine in what manner said sum shall be raised; or take any other action relative thereto.

Voted: That the sum of $1,500.00 be appropriated to be expended by the Board of Trustees of the Glover Memorial Hospital for the purpose of obtaining from a competent architect, to be selected by said Trustees, plans and drawings for the enlargement and expansion of Glover Memorial Hospital.

Article 34. To see what sum the Town will appropriate for the purpose of obtaining the services of a competent architect, to be selected by the Selectmen, in connection with the preparation of plans and drawings for the erection of a garage for the Department of Public Works; determine in what manner such sum shall be raised and expended; or take any other action relative thereto.

Voted: That the sum of $500.00 be appropriated for the purpose of obtaining the services of a competent architect, to be selected by the Select-

men, in connection with the preparation of plans and drawings for the erection of a garage for the Department of Public Works.

Article 35. To see if the Town will appoint a committee to recommend a site for a new fire station in Needham Heights with authority to secure an option upon such site, with the approval of the Selectmen, such option, if secured, to be subject to acceptance or rejection at the next Annual Town Meeting, and to obtain from a competent architect plans and drawings for the erection of such new station; to see what sum the Town will appropriate for these purposes; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

Voted: That a Committee be appointed, consisting of one member of the Board of Selectmen, one member of the Planning Board, and three other persons to be designated by the Moderator, to recommend a site for a new fire station in Needham Heights with authority to secure an option upon such site, with the approval of the Selectmen, such option, if secured, to be subject to acceptance or rejection at the next Annual Town Meeting, and to obtain from a competent architect plans and drawings for the erection of such new station, and that the sum of $2,000.00 be appropriated for this purpose.

Article 36. To see what action the Town will take relative to civilian defense; what sums the Town will appropriate for the Needham Committee on Public Safety for the purposes of civilian defense; determine how the money shall be raised and expended; or take any other or further action thereto.

Voted: That the sum of $449.13, being the unexpended balance of the appropriation made under Article 35 of the Annual Town Meeting of 1944, be appropriated for the use of the Needham Committee on Public Safety, to be expended under the direction of the Selectmen.

Article 37. To see if the Town will authorize the Selectmen to sell and convey to The William Carter Company, for $450.00, certain land situated on the easterly side of Hillside Avenue in Needham, which land is designated and shown as the lot of land marked "8753 Sq. Ft.," on a plan entitled "Plan of Land in Needham, Mass., Scale 1 in.: 40 ft., Frank L. Cheney, Civil Engineer, September 20, 1944," and more particularly bounded and described according to said plan as follows: Westerly by Hillside Avenue, 50 feet; northerly by land marked on said plan "Central Railway Signal Co.," by two lines measuring 139.7 feet and 80 feet, respectively; easterly by land marked on said plan "The William Carter Co.," 35 feet; and southerly by land marked on said plan "The William Carter Co.," 232.4 feet; reserving, however, an easement to construct, maintain and use a covered underground drain under said land and the right to enter on said land in connection therewith; or take any other action relative thereto.

Voted: That the Board of Selectmen, for and in behalf of the Town, be authorized to sell and convey to The William Carter Company, for $450.00, certain land situated on the easterly side of Hillside Avenue in Needham, which land is designated and shown as the lot of land marked "8753 Sq. Ft.," on a plan entitled "Plan of Land in Needham, Mass., Scale 1 in.: 40 ft., Frank L. Cheney, Civil Engineer, September 20, 1944," and more particularly bounded and described according to said plan as follows: Westerly by Hillside Avenue, 50 feet; northerly by land marked on said plan "Central Railway Signal Co.," by two lines measuring 139.7 feet and 80 feet, respectively; easterly by land marked on said plan "The William Carter Co.," 35 feet; and southerly by land marked on said plan "The William Carter

Co.," 232.4 feet; reserving, however, an easement to construct, maintain and use a covered underground drain under said land and the right to enter on said land in connection therewith.

Unanimous

Article 38. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to sell the land of the Town situated on Webster Street and purchased by the Town as a gravel bank under Article 25 of the Annual Town Meeting of 1916; or take any other action relative thereto.

Voted: That the Town Treasurer be authorized, with the approval of the Selectmen, to sell and convey the whole or any part or parts of the land of the Town situated on Webster Street and purchased by the Town as a gravel bank under Article 25 of the Annual Town Meeting of 1916, for such amount or amounts as the Selectmen shall approve.

Unanimous

Article 39. To see what action the Town will take relative to the appointment of a committee to study district or precinct voting and to make recommendations relative to the advisability of such voting in the Town of Needham and the manner in which such voting may be put in effect, and to see what sum, if any, the Town will appropriate for the expenses of such committee.

Voted: That a Committee of five members be appointed by the Moderator to study district or precinct voting and to make recommendations relative to the advisability of such voting in the Town of Needham and the manner in which such voting may be put in effect.

Article 40. To see what action the Town will take relative to the appointment of a committee of five consisting of the Superintendent of the Public Works Department, the Town Engineer, and three other persons to be appointed by the Moderator, to study and investigate the advisability of establishing a public landing field for aircraft, and a suitable site therefor, in the Town, or of joining with an abutting city or town to form an Airport District for the same purpose, and to see what sum the Town will appropriate for the expenses of said committee; or take any other action relative thereto.

Voted: That a committee be appointed consisting of the Planning Board and four other persons to be appointed by the Moderator to study and investigate the advisability of establishing a public landing field for aircraft and a suitable site therefor in the Town, or of joining with an abutting city or town to form an Airport District for the same purpose and to make a report at the Annual Town Meeting in 1946.

Article 41. To see what action the Town will take relative to the report of the committee appointed under Article 42 of the Annual Town Meeting of 1942, and continued under Article 30 of the last Annual Town Meeting.

Voted: That the report of the committee appointed under Article 42 of the Annual Town Meeting of 1942 and continued under Article 30 of the last Annual Town Meeting be accepted, and that said committee be continued for one year to study the best uses to which the Norris Farm property may be put in the interests of the Town, and such committee shall report its recommendations in writing to the next Annual Town Meeting.

Article 42. To see if the Town will accept gifts of $1,000.00 under the will of Alfred T. Baker and $739.40 under the will of Margaret Constable, to be held and administered as trust funds for the benefit of Glover Memorial Hospital.

Voted: To accept gifts of $1,000.00 under the will of Alfred T. Baker and $739.40 under the will of Margaret Constable, to be held and administered as trust funds for the benefit of Glover Memorial Hospital.

Article 43. To see if the Town will ratify and approve the action of the Selectmen in accepting on behalf of the Town the provisions of the will of the late Sarah J. Thorpe for the erection of a bronze tablet on Thorpe Memorial Park indicating that such Park was given the Town by Sarah J. Thorpe and Joseph Thorpe in memory of Bessie Thorpe.

Voted: That the action of the Selectmen in accepting, on behalf of the Town, the provisions of the will of the late Sarah J. Thorpe for the erection of a bronze tablet on Thorpe Memorial Park indicating that such Park was given the Town by Sarah J. Thorpe and Joseph Thorpe in memory of Bessie Thorpe be and is hereby ratified and approved.

Article 44. To see if the Town will amend Section 10 of the Zoning By-Law by adding the following new sentence to the first paragraph of said section:

"Lots of land in residence district 'A' shall each have a frontage of at least 150 feet, and lots of land in residence district 'B' shall each have a frontage of at least 80 feet."

Voted: That Section 10 of the Zoning By-Law be and is hereby amended by adding the following new sentence to the first paragraph of said section:

"Lots of land in residence district 'A' shall each have a frontage of at least 150 feet, and lots of land in residence district 'B' shall each have a frontage of at least 80 feet."

Yes 145 No 1

Article 45. To see if the Town will vote to amend its zoning map by changing from a single residence district to a business district the land bounded and described as follows:

Northerly by Central Avenue; easterly by Webster Street; southerly by land of the Town of Needham about 187.72 feet; and westerly by other land of the petitioner about 137 feet; said land containing 20,416 square feet, more or less, as shown on a plan dated November 29, 1944, on file in the office of the Town Engineer;

on the petition of Lillian V. Ferguson.

Voted: That this Article be dismissed.

Unanimous

Article 46. To see if the Town will amend Article III of its By-Laws by adding the following new section thereto:

"*Section 3.* Every person making or opening a subdivision of land in the Town shall at his own expense make such provisions for the development of streets therein, including the construction and drainage thereof, and the installation of water mains therein, as may be required by the Planning Board. Such street development and construction shall be in accordance with specifications therefor which the Selectmen may from time to time adopt, and water mains shall be installed only in a manner approved by the Selectmen. The Planning Board may require a proper bond with an adequate surety or sureties to secure performance of its requirements hereunder."

Voted: That Article III of the Town By-Laws be and is hereby amended by adding the following new section thereto:

"*Section 3.* Every person making or opening a subdivision of land in the Town shall at his own expense make such provisions for the development of streets therein, including the construction and drainage thereof, and the installation of water mains therein, as may be required by the Planning Board. Such street development and construction shall be in accordance with specifications therefor which the Selectmen may from time to time adopt, and water mains shall be installed only in a manner approved by the Selectmen. Yes 140 No 10

Article 47. To see if the Town will amend Article II of its By-Laws entitled "Town Finance And Administration" by adding thereto the following new section:

"*Section 12.* On and after January 1, 1946, all Town officers except constables, shall pay all fees received by them by virtue of their office into the Town treasury."

Voted: That Article II of the Town's By-Laws entitled "Town Finance And Administration" be and is hereby amended by adding thereto the following new section:

"*Section 12.* On and after January 1, 1946, all Town Officers except constables, shall pay all fees received by them by virtue of their office into the Town treasury."

Unanimous

Article 48. To see if the Town will amend Article IV of its By-Laws, entitled "Police Regulations," by adding thereto the following new section:

"*Section 13A.* The Superintendent of Public Works may, for the purpose of removing or plowing snow, or removing ice, from any way, remove or cause to be removed to some convenient place, including in such term a public garage, any vehicle interfering with such work, and impose liability for the cost of such removal, and of the storage charges, if any, resulting therefrom, upon the owner of such vehicle."

Voted: That Article IV of the Town's By-Laws entitled "Police Regulations," be and is hereby amended by adding thereto the following new section:

"*Section 13A.* The Superintendent of Public Works may, for the purpose of removing or plowing snow, or removing ice, from any way, remove or cause to be removed to some convenient place, including in such term a public garage, any vehicle interfering with such work and impose liability for the cost of such removal, and of the storage charges, if any, resulting therefrom, upon the owner of such vehicle."

Unanimous

Article 49. To see if the Town will accept Section 6 of Chapter 85 and Section 7 of Chapter 40 of the General Laws relative to the removal of snow and ice from sidewalks and appropriating money therefor; or take any other action relative thereto.

Voted: That the Town accept Section 6 of Chapter 85 and Section 7 of Chapter 40 of the General Laws.

Article 50. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the purchase of war bonds or other bonds that are legal for investments for savings banks, in accordance with the provisions of Chapter 5, Acts of 1943.

Voted: That the sum of $25,000 be appropriated from the Excess and Deficiency Account for the purchase of War Bonds by the Treasurer with the approval of the Finance Committee, in accordance with the provisions of Chapter 5, Acts of 1943.

Article 51. To see if the Town will vote to have the reports of its officers and the proceedings of this and subsequent Town Meetings printed; or pass any vote or votes relative thereto.

Voted: That 1,000 copies of the reports of the Town Officers and the proceedings of this and subsequent Town Meetings, including the valuation list, be printed before the next Annual Town Meeting, and distributed as the Selectmen may determine.

Article 52. To appropriate and raise by borrowing, or otherwise, such sums of money as may be necessary for all or any other purpose mentioned in the foregoing articles; especially to act upon all appropriations asked for, or proposed by the Selectmen, or any Town Officer or Committee; to appoint such Committees as may be decided upon; and to take action upon any other matter which may properly come before the meeting.

The following motion did not carry:

"That a committee of five members be appointed by the Moderator for the purpose of making recommendations regarding an appropriate permanent memorial to the veterans of World War II and that such committee shall report its recommendations in writing at the next Annual Town Meeting."

Voted: That the Selectmen be and they are hereby authorized and directed to petition the Director of Accounts for an annual audit of the Town's accounts under the supervision of said Director, in accordance with General Laws, chapter 44, section 35.

Voted: To adopt the following resolution:

Resolved:

That it is the sense of this meeting that,

(1) In respect to unaccepted streets and private ways, now existing as travelled ways, provisions should be made for the construction of adequate drainage systems therein, and at the expense, at least ultimately, of the owners of the abutting land areas, as a requisite for the consideration by Town Meetings, of future petitions for the acceptance and building under the Betterment Act of such streets and ways.

(2) However, where such drainage systems are designed or calculated to also serve and benefit other, already accepted and public streets, then such conditions should be treated as a consideration in the apportionment of the costs involved in the construction of such unaccepted streets and private ways.

At ten o'clock, P.M., March 19, 1945,

It was *Moved* — That this meeting be dissolved.

Attest: E. BERTHA BEHNKE,
Town Clerk.

OFFICERS QUALIFIED

Commonwealth of Massachusetts

Norfolk, *ss.*

Personally appeared before me on the dates set against their several names the following persons who were elected March 12, and 19, 1945, and made oath that they would faithfully perform the duties of the office to which they were respectively elected:

Both parents foreign born	8

NOTICE

The attention of parents is called to the law relating to the registering of Births. The present requirements are as follows:

Chapter 29, Section 6, of the Revised Laws. Parents, within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects so to do for ten days after the time limited therefor, . . . shall forfeit not more than five dollars for each offense.

Attention of Physicians and Midwives is called to Chapter 279, Section 1, Acts of 1912.

Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish to parents, physicians and midwives applying therefor blanks for return of births as required by law.

Bride and groom both foreign born	7
Native groom, foreign bride	8
Foreign groom, native bride	6
Groom and bride residents	27
Bride resident	69
Groom resident	41
Bride and groom non-resident	14

NOTICE

Persons who intend to be joined in marriage in this Commonwealth shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk or registrar of the city or town in which they respectively dwell or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

Section 28A. (As inserted by Chapter 561, section one, Acts of 1943). Except as hereinafter provided, a certificate shall not be issued by the clerk or registrar under section twenty-eight until he has received from each party to the intended marriage a medical certificate signed by a qualified physician registered and practicing in the commonwealth, a physician registered, or licensed to practice in any other state of the United States, or a commissioned medical officer on active service in the armed forces of the United States who has examined such party as hereinafter provided. Such examination shall be made only to ascertain the presence or absence of evidence of syphilis, and shall include a serological test for syphilis. Said test shall be made by a laboratory of the state department of public health or by a laboratory meeting standards approved by said department or, if not located within the commonwealth, approved by the United States Public Health Service. The examination of such physician and the laboratory test shall be made not more than thirty days before a certificate is issued under section twenty-eight. If such physician, in making such examination, discovers evidence of any such disease, he shall inform both parties, to the intended marriage of the nature of such disease and of the possibilities of transmitting the same to his or her marital partner or to their children.

Whoever, being subject to the laws of the commonwealth fails to comply with any provision of this section shall be punished by a fine of not less than ten nor more than one hundred dollars.

Chapter 151, Section 29, Revised Laws

If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage, a certificate or declaration of their marriage, including the facts relative to marriage which are required by law, and for neglect thereof shall forfeit ten dollars.

E. BERTHA BEHNKE,
Town Clerk.

REPORT OF THE BOARD OF SELECTMEN

December 31st, 1946.

To the Voters of Needham:

The annual report of the Board of Selectmen for the year 1945 is submitted herewith.

Prior to the end of the hostilities of World War II your Board's activities were confined largely to co-operating the functions of the Town with war requirements and restrictions. During this period, the Board took certain actions which are called to your attention and enumerated herewith.

1. A floodlight was installed to illuminate the flag at the Honor Roll on the Common.

2. The Board adopted a framed memorial for presentation to the next of kin of our citizens whose lives were lost in the war. These memorials were financed from the proceeds of salvage drives.

3. The Honor Roll was painted and gold-leaved. We felt that this Honor Roll should be kept in good condition so long as it remains at its present location. It is suggested that, if a memorial building should be erected in the not too distant future, the Honor Roll might well be removed from the Common and incorporated in a corridor of such building.

Upon the news of the end of the War in Europe, V-E Day, May 8, 1945, the Town staged a spontaneous celebration. Great Plain Avenue, in front of the Common was roped off, and dancing enjoyed by young and old.

On V-J Day, August 14, 1945, exercises were held at the Honor Roll, following which appropriate services were conducted in the various churches. Following the church services, block dancing was again enjoyed.

We wish to thank Messrs. Edward J. Stewart, George A. Wye, and Clyde E. Cookson, and Mrs. Helen Richwagen, for their efforts on both occasions of celebration.

In so far as deliveries could be obtained, replacements and new equipment were purchased and put into service. The acquisition of the snow loader made possible the prompt clearing of snow from our two trading centers. Without this piece of equipment, and with the shortage of manpower a serious condition would have existed.

Starting in October hearings were held on petitions for acceptance and construction under the Betterment Act of twenty-two streets. Several of these petitions had been filed in 1942, but, as the work could not be done, hearings on the petitions were not held until 1945. The majority of the abutters on fifteeen of these streets, after hearing the amounts of their assessments voted in favor of having the streets accepted and constructed. Accordingly appropriate articles are in the warrant.

The Recreation Center, conducted at the old fire station on Chestnut Street, was discontinued and the use of the entire building was given back to the Veterans of Foreign Wars on July 1, 1945.

Members of the Fire Department petitioned to have the Town accept certain sections of the general laws which would give them a seventy hour work week. As the required number of names appeared on the petition the appropriate article has been included in the warrant. At the second of two hearings on this question, attended by representatives of the firemen,

the Fire Chief and representatives of the Finance Committee, it was agreed that a seventy hour week could be given the department and the protection of the Town slightly improved with the addition of four men to the Department. Accordingly the budget for the Fire Department was increased, and the petitioning members of the Department agreed, providing the money was appropriated therefor, to a motion to dismiss the article for acceptance of Section 58A of Chapter 48.

The Police Chief requested an appropriation for five additional men in his budget. The budget, at our suggestion, was reduced to only two additional men for 1946, as we felt that the door should not be closed for men in service. We believe the Department needs the five men requested and we recommend that the other three men be added to the force in 1947.

The work of the Needham War Price and Rationing Board was transferred to the Newton Board during the year, and the Needham Board was disbanded. Letters of thanks for a public service well rendered were sent to all who had served as members.

Mr. William D. Stack, who served as clerk of the Board and as assistant to the rationing board resigned effective December 1st. An additional clerk was employed in the Public Works Department and Miss Agnes Gillespie of that Department has taken over the clerical work of the Board of Selectmen.

We enter 1946 in sound financial condition, but are faced with a large amount of major expenditures for capital outlays. A continued shortage of manpower will make necessary the contracting for construction of much of the work of the Public Works Department. At December 31, 1945 the Town had available funds and unexpended balances as follows:

Excess and deficiency account	$212,000.00
U. S. Government bond for post-war construction	100,000.00
Unexpended balances — special articles, included $9,000.00 for a Recreation Center	182,000.00
Overlay reserve, available for the Reserve Fund.	20,000.00
Proceeds from sale of town-owned real estate.	10,000.00
	$524,000.00

Prudent use of these funds, plus wise bonding, for small capital outlays, should enable the Town to continue with reasonable tax rates and good services to its citizens.

The Salvage Committee of the Town continued its work until dissolved by action of the War Production Board. Since December 31. 1944, they have turned over to the Town Treasurer $7,484.80, representing the net proceeds from salvage collections, together with a statement of receipts and disbursements. We recommend that at the appropriate time, this amount be used for some suitable purpose as part of a memorial for World War II.

GEORGE A. POTTER, *Chairman*,
DAVID MURDOCH,
CYRIL N. ANGELL,
Selectmen of Needham.

December 31, 1945.

REPORT OF INSPECTOR OF SAND AND GRAVEL

The Honorable Board of Selectmen:

Gentlemen: — I herewith submit my annual report as Inspector of Sand and Gravel Banks in the Town of Needham, for 1945.

Inspections, surveys and reports have been made of the sand and gravel banks throughout the Town, operating on a commercial basis, for the purpose of maintaining the grades set, as established in their permits, issued by your Board.

Permits on three parcels of land were not renewed during the year and two of these have yet to remove structures, or grade the property in accordance with the terms of their former permits.

Each of the properties granted permits have certain restrictions placed on them for set-backs, grades, or elevations, and many visits were made during the year to ascertain that the restrictions were being complied with.

Numerous conferences with the operators of these plants and with your Board have been necessary regarding violations, permits and restrictions.

I appreciate the co-operation and assistance given me by the Police Department, Supt. of Public Works Lester C. Hollis, your Board and others.

Respectfully submitted,

FRANK L. CHENEY,
Inspector of Sand and Gravel.

REPORT OF TOWN COUNSEL

December 31, 1945.

Board of Selectmen,
Town Hall,
Needham, Massachusetts.

Gentlemen: — I submit herewith my report as Town Counsel for 1945.

As in past years, my work in 1945 was in large part devoted to consulting with and advising Town Officers and Committees, with regard to the many legal questions which arise in connection with the administration of the Town's affairs. In addition, I have given numerous written opinions in response to requests from you and from other officers and departments, attended your meetings, prepared and approved numerous deeds and bonds, examined titles, prepared the Annual Town Warrant, and rendered other legal services.

In my report to you for the year 1944, I recommended a thorough examination, redrafting and compilation of Town's by-laws, and suggested that this task be undertaken as soon as possible after the war. I believe that this work should be done in the year 1946, and that an appropriate article should be inserted in the Town Warrant for the appropriation of a sum of money for this purpose.

I am resigning, effective January 1, 1946, and you have appointed Henry W. Hardy to fill the vacancy. Mr. Hardy, who served as Town Counsel until he entered the United States Army from which he has just returned, is eminently qualified to carry on the Town's legal affairs and I know that he will continue to enjoy the co-operation of the Town officers, employees and committees which it has been my pleasure to receive. I wish also to express my deep appreciation for the privilege of serving under your Board for the past three and one-half years and I congratulate the Town upon the able and intelligent administration of its affairs under your leadership.

Respectfully submitted,

HORACE P. MOULTON,
Town Counsel.

REPORT OF THE POLICE DEPARTMENT

January 4, 1946.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the annual report of the Police Department for the year ended December 31, 1945.

With the ending of the war, and most of the emergency laws cancelled' motorists have had a tendency to drive a great deal faster than is safe, with respect to conditions of automobiles, and tires. The increase in speed in all sections of the Town has caused a great many complaints to be registered with this department.

In order to give the Town better protection, and eliminate the cause of a great many of these complaints it will be necessary to increase the personnel of this department. It is felt that by the fall of 1946, the majority of servicemen will have returned home, and that the former members of the armed forces should be given first consideration for these positions.

The juvenile problem is still not a serious one in this Town, and I believe that the parents' first duty is to take care of their children, and know where they are, and what company they are with.

The Auxiliary Police, and other citizens helped us greatly in making Hallowe'en a success. The parties at the Junior High School were splendidly conducted.

Although our duties are many our desire is to serve the citizens in an efficient manner.

My thanks to the officers of the department, and heads of other departments, and officials who have assisted us this past year.

Respectfully submitted,

THOMAS H. WELCH,
Chief of Police.

REPORT OF THE FIRE DEPARTMENT, FIRE ALARM DEPARTMENT, FOREST WARDEN AND PETROLEUM INSPECTOR

December 31, 1945.

To the Board of Selectmen:

I herewith submit the annual report of the Fire Department, Fire Alarm Department, Forest Warden and the Petroleum Inspector for the year 1945.

Fire Record

During the year 1945 the department responded to 350 calls: Bell Alarms 127, Still Alarms 196, Signals 27.

Mutual Aid

Needham to Newton	6
Needham to Wellesley	3
Needham to Dover	1
Newton to Needham	4
Wellesley to Needham	2
Dover to Needham	2

Fire Prevention

Fire Drills were conducted at all the Needham Schools. The times and conditions were recorded and recommendations were made regarding same. Fire prevention lectures were held and pictures were shown to various organizations in our Town.

Fire inspections were continued throughout the year in all stores, factories, filling stations, schools and churches. A total of 1,545 inspections were made and 16 reports filed requesting that fire hazards be removed.

Blood Donors

A total of 10 Transfusions of Blood were made by the permanent men of the department. (Transfusions were donated to Needham residents.)

Resignations

During the year we had two resignations, namely:

Captain Leo Brady
Fireman John Rhynd

Veterans

During the past year we had the pleasure of welcoming the return to civilian life of the veterans of this department from the armed forces.

Appointments

During the past year there were three appointments made to the permanent department, the existing vacancies were filled by veterans of World War Two, namely:

Allen Brown
William Hanson
Joseph Thorpe

Fire Alarm

The maintenance of the Fire Alarm System is being carried on by Captain Brown assisted by the members of the fire department.

The maintenance work this past year consisted of general and emergency repairs only. Due to the shortage of materials no new construction was carried out.

Forest Warden

1,356 permits were issued for burning in the open during 1945. During the summer months Fire Patrols were made through our large wooded areas.

Petroleum Inspector

Permits issued for the storage of fuel oil — Domestic	67
Permits issued for the storage of fuel oil — Range	72
Transfers and copies	218

Appreciation

In closing I would like to express my appreciation to the Board of Selectmen, head of each department and to the members of the Auxiliary Fire Department for the support and co-operation given to me during the year as chief of the fire department, and to the men for their continued loyalty to duty.

Respectfully submitted,

RICHARD M. SALAMONE,
Chief of Fire Department.

NEEDHAM FIREMEN'S MUTUAL RELIEF, INC.

Needham, Mass.
January 4, 1946.

Annual Report

Balance January 1, 1945	$25,616.21	
Receipts in 1945	1,324.35	
		$26,940.56
Disbursements in 1945		863.28
Cash and Securities on hand, December 31, 1945		$26,077.28

Respectfully submitted,

JOHN E. COTTER,
Treasurer.

REPORT OF THE DOG OFFICER

December 31, 1945.

The Honorable Board of Selectmen:

Gentlemen: — I submit herewith the report of the Dog Officer for 1945.

1,307 dogs were licensed during the year. Five kennel licenses were issued, two at $25.00 and three at $10.00 each. There was an increase of 160 dogs licensed during 1945.

Respectfully submitted,

WILLIAM W. HEWETT,
Dog Officer.

REPORT OF THE INSPECTION DEPARTMENT

December 31, 1945.

To the Honorable Board of Selectmen:

Gentlemen: — We herewith submit the thirty-third annual report of this department.

As in the previous three years building was controlled by the War Production Board, and until September of this year, when priorities were lifted, the same condition existed. But there is now a decided move among builders and real estate operators to start an extended building program.

Many permits for mercantile and industrial sites, as well as dwellings, will no doubt be issued this coming spring, when materials become available.

The new law making the local building inspector an agent of the Commissioner of Public Safety is going to demand a greater amount of time. This law took effect November 1, 1945.

Again we must bring to the attention of the property owner that permits must be obtained from the Inspection Department before work is started. This applies to all building, plumbing, gas and electrical work.

A summary of permits issued and fees received during the year are as follows:

Building

	Dwellings		Garages		Other Buildings		Additions and Alterations		Demolitions	
January	..	.....	..	.....	..	.....	2	$300	..	.....
February	..	.....	..	.....	..	.....	7	1,105	..	.....
March	..	.....	..	.....	..	.....	5	850	..	.....
April	..	.....	..	.....	2	$700	14	3,865	..	.....
May	..	.....	..	.....	..	.....	8	5,550	1	$250
June	2	$6,500	..	.....	..	.....	18	7,785	..	.....
July	1	6,000	1	$300	1	100	18	6,825	1	1,000
August	..	.....	1	750	1	400	8	4,150	1	500
September	2	13,000	..	.....	3	400	13	43,030	1	100
October	4	27,500	2	1,150	2	425	18	6,500	3	5,600

December	11	41.00	2	4.00	24	48.75	1	2.00	24	64.50	62	160.25
Totals	176	$326.00	9	$18.00	214	$481.75	39	$76.00	260	$487.00	698	$1,388.75

May we again thank the several departments for their co-operation.

Respectfully submitted,

WILLIAM S. CASSIDY,
Inspector of Buildings.

CLYDE E. COOKSON,
Inspector of Wires.

FRED E. COOKSON,
Inspector of Plumbing.

REPORT OF SEALER OF WEIGHTS AND MEASURES

January 5, 1946.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1945.

Number of articles tested	655
Number of articles sealed	644
Number of articles tagged "Not Sealed"	5
Number of articles condemned	7
Number of Pedlars licenses examined	9
Number of reweighings in stores	138
Deliveries of cord wood remeasured	3
Amount of fees collected and turned over to the Town Treasurer	$106.81

Respectfully submitted,

EARL W. RICHWAGEN,
Sealer.

REPORT OF THE TRUSTEES OF THE GLOVER MEMORIAL HOSPITAL

February 20, 1946.

To the Honorable Board of Selectmen,
Needham 92, Massachusetts.

Gentlemen: — Wartime difficulties in operating the Glover Hospital continued throughout 1945. As yet there has been no improvement and the problem of obtaining nurses and other employees is as critical as ever. In spite of these difficulties the same standard of service to patients has been maintained and the number of patient days considerably increased over 1944.

Even though costs of operation have materially increased during the year, room rates and other charges have not been raised. In spite of this the net cost of maintaining the hospital has remained reasonable. The total cost for the year was $66,812.29, of this $50,093.03 was collected from patients, leaving a cost to taxpayers of only $16,719.26.

This fine record of service has been possible because of the loyal and efficient work of our superintendent, assistant superintendent and staff.

There is a constantly increasing need for hospital care in the Town. Recently it has been necessary to use four emergency beds and yet members of the medical staff have estimated that at times there have been nearly 100 patients needing admission. The Trustees, the superintendent and the medical staff have worked diligently in co-operation with a firm of Architect-Engineers in developing the plan for expansion which we hope will have been voted favorable by the Town meeting when this report is read.

The cost of equipping the new building will be materially reduced by the receipt of a generous gift acknowledged elsewhere in the Town report.

The Trustees are glad to welcome back from the services the doctors who have been serving their country during the war. Their return will greatly relieve the pressure under which the medical staff has been working during the past three years. A fine spirit of co-operation among all concerned with the welfare of the Hospital has prevailed throughout the year and we look to the future with confidence.

Respectfully submitted,

JOHN MacGREGOR, *President,*
JULIUS HALLER, *President, pro. tem.*
ADAH G. FULLER, *Secretary,*
ALLAN M. CATE,
DAVID E. MANN, M.D.,
ROBERT M. McCLELLAN,
WILLIAM MITCHELL, M.D.

SUPERINTENDENT'S REPORT

To the Honorable Board of Selectmen, Trustees of the Glover Memorial Hospital, and Citizens of the Town of Needham:

I submit the following report of work carried on in the Glover Memorial Hospital for the year ending December 31, 1945:

Number of patients admitted	847
Number of births	132
Caesarean operations	4
Outpatients	152
Medical cases	114
Surgical Operations (major)	138
Surgical Operations (minor)	132
Surgical Operations (T & A)	179
Total number of patients days (adults)	5,256
Total number of patients days (infants)	1,500
Average stay in Hospital	7½ days
Average patients per day	14
Amount of permanent equipment purchased	$1,264.64
Number of Blue Cross patients	300
Amount collected from Blue Cross	$11,803.42
Total number of adult deaths	15
Maternity deaths	0
Children	0

May I at this time express my appreciation to the Board of Trustees and loyal staff for their sincere co-operation and assistance during the past year.

Due to constant change in personnel it has been a very difficult year. Many times we have been unable to accommodate the Townspeople because of this problem.

With the co-operation of the doctors, staff, and patients we have cared for as many individuals as in previous years, realizing that it often required discharging patients while convalescing.

During the course of the past year a new Resuscitator was purchased and has been used many times very effectively.

A new Cabinet was made by Mr. Wye for the Delivery Room for sterile packs and supplies, this cabinet has been a great asset in maintaining efficiency.

A new Fritz Automatic Drainage Apparatus was puchcased for care of post-operative cases, this was found to be necessary as the one machine we had was being used so frequently it could not take care of our constant demands.

Laboratory — The total number of examinations made in our Hospital Laboratory during the past year are as follows: House Patients 2,425, Outpatients 1,298, making a total of 3,723. A new incubator was purchased for laboratory, also a new Sanborn Waterless Metabolator Machine replacing an outdated model.

The Hospital Grounds have been improved by the replanting of lawn and shrubbery around the front of the Hospital.

The gutters at rear of Hospital have been cleaned and new pipes and two dry wells added to carry off waste water that settles around building.

The Hospital Trim was painted including screens and storm windows adding greatly to the appearance of the building.

The condensation pump in the heating system failed this spring. Repairs have been effected, but in the opinion of experts this equipment is in such condition that failure might again occur. Should this happen in cold weather the consequences would be serious. Therefore a spare pump and motor assembly was purchased for such an emergency.

The main kitchen of the Hospital has been painted and cabinets re-varnished.

The Ladies' Aid for the Hospital has held twelve all day meetings when the Hospital mending has been done. In addition to the mending 911 new articles have been made during the past year.

Hospital donation day under the direction of the Ladies' Aid with the assistance of Mr. Hollis was a great success, and the pantry shelves were well stocked with canned goods donated by the school children throughout the Town.

May I extend my sincere thanks and appreciation at this time to the Hospital Volunteer Service, the Needham Garden Club, School children, Girl Scouts, the New Century Club, and the Nurses Aides, and our group of friends who have faithfully given their time to make surgical dressings.

HELEN I. LINANE, R.N.,
Superintendent.

ANNUAL REPORT OF MEMORIAL PARK TRUSTEES FOR 1945

The year 1945 saw the completion of the permanent grades at Memorial Park, a task started April 19, 1921, by over 1,000 Needham citizens, when they gathered with shovels, wheelbarrows, tip-carts, trucks and steam shovels to begin the removal of loam and prepare the area to be cut, filled and levelled to make ready for the construction of the various athletic fields. It is estimated nearly 200,000 cubic yards of fill have been required. All loam has first been removed and saved and then replaced on the new levels. Some of the loam removed on that memorable community day was available this fall to be placed on the new graded area which added about 100,000 square feet of useful surface, part of which will make possible the construction of a new complete regulation baseball field.

The Needham Post 14 American Legion, as has been their custom, shared their home with many community organizations, making available to the Needham Visiting Nurse Association rooms to conduct their weekly "Well Baby Conference."

Richwagen and Sons again supplied the bulbs and flowers for the circle for which we are grateful.

Mr. Harold Pike was continued as superintendent and he rendered his usual capable service. The excellent condition of the fields and the Park generally bespeak of his ability and skill.

AMOS H. SHEPHERDSON,
J. HARRY WHETTON,
SAMUEL D. LOW,
PAUL B. RICHWAGEN,
T. JAMES CROSSMAN, *Chairman,*
Trustees of Memorial Park.

REPORT OF PLANNING BOARD

The Planning Board has held regular meetings at its office in the Town Hall every Tuesday night for the past year together with a number of special meetings. There was considerable work and the Board was very active throughout the year. In fact, the work of the Board has so increased that much of it requiring consultations must be done entirely outside of the meetings and it is fortunate that the Board has one member who can devote considerable time to this outside work.

There is considerable activity pending in sub-divisions and in new housing developments which undoubtedly will start as soon as labor and materials are available. The Board anticipates a very substantial increase in medium cost homes in the next few years. It has made a careful study of the housing situation in Needham to find a way to meet the housing problem without breaking down the Zoning Law or jeopardizing the money invested by the individual home owner. There is undoubtedly an urgent need for small apartments not only for the returning Veterans but for many older people in the Town who would like to give up the maintenance of large homes. The Board has suggested certain changes in the Zoning Law to allow the construction of double duplex houses of not over two stories. This type of home can be made very attractive when properly built and landscaped.

The Board has been studying the development of the High Rock Woods for park purposes but owing to labor conditions, there is not a great deal that can be done at the present time. The Board feels, however, that some of the existing wood roads should be cleared out and certain fire stops built to put a stop to the devastating fires which have been occurring during the past few years. A survey shows that there is a promising growth coming along in the way of attractive trees and interesting wild shrubs. An Article in the Warrant asks for a small appropriation for this protective work.

One member of the Planning Board has been acting on the Special Committee of five appointed to recommend a site and secure an option on same for a new fire station at the Heights.

The Planning Board as a body was also appointed as members of the Airport Committee which will submit a report to the Town Meeting.

Considerable study has also been given to the parking situation around Needham Square which at present is very bad and rapidly growing worse. This is a very complex problem and can be solved only through a co-operative spirit of not only the citizens but of the various official departments of the Town. It has been suggested that the Town buy certain properties near the Square for public parking purposes but any property near enough to the Square to make it feasible for parking is very expensive and it is questionable whether it would be wise to use such property, which undoubtedly in the next few years would bring in high tax returns. There are certain things which could be done to ease the parking situation to a considerable extent. The first is the widening of Highland Avenue to at least 70 feet from Great Plain Avenue to May Street. This would make Highland Avenue the same width as Great Plain Avenue in the Square and would allow parallel parking on one side and angle parking on the other side which would take care of a large number of cars and still allow ample room for traffic. The second is the adoption of a plan developed several years ago by a former Parking Committee, i.e., the use of the Great Plain Avenue end of Greene's Field for a parking space. Pickering Street should be widened 10 feet from Great Plain Avenue to

May Street, the taking to be made on Town property, which would require no land damages. These projects would mean a small encroachment on School property but the Board feels that with the completion of Memorial Park with the enlarging of the area for athletic purposes, some of the activities now carried on in the Greene's Field area would eventually be transferred to Memorial Park. Another thoroughfare that should be widened in the near future is Chestnut Street from the Square to the Railroad crossing, due to expected business development and especially as our central Fire Station is located on this street. The Board would welcome suggestions from anyone interested in this parking problem for it surely needs that attention.

The Board wishes at this time to express its appreciation for the splendid co-operation afforded by the Board of Selectmen, the Town Counsel, the Public Works and Engineering Departments, and the Building Inspector.

Respectfully submitted,

ARTHUR W. ROHN, *Chairman*,
CARLETON D. MORSE, *Secretary*,
HERBERT L. MOORE,
WALTER R. CLARENBACH,
PAUL U. NICKERSON,
Needham Planning Board.

REPORT OF PLANNING BOARD ON LONG-RANGE PLANNING

At the Annual Town Meeting in 1941, it was voted that the Planning Board be instructed to make an annual survey of the needed Capital Expenditures of the various departments of the Town for the succeeding five years.

We present herewith the Fifth Annual Report under the title "Long-Range Planning." The term "Capital Expenditures" for the purpose of this report means all expenditures for construction or purchase of physical facilities, such as new buildings; water, sewerage or highway extensions; additional public works; educational, police or fire equipment; parks, playgrounds, etc.

The objective of Long-Range Planning is to set up a schedule of Capital Expenditures over a period of years, to so plan them through this period as to avoid peaks and valleys in the financial load so far as practical, to plan to keep such expenditures within the estimated Town Receipts wherever possible, using as a base the present tax rate, and to forecast necesary borrowings.

The purpose of the Financial Analysis appended is to determine approximately the present and future ability of the Town to pay for the proposed Capital Expenditures. The method used in estimating Town Departmental operating receipts and operating expenditures has proven to be quite accurate. Figures predicted several years ahead have been within 5% of the actual figures.

The total Capital program is shown under title "Schedule of Capital Expenditures" — and the relative need of the various items is indicated by the order of scheduling. The large expenditures of this post-war period reflect the accumulated need that developed during the war when construction was impossible and fortunately we have also accumulated approximately $105,000 in War Bonds, the proceeds of which can be used only for this type of expenditure, and have in the E. & D. Account approximately $210,000.

During the past year there has been considerable demand for the construction of a community center and recreational building. There has also been considerable expression of opinion as to the construction of a memorial for Veterans of World War No. 2 and many citizens have felt that a community center would be a suitable living memorial. We favor the appointment of a committee at the next Town Meeting with a moderate appropriation whose duty it will be to investigate and report on the desirability of constructing a community center with recommendations as to the type and site for the building, should it seem desirable. As to whether or not such a building would be dedicated as a memorial, we strongly feel that this question should be left for later decision by a committee of not less than fifteen, at least two-thirds of whom shall be Veterans of World War No. 2.

The last Annual Town Meeting authorized the appointment of a committee to report in 1946 on an addition to our present Hospital facilities. This Committee will, we believe, recommend construction starting this year which will necessitate the expenditure of approximately $400,000. Unfortunately building costs have so increased as to make it necessary to spend that amount if we are to face squarely the fact that Needham, which is destined shortly to be a town of twenty to twenty-five thousand people, must provide hospital facilities in keeping with the standards of the Town and not rely on Boston and Newton as we are now doing. This expenditure will probably have to be taken care of in greater part by a bond issue. Fortunately the Town's bonded indebtedness is now only $158,000. In 1936 our bonded obligations were $905,000.

The Committee appointed at the last Annual Town Meeting to report on the Fire Station at Needham Heights will also recommend immediate construction and we have, therefore, placed this project in the 1946 Schedule.

We recommend that a moderate sum be appropriated at the 1946 Town Meeting for the construction of fire breaks and the clearing of access roads in the High Rock area of land purchased by the Town last year for park purposes so that the many unusual and even rare trees and shrubs may be protected from wood fires and so that it may be possible to plan for the future development of what we expect will be a very beautiful natural Town park.

The Library Trustees have been waiting patiently for an opportunity to furnish a children's room in the Library and we recommend that the necessary appropriation be made in 1946 as scheduled.

The building of the Public Works Garage in 1947 is recommended, the site being that of the old Eaton barn in Eaton Square. This would provide not only the housing and maintenance shop for all Public Works Department equipment, but would also provide space for offices of the Public Works Department, including the Engineering Division and Inspections Department, relieving the Town Hall of its present overcrowded condition and making unnecessary any addition to or alteration of the Town Hall for many years.

ARTHUR W. ROHN, *Chairman*,
CARLETON D. MORSE, *Secretary*,
HERBERT L. MOORE,
WALTER R. CLARENBACH,
PAUL U. NICKERSON.

Seating Facilities	.....	.....	.....	25,000.00	.....
Tennis Courts	.....	.....	10,000.00	.....	.....
Totals	$711,620.00	$301,000.00	$307,200.00	$256,300.00	$186,200.00

Estimated Financial Analysis

Year	Total Income (based on present tax rate)	Departmental Operating Expenses	Balance Available for Capital Expenditures	Proposed Capital Expenditures	Balance To Be Financed
1946	$1,200,000	$1,090,000	$110,000	$711,620	$601,620
1947	1,257,000	1,110,000	147,000	301,000	154,000
1948	1,298,000	1,130,000	168,000	307,200	139,200
1949	1,320,000	1,145,000	175,000	256,300	81,300
1950	1,345,000	1,160,000	185,000	186,200	1,200

Suggested Financing of 1946 Requirements

Bond issues for Hospital and for Highway Division for Street Construction betterment.
Carry-over funds are available for all Sewer Division and nearly all of Water Division requirements.
Balance of approximately $50,000 from E. & D. Account.

REPORT OF DEPARTMENT OF VETERANS' SERVICES

To the Honorable Board of Selectmen:

The report of the activities of the Veterans' Service Department for the year 1945, is herewith submitted:

COMPARATIVE EXPENDITURES

Year	State Aid	State Military Aid	World War No. 2 Allowances	Soldier's Relief	Totals
1936	$120.00	$500.00	.....	10,172.70	$10,792.70
1937	60.00	822.50	.....	10,133.47	11,015.97
1938	30.00	1,225.00	.....	13,798.09	15,053.09
1939	0.00	880.00	.....	9,256.94	10,136.94
1940	0.00	1,290.00	.....	11,568.49	12,858.49
1941	0.00	1,035.00	.....	12,577.47	13,612.47
1942	0.00	980.00	$158.00	12,437.00	13,575.00
1943	0.00	615.00	9,217.68	8,755.58	18,588.26
1944	70.00	6,337.88	12,189.54	6,339.26	24,936.68
1945	676.00	1,850.90	9,367.41	10,649.20	22,543.51

Ninety three cases participated in aid of all forms. These cases represented 212 persons.

At December 31, 1945, there were 36 active and approximately 60 inactive cases of record with the office.

Medical needs again were foremost with unemployment playing no part.

State War Allowance subsidies are still effective, but only in the instance when the veteran is not discharged at the time of rendition of the relief. However, maternity expenses, the so-called EMIC or Health Plan may be applied for. It is suggested that wives apply directly to their doctor for details. Application blanks, however, may be had by calling this office.

Forecast for 1946

It might be well to consider that the War Emergency still exists and will continue so until a Presidential Proclamation is made. It is estimated that since V-E day 40 young men from Needham have entered the service. True the relief problem will be greatly modified but where hardship develops the basic War Allowances still are available. Unemployment will play an important part in 1946. Medical expense will run high. Applications for compensation, original and renewals, and pensions will increase. except for State War Allowances, we expect all departments to show increases.

The appropriations requested for 1946 are:

State Aid	$2,000.00
Military Aid	6,000.00
War Allowances	5,000.00
Soldiers' Relief	10,000.00
Administrative expenses not included in above amount to	4,117.54

Record of Needham Service Personnel

Reprinted here is the official State of Massachusetts form of Record of Military Service. This office is the official place of recording for the Town of Needham. To date many Veterans have not availed themselves of the free service of photostat copies. In the interest of a complete and accurate record for both the Town and State we urge all to check this feature. In future years the Veteran or his dependents will be relieved to find on file here a certified copy of his record. Blanks may be had by calling Nee 2440.

REPORT ON PUBLIC BUILDINGS OTHER THAN SCHOOLS

George A. Wye, *Superintendent*

December 31, 1945.

Honorable Board of Selectmen:

Gentlemen: — The following is a report of my activities as Superintendent of Public Buildings other than School Buildings for the year 1945:

I have spent 435 hours making minor repairs in the Town Hall, Police and Fire Stations, Hospital and Veterans of Foreign Wars Building. Other repairs and new work completed are as follows:

Town Hall

Corridors and ceilings painted by John Day & Son.
New sidewalk on common constructed by Joseph Rossi.
All steps repointed by N. Scarella.
Shrubbery around waiting station on common planted by Winslow Nurseries.
New water main with meter, laid in common by Public Works Department.
Grading lawn by Joseph Rossi.
Plants set in semi-circle front of Honor Roll by Paul Richwagen & Sons.
Public Works Department two offices painted by janitors.
Buzzer system — four-way bell — installed for Public Works Department by Custodian.
Moving waiting station on common — George Holt & Son.
Balustrades on Town Hall were inspected for a rotting condition; (this item to be submitted to Finance Committee for 1946 budget) Inspection made by George Holt & Son.

Police Station

New cabinet for teletype machine made by Custodian.
Painting building outside — 2 coats — by John Day & Son.
Painting building interior by John Day & Son.
Repairing minor leaks on roof by Ames & Ginty.

Fire Station

Painting building outside — 2 coats — by John Day & Son.
Repairing minor leaks on roof by Ames & Ginty.
Tiling front entrance by Ray Contanelli.

Hospital

Back steps of Nurses' Home repaired by N. Scarella.
Two showers, two toilets installed in Nurses' Home by A. Harding.
Condensation pumps in building repaired by Nash Engineering Co.
Water line for front lawn installed by M. Picariello.
Service wire for sign on lawn installed by L. Forand.
Lawn graded by Joseph Rossi.
Painting building outside — 2 coats — by Walter Coupe.
Connecting gutter to new cesspool in rear of building by Joseph Rossi.
Leak in oil tank underground repaired by Whetton's Oil Co.
Wire guards on all gutters installed by George Holt & Son.
Sign over front door changed by Custodian.
Motor valves repaired by Honeywell Co.

I wish to express my appreciation to the Board of Selectmen, Trustees of Glover Hospital and Chiefs of the Fire and Police Departments for their co-operation and help during the past year.

Respectfully submitted,

GEORGE A. WYE,
Superintendent.

REPORT OF THE BOARD OF HEALTH

To the Citizens of Needham:

The Needham Board of Health hereby submits the annual report of the Health Department for the year ending December 31, 1945.

Definite progress was made in the control of the mosquito. Through the co-operation of the townspeople in conjunction with the Town employees, breeding places were sprayed or drained. Further improvement can be experienced this year and an earlier start can be made on the more important areas.

Equipment has been acquired gradually as it has become available. Recently a suitable truck was purchased that will increase materially the efficiency of the mosquito control work. With more labor available, it should be possible to ditch and drain more areas this year. The Board of Health would like to take this opportunity to thank the Public Works Commissioner, Mr. Lester C. Hollis, for his whole-hearted support of the mosquito abatement program. Mr. Robert Wales of the State Department of Health was most helpful in giving expert guidance to the Town officials. Thanks are due to Mr. Arthur Curren who served as general chairman and who represented the Town at hearings before the State Public Health Committee, Ways and Means Committee, etc., and who served as general factotum of the Needham organization.

Diphtheria Clinics were held as usual with the aid of local physicians and volunteers from the New Century Club and Visiting Nurse Association. May we take this opportunity to express our thanks to those individuals who so generously gave of their time thereby making the Clinics a success. Dog Clinics were held and well attended under the supervision of Dr. Harrison B. Siegle, Veterinarian. It was evident from the report of the Health Officer that the general health of the Town showed some improvement over the most immediate preceding years.

The Board recommends that garbage collection be under the direct supervision of the Public Works Department. This decision was arrived at after careful consideration, taking into account many factors over which the Board has no control making it extremely difficult at times to obtain a satisfactory contract for the removal of garbage. Supervision and control by the Public Works Department should assure regular and satisfactory garbage collection. It is also recommended that the appropriation for mosquito control be continued.

Respectfully submitted,

DAVID E. MANN, M.D., *Chairman,*
KENNETH CHRISTOPHE, M.D., *Secretary,*
LESLIE B. CUTLER,
Board of Health.

REPORT OF THE HEALTH OFFICER

To the Board of Health of Needham:

I submit herewith the annual report of the Health Officer and Milk Inspector for the year 1945.

General Administration

The staff consists of a health officer, a public health nurse, a sanitary inspector, a nutritionist and a laboratory technician-clerk. A separate annual report by the Nurse and Nutritionist follows this report.

The financial summary for 1945, is listed in Table 1. A detailed account of expenditures will be found in the report of the Town Accountant.

TABLE I

Financial Summary — 1945

Appropriation for the following expenditures			$24,820.64
Expenditures:			
Salaries		$4,509.88	
Expenses		810.61	
Hospitalization and treatment:			
Tuberculosis	$3,735.00		
Other diseases and transportation	1,365.00		
		5,100.00	
Mosquito Control		11,046.04	
			$21,466.53
Unexpended balance committed for purchase of equipment	$2,953.46		
Less Receipts:			
Communicable disease reimbursements		$1,620.29	
Licenses (82 issued)		90.00	
			1,710.29
Net Cost, exclusive of garbage collection			$19,756.24
Net per capita cost (population basis — 14,803)			1.34
Appropriation and expenditure of garbage collection			$3,324.00
Per capita cost for garbage collection (same population basis)			0.23
Total per capita cost			1.57

Communicable Diseases

During the year 1945, 617 cases of communicable diseases were reported, and represented the lowest level for several years. During early 1945, there was a large number of cases of mumps which was a carry over from the epidemic of mumps during November and December of 1944. Chickenpox and whooping cough showed the average number of cases, while German measles and measles reached a low level. Scarlet fever reached the highest level for several years with 96 cases reported. Social diseases remained at the usual low level. Dog bites totaled 84 — a little higher than normal. Anti-rabic vaccine and treatment was furnished to two residents. For the tenth consecutive year, no infantile paralysis was reported in Needham. There was no diphtheria reported during the year.

It is interesting to note that the incidence of communicable diseases is little influenced by the recent war and the present period of reconversion. There is no obvious relationship in the rise and fall of infection as a result of current temporary variations in the life of the people and it is encouraging to note that long-term gains are well maintained.

TABLE II
Communicable Diseases Reported 1940-1945

Disease	1940	1941	1942	1943	1944	1945

Vital Statistics

The birth and death rates shown in Table III have been corrected for residence; non-residents, and stillbirths have been deducted. Population estimates for 1945 are based on the recent census done for the State, plus a yearly increment of gain. There was a marked increase in the infant mortality during 1944 as compared with the year 1943.

TABLE III
Birth, Death, and Infant Mortality Rates

Year	Mid-Year Population	Births of Residents	Resident Birth Rate per 1,000 Population	Deaths of Residents	Resident Death Rate per 1,000 Population	Infant Deaths, Residents	Infant Mortality Rate
1940	12,485	152	12.2	122	9.8	4	26
1941	12,645	212	16.8	123	9.7	5	24

1943	12,965	292	22.9	142	11.0	3	10
1944	14,528	223	15.3	126	8.7	7	31
1945	14,803	[illegible]	[illegible]	115	7.8	10	..

Tuberculosis

As in previous years the major part of the Public Health Nurse's time was devoted to the control of Tuberculosis, which includes home visits, hospital visits and regular X-ray examinations. Eleven cases of Tuberculosis were reported this year representing a marked increase over previous years. No one died of the disease during the year. The 10th and 11th grades of the Senior High School were X-rayed by the State Department of Public Health Mobile X-ray Unit and we are pleased to report that all of the X-ray examinations were negative. In co-operation with the State Department of Health employees of industrial establishments in Needham were X-rayed. (Tuberculosis statistics are itemized in the report of the Public Health Nurse.)

Diphtheria Immunization

Thirty-five infants and children received the three protective inoculations of toxoid at the annual Board of Health Clinics for immunization against diphtheria. This represents an increase over the number immunized at the clinics in 1944. The clinics were held at the Police Station and inoculations were given by Needham physicians who volunteered their services. Invaluable assistance was given by members of the Public Health Committee of the New Century Club. The program of sending letters each month to parents of infants reaching the age of six months, recommending immunization against diphtheria by the family physician, was continued.

Dog Clinics

Two clinics for the inoculation of dogs against rabies were held during the year. These clinics were held in October, one at the Police Station and one at the Needham Heights Fire Station; 209 dogs out of approximately 1,300 licensed dogs were inoculated. Dr. Harrison B. Siegle of Dedham served as veterinarian at the clinics.

Sanitation

Periodic inspection of local dairies was made and samples collected for laboratory examination. The three pasteurizing plants located in Needham were licensed by the Board of Health.

Sanitary inspections of Needham restaurants were made and swab samples were taken of glassware and silver for bacteriological examination; glassware at drug fountains was also examined for bacterial content.

The girl scout camp was licensed as a recreational camp.

Twenty-five complaints were investigated and appropriate action taken. Of these, eleven concerned overflowing cesspools and nine the improper disposal of rubbish. Due to manpower shortage and other difficulties resulting from the war emergency, considerable irregularity in garbage collection service was experienced during the year.

Laboratory

Needham's milk supply was examined regularly for total bacterial count, fat content and the phosphatase test was made on all samples. The quality of the milk supply continues high in spite of shortages and difficulties resulting from the war emergency. Routine examination of the water at Rosemary Beach, carried out in the bathing season, showed the water to be satisfactory for swimming.

Town drinking water was laboratory-tested periodically and was found to be of excellent quality.

Mosquito Control

The Town appropriated $14,000 for the control of mosquitoes which sum was expended by the Department of Public Works in carrying out a well-planned program. Commencing in April, routine spraying, using an emulsion of fuel oil and water, was undertaken by the Public Works Department. Frequent inspection by the mosquito inspector was made for larvae count. Forty-seven areas showing high larvae content were sprayed on an average of once every ten days. Cleaning of streams and ditching was carried out in several locations in order to reduce the amount of standing water; this program was recommended by the Department of Public Works.

Due to manpower shortages during the spring and summer, a Citizens' Mosquito Committee was organized under the chairmanship of Vernal E. Kezer and an active program of control was carried out in all districts of the Town. The workers on the Citizens' Committee made an invaluable contribution to the abatement of mosquitoes in the Town in carrying out effective ditching, draining and spraying operations. Without the help of this committee the general program would have been seriously jeopardized.

Suitable literature was made available by the Department and a comprehensive program of publicity was carried out. The Health Department and the Board of Selectmen supported House Bill No. 527 for an engineering survey of the Charles River Valley in the interest of abating mosquitoes. The Bill was passed, the State Engineers have completed their survey and it will be reported to the Legislature during the present session.

Mr. Pat Tocci, of the Department of Public Works, served as Mosquito Control Inspector, and Mr. Tocci's enthusiasm and interest in his work was noteworthy. Some experimental work was done with D.D.T. as a larvicide, and also to test its residual action with mosquitoes. It is interesting to note that according to the State Department of Health, 1945 was the worst mosquito year in the State since 1938. It is the consensus in Needham that the mosquito population showed a marked reduction during 1945, and we consider this positive evidence of the effectiveness of the mosquito control program. Realizing that mosquito control is a long-term program, it is vitally important that mosquito abatement be carried on over a number of years, and to that end the Board of Health will look forward to the continued excellent support of the townspeople. It is hoped that the new sprayer and half-ton pickup truck will be delivered before this report goes to press.

The Board suffered a severe loss in the passing of Dr. Thomas A. Doyle of Natick, Inspector of Animals and Slaughtering. Dr. Harrison B. Siegle of Dedham assumed Dr. Doyle's activities October 17th.

Mr. Norman M. Winch returned from military service in the spring and an arrangement was made with the Selectmen for him to serve as part-time Sanitary Inspector for the Health Department. Mr. Winch has an excellent background in sanitation and public health acquired during his several years in the Army and comes to the Department eminently well qualified to carry on this work.

Miss Janet Brownville resigned as Clerk-Technician in the early part of 1945, after three years of able service to the Department. Mrs. Doris Barlow assumed the position of Clerk-Technician.

I wish to express my sincere thanks to the members of the Board of Health for their continued helpful guidance and whole-hearted support and to the members of the staff my appreciation for their generous cooperation.

Respectfully submitted,

ROBERT N. McCLELLAN, S.B.,
Health Officer.

REPORT OF PUBLIC HEALTH NURSE

To the Board of Health of Needham:

I herewith submit my report for 1945, as part-time Board of Health Nurse. The Nurse works four days a week and is responsible for quarantining and releasing cases of communicable disease. Instruction in home visits is given regarding isolation, disinfection, and quarantine requirements.

An intensive program of Tuberculosis Control is carried on in Needham and the Nurse makes regular home visits to Tuberculosis patients, and at the request of physicians, transports individuals to Norfolk County Hospital for chest X-ray examinations; a total of 145 persons were examined and X-rayed during the year.

Eleven new cases of pulmonary tuberculosis were reported during the year. The distribution of active cases is as follows: seven at Norfolk County Hospital, one at Middlesex County Hospital, one at the Veterans' Hospital, Rutland, one at Lakeville Sanatorium, one at the Channing Home (Private Sanatorium), five at home, one at Peabody Home and one moved away.

The tenth and eleventh grades of Senior High School were X-rayed by the State Department of Health Mobile X-ray Unit and all the X-rays were negative. As in previous years, personnel coming in contact with children in the schools, i.e., teachers, secretaries, and janitors were X-rayed. Pupils working in the cafeterias in Junior and Senior High Schools were taken to the Norfolk County Hospital for X-rays.

In co-operation with the Norfolk County Health Association Seal Sale, 340 employees of industrial establishments in Needham were X-rayed. A very gratifying report was received concerning it.

The Nurse assisted the physicians at the three annual diphtheria clinics.

The Nurse attended meetings of local health organizations and nursing conferences held in this area during the year.

The Board of Health Nurse genuinely appreciates the co-operation of the Seal Sale, Red Cross, Visiting Nurse Association, the School Department, and all others who have so generously assisted her during the past year.

Tuberculosis — 1945

Respectfully submitted,

ROSE M. MAYERS, R.N.,
Board of Health Nurse.

REPORT OF NUTRITIONIST

The following report outlines briefly the various phases of the work covered in Nutrition for the calendar year 1945.

The Nutritionist has spent a great deal of time this year with the teachers and pupils in the Elementary Schools trying to stimulate interest in Nutrition. In the spring a "Better Breakfast Campaign" which lasted a month was carried on in the two fourth grades at the Carter School. At the end of the month Mr. Tonis, the Principal, presented a certificate to each child who had fortified himself with a 100% breakfast each morning during that period.

At Mr. Tonis' invitation the Nutritionist gave a talk in May to the sixth grade pupils of the Carter School on "Selecting a Good Lunch" in anticipation of their entering Junior High School in the fall.

In October rat feeding experiments were conducted in three schools, the Carter, Dwight and Harris. A booklet was prepared by the Nutritionist for each teacher in these schools, which set forth the purpose of the experiment, pointed out what foods constituted a good diet, and listed the foods to be used in the experiment. At the end of the third week the Nutritionist visited each room at the Stephen Palmer and Eliot Schools, explained the experiment to the children, and demonstrated the results of the diets by displaying the two rats.

A very instructive illustrated talk was given to the pupils of the Stephen Palmer School by Miss Esther Worthington on "Diet and Dental Health."

In the spring when meat was scarce and eggs were at a premium, recipes were tested with the help of the Needham Nutrition Committee and a set of meatless and eggless recipes, high in protein, were prepared. These were made available to Needham women in connection with a "Meatless Exhibit" displayed in the First National Stores.

The Nutritionist was in attendance at the Well Baby Clinic each Wednesday afternoon from January through May and gave individual help to mothers on diet problems.

During the first two months of the year a series of eight lessons in Nutrition was given to one of the Girl Scout Troops. One talk on Nutrition was also given to the group taking the Red Cross Home Nursing Course.

Home visits have been made whenever requested and the costs of several special diets submitted by doctors for their patients were figured to assist the Welfare Department in determining what allowance should be made for food budgets.

Newspaper articles have been written for our column in the Needham *Times* called "Cook's Corner." Recently these articles have taken the form of questions and answers.

One of the most interesting ventures this year has been our "Canning-in-Tin" project. Four meetings were held at which time our Needham women were given the opportunity to can-in-tin special treats to send to service men and women overseas. Approximately 250 cans were packed in these classes. This project was under the supervision of Mrs. Kathryn C. Dean from the State College and was received with much enthusiasm by all who availed themselves of the opportunity.

Respectfully submitted,

OLIVE W. PAGE,
Nutritionist.

REPORTS OF INSPECTORS OF ANIMALS

To the Health Department, Town of Needham:

Gentlemen: — I herewith submit my report as Inspector of Animals for the period from January 1, 1945 to October 16, 1945:

Number of dogs quarantined 74
Number of dogs released 74
213 Interstate Cows were released from quarantine.

Respectfully submitted,

THOMAS A. DOYLE, M.D.V.,
Inspector of Animals.

To the Health Department, Town of Needham:

Gentlemen: — I herewith submit my report as Inspector of Animals for the period from October 17, 1945 to December 31, 1945:

Number of dogs quarantined 13
Number of dogs released 16
85 Interstate Cows were released from quarantine.

Respectfully submitted,

HARRISON B. SIEGLE, M.D.V.,
Inspector of Animals.

REPORT OF NEEDHAM VETERANS' ADVISORY COMMITTEE

December 31, 1945.

The Honorable Board of Selectmen:

Gentlemen: — In order to give you some idea of the activities and accomplishments of the Veterans' Advisory Committee, I herewith present a brief, factual report covering the period of time betwwen January 1, 1945 and December 31, 1945.

During the major part of that time the personnel of the Committee was as follows: — Messrs. Frank E. Godfrey (Chairman), David H. Finnigan, Chester R. Mills, Thomas J. Murphy, William F. Pollard (Executive-Secretary), Francis J. Stanwood and Frederick A. Whetton. Messrs. John McDermott and Harold A. Smith, representing the Veterans of Foreign Wars and the Red Cross respectively, who were appointed to serve on the Committee by your Board at our request, made their first appearance on December 4th.

The meetings during the first part of the year were held in Room 9 on the lower floor of the Town Hall. Since September they have been held in the room of the Veterans' Aid Department in the Police Station.

Eighteen regular meetings have been held during the year plus a number of informal ones. During the summer months individual members of the Committee appeared at its headquarters for the purpose of assisting veterans with their problems.

Under the direction of its Chairman, Frank Godfrey, with the very able assistance of Francis J. Stanwood, the work of the Committee was organized so that it could give speedy intelligent personal service to each veteran whether it was a matter of physical rehabilitation, vocational training, educational guidance, employment, or anyone of a number of other things important to his wellbeing. Since September, the Committee has been helped in its work by Mr. William F. Valdina, Director of Guidance of the School Department. We are very grateful to him for his untiring efforts and efficient work on behalf of the veterans.

The Committee has made it a point to contact by means of a questionnaire every veteran who has cleared through the local Selective Service Board. If the first questionnaire failed to bring results a second was sent, and sometimes, if necessary, a third.

The following statistics will serve to give a factual picture of the work of the Committee:

During 1945, 149 questionnaires were returned to and reviewed by the Committee. Of that number, 69 required no action, 48 required advice, educational and otherwise, and 32 required vocational assistance. If these figures took into account the many private interviews and personal activities on the part of members of the Committee in behalf of the veteran, they would have to be increased greatly.

At the close of 1945 there was a total of 598 discharged veterans on the files of the Selective Service Board.

The members of the Committee individually and collectively, have given fully of their time and energy to their assigned work and have taken real pleasure in serving those who served all. In this work we have received splendid co-operation from you. We thank you for it.

Respectfully submitted,

WILLIAM F. POLLARD, *Executive Secretary,*
Needham Veterans' Advisory Committee.

REPORT OF DEPARTMENT OF PUBLIC WELFARE

December 31, 1945.

To the Citizens of Needham:

The Department of Public Welfare presents herewith its 32nd annual report covering its activities during the year 1945.

Total Cases Aided

	1944		1945	
	Cases	Persons	Cases	Persons
Dependent Aid	30	35	25	36
Old Age Assistance	143	143	117	117
Aid to Dependent Children	17	50	15	43
	190	228	157	196

Our gross expenditures were $79,055.43, as follows:

		Expended	U. S. Grants	Net Cost
Salaries:	D. A.	$839.04	.....	$839.04
	O. A. A.	2,775.69	$701.41	2,074.28
	A. D. C.	966.24	457.13	509.11
Expenses:	D. A.	147.41	.....	147.41
	O. A. A.	550.60	.....	550.60
	A. D. C.	171.34	.....	171.34
Assistance:	D. A.	7,412.33	.....	7,412.33
	O. A. A.	54,188.77	21,040.25	33,148.52
	A. D. C.	12,004.01	2,099.34	9,904.67
		$79,055.43	$24,298.13	$54,757.30

Less other reimbursements received by the Town Treasurer:

Individuals	$53.14	
Other Cities and Towns	2,343.90	
Commonwealth of Mass.	29,991.05	
		$32,388.09
Net Expense to the Town		$22,369.21

The following shows division of the reimbursements received by the Town Treasurer which may not be used by the Welfare Department:

	Individuals	Other Towns	State	Total
D. A.	$53.14	$730.61	$370.14	$1,153.89
O. A. A.	.....	1,613.29	25,380.28	26,993.57
A. D. C.	.....	.....	4,240.63	4,240.63
	$53.14	$2,343.90	$29,991.05	$32,388.09

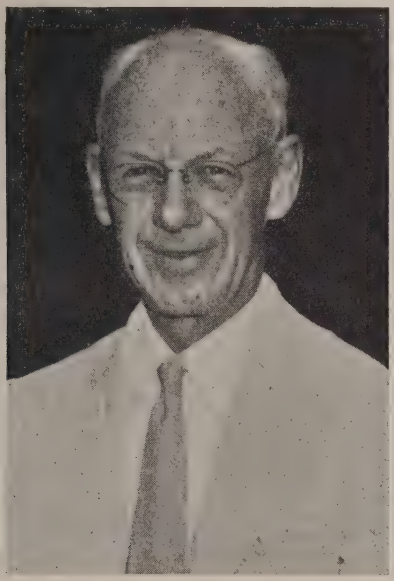
Dependent Aid, Aid to Dependent Children, Old Age Assistance

An analysis of the above figures will show a decrease of 33 in the number of cases and a decrease of 32 persons aided for all classes of relief in 1945, with a net cost to the Town of Needham of $22,369.21. This amount is the second lowest expended for relief in the past ten years. This has been accomplished although the per capita cost of relief of all kinds has jumped from $216 per person to $285. Despite this increase an unexpended balance of $10,967.46 has been turned back to the Town Treasurer.

It is probable, however, that the post-war period may bring an increase in relief cases.

On July 25, 1945, the Board suffered the loss of one of its members, Mr. Russell Tillinghast Williams, and the following resolution was adopted at a meeting of the Board on August 14, 1945:

Be it resolved, that in the sudden passing of our fellow member, Russell Tillinghast Williams, the Needham Board of Public Welfare has sustained a heavy loss. By reason of his training and long continued interest in social service, his counsel and guidance have been of the greatest value to the Board, and to the Town. The good citizenship which he displayed as a member and chairman should stand as an example for the future members of the Board.



RUSSELL TILLINGHAST WILLIAMS

Died July 25, 1945

Member, Needham Board of Public Welfare 1941–45,
Chairman, 1943

Rev. Livingston H. Lomas was unanimously appointed by the Board of Public Welfare and the Selectmen on September 4, 1945, to fill the vacancy caused by Mr. Williams' death.

The Board acknowledges with thanks the contributions received for distribution to worthy families, and thanks are also extended to those who helped in any way.

Respectfully submitted,

SALLIE M. RICHARDS, *Chairman,*
ALAN H. McINTOSH,
OWEN A. THOMAS,
MEYER J. GORDON,
LIVINGSTON H. LOMAS,
Board of Public Welfare.

REPORT OF THE TRUSTEES OF THE NEEDHAM FREE PUBLIC LIBRARY FOR THE YEAR 1945

Board of Selectmen of Needham:

The Trustees of the Needham Public Library believe that during the past few years your Library has been steadily climbing, rung by rung, the ladder of service to the community, and they are convinced that today Needham has a Library which by the benefits which it confers is an institution of which we may all be proud.

I — We have a competent staff, composed of professionally trained young women, who not only know their work but are enthusiastic about it. Of Miss Morss one cannot speak too highly. Since coming to Needham she has proved herself to be a real executive with intelligent and yet far-reaching visions of what our Library can do for our children and citizens.

II — The choice of books is no easy task. There are so many, and so many which are ephemeral. But the Book Committee spends much time and thought upon the selection, with the result that our books are wisely chosen and meet the needs of the different groups in our community. The increasing cost of books and the growing demand for non-fiction in varied fields, has been recognized by the Finance Committee in our budget.

III — Probably no part of our Library service has developed more rapidly and more usefully than that to the schools of Needham. The value of this service has been recognized by the teachers and the School Committee, and they wish that we could do more than we are doing. Branch libraries in the schools and the work of the Library staff with groups of scholars have closely integrated the Library with our school system.

IV — In 1945 the outstanding product of the growth of the Library was the opening of a Branch in Needham Square. Its use as noted in the report of the Librarian is ample proof that this Branch has been much appreciated by the townspeople, and that its usefulness will increase from year to year.

V — In recent years a wealth of attractive, and at the same time instructive books for children have been printed. Now Needham is a community of many children and their parents want the best for them. Therefore the Town voted several years ago to add a Children's Librarian to the staff, and the Trustees are spending almost one-third of their entire appropriation for books upon literature for the children. Now to serve adequately our children we need a Children's Room, their own. Fortunately for us the basement of the Library with its separate entrance can be equipped as an almost ideal room for children, and the Trustees are confident that one of the post-war projects of Needham will be a beautiful Children's Room where the Children's Librarian working with the boys and girls can create a love for books which will be a joy to them all through life.

Respectfully submitted,

HARRY W. KIMBALL,
Chairman.

LIBRARIAN'S ANNUAL REPORT 1945

To the Board of Trustees of the Needham Free Public Library:

I have the honor to present the annual report of the Needham Library, for the year ending December 31, 1945.

It is customary to attempt annually, to appraise the reading interest of the community as affected by the nature and events of the year. In this connection, it is worth noting that the reading among adults has dropped sharply since the ending of the war. This is not instantly apparent for reading was heavy during the first seven months of the year, and heartening Branch circulation has served to run circulation figures well over those for 1944. There has been a substantial gain in the number of books circulated to children, due in part to the increase in the number of books sent to the schools as classroom libraries.

Increases — Main Library	
Adult	1,555
Juvenile	8,272
Branch	6,434
	16,261

Catalog Department

In spite of staff changes and periods of shortage, the work in this department exceeded the standard of 1,500 books cataloged, by 814. In the recataloging program, a start has been made upon the history collection.

Recapitulation, 1945

	Adult	Juvenile	Total
New books cataloged	1,687	469	2,156
Books recataloged	152	6	158
Books discarded	661	302	963

Children's Department

The school work takes on increasing importance in this field. During the school year of 1944–45 the Librarians met 245 classes in the schools, and received 25 classes at the library. The school program includes instruction in: basic reference books; history of books with emphasis on the development of books for children; library usage, and story hours and book talks to guide and stimulate reading.

The children's department entertained at tea the Elementary School Teachers, at Book Week time, to give these teachers an opportunity to examine the new children's books.

Building

The present library building in May of 1946 will have been in active use for 30 years. It is a testimonial to the remarkable planning and foresight of Mr. William Carter, under whose direction the plans were drawn up, for today there exists space for a 75 per cent expansion of book stock, and the structure itself is in prime condition.

In 1945, the exterior wood work was painted and the area around the window frames waterproofed. Inside painting included one office, the staff lavatory and the front hall and stairway. The linoleum top laid on the charging desk has aroused much favorable comment from library borrowers. In the fall, the roof was checked and many slates were replaced.

The gradual adding of loam and grass seed has done much to improve the appearance of the grounds.

A petition to reconvert to oil was sent to the O.P.A. just prior to V-J day and was rejected. When the war ended, the winter's supply of coal had been delivered and the project for reconversion has been included in the budget for 1946.

The library was fortunate in having the services of Mr. Robert Cary as substitute janitor during Mr. Spicer's vacation.

Branch

On June 1, the Branch library at 1256 Great Plain Avenue, opened its doors. To incur no early rush, which would wreak havoc on the limited book stock, advertising was limited to newspaper announcements. The growth has therefore been normal and encouraging and the Branch has in seven months, justified its existence. Beginning in October, provision was made to keep open on Tuesday evenings, making the total hours open 18½ per week. Increased hours would be desirable, and when staff conditions permit, it shall be arranged.

Borrowing is heaviest in fiction, especially light romances and mysteries, although non-fiction is becoming increasingly popular. Requests filled from the collection at the main library average 10 per week.

Circulation	
Fiction	5,277
Non-Fiction	1,157
	6,434
Borrowers Registered	217

Gifts

The library acknowledges, with thanks the many citizens of the Town who have this year given books so generously to the library.

Mr. and Mrs. Hugh Cabot
Miss Marion Tilton
Mr. Edward Hunt
Mr. Carleton D. Morse
Mr. J. Boyd Britton
Mr. and Mrs. Samuel Loomis
Mrs. John Walker
Mr. John Main
Mrs. Addie V. Dennis

Staff

Librarian — Marion Morss.

Assistant Librarian — Margaret Considine.

Children's Librarian — Ellen Richwagen — Resigned May 15, 1945.

Cataloger — Mrs. Fern Stowell — Resigned June 15, 1945.
Mrs. Carolyn Conrad — September 15–November 15, 1945.

Circulation and Branch Librarian — Virginia Barber.

Clerical Librarian — Aileen Henderson.

Library Assistants — Caroline Stretton
*Helen E. Buck
*Louise Carre
*Priscilla Guild

*Part-time.

Building Custodian — Charles Spicer.

Income 1945	116.46	
	$436.06	
Payments in 1945 under terms of will	200.00	
		236.06
Income on deposit in Needham National Bank Savings Account No. 3108.		

MARY E. MOSELEY FREE BED FUND:

Original Bequest		4,290.00
Invested as follows:		
First Mortgages	$1,800.00	
U. S. Savings Bonds, Series G	2,000.00	
Needham National Bank Savings Dept. Account No. 3109	490.00	
		4,290.00
Net Income as per previous report	$615.37	
Income 1945	165.61	
	$780.98	
Payments in 1945 under terms of will	381.65	
		399.33
Income on deposit in Free Bed Fund Checking Account.		

LYON FUND:

Original Bequest		5,000.00
Invested in United States Savings Bonds, Series G.		
Net Income as per previous report	$584.03	
Income 1945	125.00	
	$709.03	
Payments in 1945 under terms of will	107.25	
		601.78
Income on deposit in Free Bed Fund Checking Account.		

T. OTIS FULLER FUND:

Original Bequest		$7,000.00
Invested in First Mortgages	$4,225.00	
U. S. Savings Bonds, Series G	500.00	
Needham National Bank Savings Account No. 7029	2,275.00	
		7,000.00
Net Income as per previous report	$408.66	
Income 1945	297.66	
	$706.32	
Payments in 1945 under terms of will	64.75	
		641.57

Income on deposit in Free Bed Fund Checking Account.

HORACE A. CARTER FUND:

Original Bequest		1,000.00
Invested in U. S. Savings Bonds, Series G.		
Net Income as per previous report	$43.77	
Income 1945	25.56	
	$69.33	

Income on deposit in Needham National Bank Savings Dept. Account No. 583.

ADELINE E. HARRIS FUND:

Original Bequest		100.00
Invested in U. S. Savings Bonds, Series G.		
Net Income as per previous report	$9.43	
Income 1945	2.50	
	$11.93	

Income on deposit in Needham National Bank Savings Dept. Account No. 1850.

THOMAS SUTTON FUND:

Original Bequest		1,000.00
Invested in First Mortgage		
Net Income as per previous report	$67.31	
Income 1945	45.83	
	$113.14	

Income on deposit in Needham National Bank Savings Dept. Account No. 174.

WILLIAM H. WYE FUND:

Original Bequest		1,000.00
Invested in U. S. Savings Bonds, Series G.		
Balance of Income as per previous report	$60.79	
Income 1945	25.00	
	$85.79	
Payments in 1945	64.43	
	$21.36	

Balance of Income available for use of the Public Library.

JOHN B. WALKER FUND:

Net Bequest as per previous report		$3,010.06
Invested in Needham National Bank Savings Dept. Account No. 6044	$10.06

MARGARET CONSTABLE FUND:

Original Bequest	739.40
Income 1945	7.42

Principal and income on deposit in Needham National Bank Savings Department Account No. 9054.

ALFRED T. BAKER FUND:

Original Bequest		1,000.00
Income as per previous report	$4.17	
Income 1945	10.07	
	$14.24	

Principal and income on deposit in the Needham National Bank Savings Dept. Account No. 8774.

Respectfully submitted.

ROGER W. NUTT,
AMOS H. SHEPHERDSON,
VERNAL E. KEZER,
Commissioners of Trust Funds.

ANNUAL REPORT OF RECREATION COMMITTEE

Recreation in Needham is now under a Committee as determined by the Town Meeting of 1945. The Committee consists of three Commissioners elected by the Town and two appointed members, one each from the School Committee and the Memorial Park Trustees. The new Committee organized itself shortly after the Town Meeting and found it had the following appropriations to work with:

Rosemary Beach	$2,500
Playgrounds	2,500
Part-time Supervisor	1,000
Winter Sports	800
Clerical and Miscellaneous	200

There were financial obligations incurred by the preceding Commission which necessitated transferring, $300 from the current Winter Sports to the Clerical and Miscellaneous.

The Committee engaged Mr. Benjamin H. Beck as part-time Supervisor, as voted by the Town, and also to act as Beach Supervisor. Mr. Beck handled both offices to the satisfaction of the Committee in spite of difficulties in securing necessary personnel, due to the high labor market. However, he was able to keep within the limit of the schedule set up by the Salaries and Wages Committee. He was further handicapped by the limited funds remaining for new equipment. Taking these conditions into consideration, the Committee feels that a worth-while program was provided.

Rosemary Beach opened June 17th and closed September 3rd. $1,024.10 was returned to the Town from the receipts for admissions and season tickets. The Beach was used on several occasions by Service men's groups and one group from a Boston Settlement House. Difficulty in obtaining proper supervision delayed the opening by two weeks, and this coupled with inclement weather reduced the overall attendance below that of previous years. At the close of the season, some expense was entailed in preparing equipment for next year's opening.

Mr. Beck organized the Playground personnel under the capable leadership of Mrs. Seth Wood. She and her assistants conducted a well-rounded program at the following playgrounds:

Cricket Field, Greene's Field, Harris, Avery, Eliot and Riverside Memorial Park was used for special events and baseball and at the season's close, a Field Day and an exhibit of handicraft was held there. The season was shortened to 7½ weeks, due to lack of funds. The total registration was 766 with an average daily attendance of 340 for a five-day week.

At the Annual Town Meeting of March, 1945, the recommendation of the Finance Committee to dismiss Article No. 19 was accepted, thereby prohibiting any expenditure for indoor recreation. The Recreation Committee appointed a sub-committee to wait upon the Finance Committee for a further interpretation and were informed that no funds were available for such activities. Plans were instigated for the building of a Hockey Rink at Memorial Park and available funds in the Winter Sports appropriation were voted to assist in this project. Unfortunately the weather prevented the contractor from starting before December 31st, which eliminated the availability of the aforementioned funds for any further use in a winter program.

Recommendations for the Future

This Committee hopes that the playgrounds and beach will continue to be enjoyed by the children of the Town more and more each year.

We recommend that a Rifle Club be established when proper supervision and facilities are available.

We also recommend that all available skating areas in the Town should be kept free of snow and properly surfaced and flooded when necessary under the supervision of this committee's director in co-operation with the Public Works, Fire and Water Departments.* Suitable Hockey Rinks should be provided for the Senior and Junior High School teams.

The Committee hopes that another year will see equipment available to permit the formation of an inter-church Basketball League for the benefit of the interested young people and the pleasure of parents watching these teams. General dancing following these games could be made an added feature.

Further activities recommended by the Committee for consideration include:

1. Hallowe'en parties, one at the Junior High for Junior High and elementary school children and another at the Senior High School for the Senior High students.
2. Badminton Club.
3. Young People's Bowling League.

This Committee would like to go on record as supporting the plan for a Needham Community Center and recommends the consideration of the ideas expressed in a recent poll by the student body at the Senior High School.

Respectfully submitted,

RECREATION COMMITTEE,
FRANK J. TONIS, *Chairman*,
RUTH B. OAKMAN, *Vice-Chairman*,
H. HAMLIN HALL, *Secretary*,
T. JAMES CROSSMAN,
HENRY D. HERSEY.

*In collaboration with the School Committee.

REPORT OF CONTRIBUTORY RETIREMENT BOARD

Honorable Board of Selectmen:

Gentlemen: — The Needham Contributory Retirement Board has carried on its regular functions during the year 1945.

In the year 1945, the State Legislature amended the laws relating to retirement systems and pensions which will become effective January 1, 1946.

Among the new provisions of the law commencing January 1, 1946, is that any member classified as a fireman or policeman may retire for superannuation at any time after attaining age 55, but not later than age 65. Any other member may retire at any time after attaining age 55 but not later than age 70.

The regular retirement of employees reaching retiring age was carried out, but many are working under Chapter 16 of the Acts of 1942, which permits them to work for the duration of the present emergency.

The average yield from investments for the year 1945 was 3.91%. The accumulated earnings from the beginning of the system on July 1, 1937 to December 31, 1945, *exceeds* the 3% required on all funds by $9,767.63.

A list of all investments held is as follows:

Investments Owned by Contributory Retirement System

December 31, 1945

Par Value	Bonds	Amortized Value
$2,000	U. S. Government Baby Bonds, Series D	$1,740.00
2,000	U. S. Government Baby Bonds, Series D	1,720.00
1,000	U. S. Government Baby Bonds, Series D	850.00
5,000	U. S. War Bonds, Series G	5,000.00
3,000	U. S. War Bonds, Series G	3,000.00
7,000	U. S. War Bonds, Series G	7,000.00
30,000	U. S. Treasury Bonds	30,000.00
10,000	Bangor & Aroostook Railroad	8,445.46
5,000	Hollidaysburg, Bedford & Cumberland Railway	5,096.49
10,000	Louisiana & Arkansas Railway	9,552.82
10,000	New York Central & Hudson Railroad	9,936.57

10,000	Reading Company	10,119.60
4,000	American Telephone & Telegraph Company	4,000.00
5,000	Brooklyn Union Gas Company	5,121.73
7,000	Central Maine Power Company	7,634.46
5,000	Empire District Electric Company	5,438.60
10,000	Green Mountain Power Corporation	10,371.11
5,000	Narragansett Electric Co., Series A	5,246.68
10,000	Pennsylvania Power & Light Co., 1st Mtg.	10,137.50
4,000	Public Service Electric & Gas Company	4,163.51
		$148,590.09

Stocks

Shares	Stock	Book Value	
75	First National Bank of Boston	$4,275.00	
100	National Shawmut Bank of Boston	3,300.00	
10	Needham Co-operative Bank	2,000.00	
10	West Roxbury Co-operative Bank	2,000.00	
			$ 11,575.00
	Deposit Home Savings Bank		1,000.00
	Total Investments		$161,165.09

Respectfully submitted,

HAROLD A. SMITH,
FRANK L. CHENEY,
MELVILLE W. GRANT,
Needham Contributory Retirement Board.

REPORT OF FISH AND GAME WARDEN

February 24, 1946.

To the Honorable Board of Selectmen,
Needham 92, Massachusetts.

Dear Sirs: — I submit herewith my report as Fish and Game Warden for the year ending December 31, 1945.

During the year I patrolled the town supervising the activities of the sportsmen. I inspected the licenses of 256 persons. No arrests were made but several cases of minor violations were turned over to the State Conservation Officer for such action as he considered advisable.

The trout fishing season last spring produced few large catches along the Charles River. The lifting of the gasoline restrictions after V-J day caused considerable increase in late season fishing.

The wild fowl shooting was quite unsatisfactory, mostly because of lack of rain during the early fall. The meadows along the lower reaches of the river were dry during the greater part of the season. The upland shooting on pheasants and quail was the poorest in years. Several reasons may be ascribed to this including the reduction in the number of pheasants released by the state and the sporting clubs. However, a very important factor is the over-running of the covers by free hunting dogs, cats and other vermin during the nesting season.

During the year the following quantities of stock were released in the town:

750 Brown Trout — Charles River
1500 Brook Trout — Charles River
87 Pheasants

Of this stock, the Needham Sportsman's Club purchased and liberated 45 pheasants.

No complaints were received from land owners. The sportsmen, as a whole, respected the rights of the owners.

Respectfully submitted,

F. R. BRIDGES,
Fish and Game Warden.

ANNUAL REPORT OF THE PUBLIC WORKS DEPARTMENT — 1945

December 31, 1945.

The Honorable Board of Selectmen:

Gentlemen: — I herewith submit the twelfth annual report of the Public Works Department in accordance with Section 2, Chapter 189 of the Acts of 1932, which authorizes the Selectmen to act as a Board of Public Works and appoint a Superintendent to administer under the direction of the Selectmen, the powers of highway surveyors, water, sewer and park commissioners, tree warden, town engineer and such other powers under the control of the Selectmen as they may designate.

The principal endeavor of the Public Works Department this year has been to continue the proper maintenance of all services to as near a normal standard as possible with our limited forces and Governmental restrictions. We again stress the importance of proposed improvements as outlined in our report of last year and the reports of pre-war years, particularly those of 1937 and 1939 which, to this date, are still applicable and should be borne in mind.

The employees of the Public Works Department totalled forty-eight at the start of this year and we experienced a loss of seven employees, one of whom died and six resigned. Ten veterans returned from military service and five defense workers were re-employed. One additional clerk was added to the administrative staff making a total of fifty-seven persons employed on December 31, 1945, as compared to a total of 120 during 1941.

Joseph Hay passed away on June 16, 1945, at the age of thirty-nine. He had given many years of faithful service to the Town as a mechanic in the Sewer Division.

The Department regrets the loss of this genial, friendly employee, and herewith honors his memory.

A summary of all employees as of December 31, 1945, is as follows:

1 — Superintendent
4 — Division Heads
3 — Clerks
3 — Engineering Assistants
2 — Supervisory Foremen — Highway
2 — " " — Sewer
2 — " " — Water
1 — " " — Forestry
3 — Tree Experts — Climbers
1 — Tree Surgeon — Ladder Man
18 — Mechanics and Equipment Operators
4 — Skilled Laborers
10 — Semi-Skilled Laborers
2 — Common Laborers
1 — Caretaker at Dump

57 — Total

The salaries and wages paid to such employees conform with the revised Schedule as adopted by the Town under Article 8 of the last Annual Town Meeting. Assignment of the personnel is as follows:

Administration	4
Engineering	4
Forestry	7
Highway	13
Dump	1
Sewer	13
Water	15
Total	57

In addition to our regular maintenance work for which budget requests total $201,599, for the year 1946, the following projects represent the total of $321,276.21 which will be required for new construction and special work proposed for 1946 including normal improvements and special projects as petitioned for by abutters.

Proposed Construction Program

Project		Available Funds	Appropriation Required
Chapter 90 Maintenance		$2,000.00	$1,000.00
Chapter 90 Construction		10,000.00	10,000.00
Sewer Main Construction:			
a. HooverRd.	$3,000.00		
Manning St.	1,589.09		
Lexington Ave.	5,600.00		
Mercer Rd.	3,000.00		
Park Ave.	2,200.00		
Brookline St.	5,000.00

Park Ave.	1,000.00		
Mercer Rd.	1,000.00		
Highgate St.	1,800.00		
Page Rd.	1,200.00		
Needham Gardens	3,500.00		

c. For Town Ways:			
Off May St.	$529.02		
Off Chestnut St.	500.00		
Grant St.	1,000.00		
		$24,129.02	$2,000.00
d. Dale St.		.....	3,000.00
Thornton Rd.		.....	3,000.00
Edgewood Rd.		.....	1,000.00
Betterment Sidewalk Construction: Webster Pk., Stevens Rd., May St., Greendale Ave.		935.82	.....
Tar Surface Walks: La Salle Rd., Walnut St., Grant St., Stevens Rd., Bradford St., Fair Oaks Pk., Brookline St., Manning St., Washington Ave., Broadmeadow Rd., Beaufort Ave., Greendale Ave., Dedham Ave.		4,700.42	.....
Construction and Replacement Water Mains and Services		35,121.97	35,000.00
Additional Water Supply — New Well		36,734.40	.....
Rosemary Beach		.....	2,000.00
Park Improvements		1,995.56	.....
Street Light Installations: Highland Place, Oak St., St. Mary's St.		.....	50.00
Betterment Street Construction (Including drains in Laurel Dr., Wendling Rd., Intervale Rd., Norwich Rd., Valley Rd.)		.....	85,031.00
Total		$155,449.21	$165,456.02

Other such new proposed projects which must be deferred until 1947, are as follows:

Sewer Main Construction:		
Chestnut Street		$15,000.00
Upper Falls		80,650.00
South St., Green St., Lawton Rd.		28,500.00
Great Plain Estates		12,000.00
Street Construction (Betterment):		
Great Plain Estates		25,000.00
Storm Water Drain Construction:		
Outlet off Greendale Ave.	$3,000.00	
Webster St., from Hillside Ave. to Greendale Ave.	7,500.00	
Willow St. from Walnut St. to Oak St.	2,500.00	
Lawton Rd.	2,000.00	
Great Plain Ave. from R.R. to Ridgeway Ave.	1,500.00	
Great Plain Ave. from R.R. to Hillcrest Rd.	3,000.00	
Great Plain Ave. at Whittier Rd.	400.00	
South St. from Green St. to Needhamdale Rd.	2,600.00	
Chapel St. from Great Plain Ave. to garages	2,500.00	
Nehoiden St. from Brook to Kinsman's	5,000.00	
Howland St. outlet	5,000.00	
		33,500.00

Water Main Replacements as outlined in report of special committee under Article 52 of 1939	$54,000.00
Total	$248,650.00

A short extension of water main was installed and a hydrant was set on Ellicott Street at the corner of Powers Street replacing a 2" line which was discontinued in private property from Washington Avenue to Edgewood Street.

A severe leak occurred in the 6" line in the center of the State Highway near Carter Street. It was found that this pipe line was buried 9' below the surface so it was decided to abandon this line and re-lay a new water main on the northeasterly side of the State Highway which permitted the relocation of hydrants and provided better service in this section.

The contract to construct a new gravel packed well at the rear of the present station on Charles River Street was awarded to D. L. Maher Company of Cambridge, Mass. The location of a test well previously installed proved most satisfactory and the new well was constructed at this site. From all indications, the well will prove to be a most satisfactory addition to our supply and will yield a quality of water which will be equivalent in all respects to the previous well installed during 1936.

The following additional equipment purchased this year has been delivered: 1 — Buckeye Sand Spreader; 1 — Jenny Steam Cleaner; 1 — Haiss Snow Loader; 2 — Four-Ton Sterling Trucks.

Other equipment ordered but which has not yet been delivered includes: 1 — Four-Ton Mack Truck to replace 1939 Chevrolet of Water Division; 1 — Elgin Power Pick-Up Street Cleaner. A screening plant for use at the Norris Farm Pit, up to this time has not been available for purchase. $6,500.00 remain in the amount appropriated for purchase of this equipment which we hope to obtain during the coming year.

We draw your attention to the following tabulations showing expenditures of the Department for the year, and other statistics, and for more complete information regarding the various activities of the Public Works Department we refer you to special reports and information which may be obtained at the office.

In closing we extend our appreciation to all department heads of the Town for their co-operation with us and wish to thank the Board for their guidance during these trying times.

Respectfully submitted,

LESTER C. HOLLIS,
Superintendent.

GENERAL STATISTICS

Needham is situated about 10 miles southwest of Boston. The Geodetic position of the Needham Town Hall established on the North American 1927 Datum is latitude 42°–16′–51.568″ and longitude 71°–14″–13.048″. The elevation in feet above sea level is as follows:

85 feet	Rosemary Meadows
165 feet	Needham Square
180 feet	Needham Heights Square
210 feet	Oak Hill
250 feet	North Hill
280 feet	Carleeta Park
300 feet	Birds Hill

Population, December 31, 1945	
Area of Town, 159.9 acres water, 8,002.1 acres of land	12.75 sq. miles
Needham Park Land	117.76 acres
Hemlock Gorge Reservation (Metropolitan Park)	14.19 acres
Needham Water Works Land	169.81 acres
Municipal Building Land	6.09 acres
School Land	30.10 acres
Gravel Pit Land, Dump and Wood Lot	70.33 acres
Glover Memorial Land	24.60 acres
Brookline Water Land	62.90 acres
Wellesley Water Land	65.25 acres
Newton Water Land	631.96 acres
Metropolitan Water Works Aqueduct	34.42 acres
Miles of Public Ways	58.28
Miles of State Highways	5.94
Miles of Private Ways dedicated to Public Use	12.20
Miles of Other Private Ways (Estimated)	8.0
Miles of Granolithic Walks	15.77
Miles of Gravel Walks	20.6
Miles of Bituminous Walks	33.1
Miles of Storm Water Drains	20.97

Street Lighting

December 31, 1945:

992 — 80 c.p. lamps at $20.50	$20,336.00
10 — 250 c.p. lamps at 39.00	390.00
46 — 600 c.p. lamps at 65.00	2,990.00
20 — 1000 c.p. lamps at 75.00	1,510.00
Total	$25,226.00

SEWERAGE SYSTEM STATISTICS

Annual payment for disposal into South Metropolitan System	$11,286.88
Miles of Sewer Mains in Gravity District	23.07
Miles of Sewer Mains in Pumping District	.74
Total Miles in use	23.81
Area of Town served by system	1.23 sq. miles
Miles of Incompleted Sewers	.20
House Connections made during year	42
Linear feet laid	2,639
Average cost per foot	$1.80
Average length per connection	61 ft.
Number of stoppages reported	49
Possible number of House Connections to existing system	1,745

Completed House Connections	1,371
Connections Partially Installed	17
Estimated Population using system	7,650
Bonded Debt:	
1925 Issue at 4% financed from teneral tax	$50,000.00
1941 Issue at 1¼% financed from assessment fund	15,000.00
Cost of Mains Installed	521,465.95
Cost of Pumping Station	17,696.15
Cost of Force Mains	2,044.34
Total Cost of Works	551,258.07
Estimated Rate of Flow of Existing System	631,000 G.P.D.
Assessment method and rate: 64c per linear foot of frontage and 1c per square foot of area, drainable within 100 feet of street line.	
Proportion of cost of system assessed	66⅔%
Total Assessments Levied	$306,707.29
Total Principal Received (Estimated)	286,991.28
Total Interest Charges Received (Estimated)	52,325.12
Transferred for Construction and Bond Payments (Estimated)	333,344.72
Cash on hand, December 31, 1945	6,497.36

Expended for Maintenance from General Tax Levy:		
General Administration	$8,280.65	
Pumping	1,249.80	
Sanitary Sewers	3,278.80	
Storm Sewers	2,288.05	
Total		15,097.30

Sewers Constructed

	Length	Size	M. H.'s	Cost
Harris Ave. (Dedham Ave., easterly)	155′	8″	1	$813.16
Webster St. (Interceptor southerly)	152′	8″	0	1,108.97
Total	307′		1	$1,922.13

Drains Constructed

	Length	Size	M. H.'s	C. B.'s	Cost
Forest Street	171′	10″–18″	1	2	$835.67
Total	171′		1	2	$835.67

WATER WORKS STATISTICS

Mode of Supply — Pumping to Standpipes	
Total Pumping during 1945:	
From Station 1, Dedham Avenue — 2 dug wells, electric power	20,435,000 gallons
From Station 2, Great Plain Avenue — 50, 2″ tubular wells, electric power	3,136.000 gallons
From Station 3, Charles River Street, — gravel packed well, diesel power	310,441,000 gallons
Total Gallons Pumped	334,012.000
Maximum Daily Consumption (August 21, 1945)	1,474,000 gallons
Average Daily Consumption	915,000 gallons
Maximum Weekly Consumption (August 19–August 25, 1945)	8,263,000 gallons

Gallons per Capita per Day	62	
Gallons registered by meters	206,713,500	
Total Mains in use	68.4	miles
Number of gates	882	
Number of hydrants — public	543	
Number of hydrants — private	33	
Miles of services	60.8	
Services added during year	7	
Services discontinued during year	1	
Length of services extended during year	481	feet
Number of active services	3,861	
Houses not served by Town System	11	
Cost of Works	$1,028,617.24	
Total Expenditures	37,538.57	
Total Committed for Collection	71,056.13	
Liens Committed to Tax Collector	0.00	
Receipts Collected by Town Treasurer	73,082.49	
Liens Collected by Tax Collector	19.80	
Total Receipts	73,102.29	
Uncollected, December 31, 1945	4,137.03	

Expended for Maintenance:		
General Administration	$10,122.96	
Pumping	11,500.08	
Buildings	1,199.59	
Supply and Standpipe	1,866.70	
Mains	1,570.79	
Services	6,344.92	
Meters	1,773.30	
Total		34,378.34

Summary:	
Total Receipts credited to Department	$73,102.29
Less: Maintenance Expenditures charged against Receipts	34,378.34
Balance Returned to General Fund, December 31, 1945	$38,723.95
Accumulated Receipts in General Fund, January 1, 1945	75,168.41
Less: Appropriation — New Well — Art. 31, 1945	40,000.00
Total Receipts in General Fund, December 31, 1945	73,892.36

WATER MAIN REPLACEMENTS — 1945

Street	Size	Distance	Labor	Materials	Expenses	Total	Remarks
Ellicott Street	6″	144′	$329.50	$303.03	$63.25	$695.78	Discontinue and disconnect old 2″ line thru field Washington to Edgewood to Powers — 1050′ — Plug old lines
Reservoir Street	6″ 8″ 2″	74′ 558′ 193′	$1,002.37	$1,491.38	$347.23	$2,840.98	Discontinue 731′ — 6″ pipe buried 9′–0″ deep, bad leak, relocate 8″ main

REPORT OF VICTORY GARDEN COMMITTEE

December 31, 1945.

To the Honorable Board of Selectmen:
Gentlemen:

For the third year we submit the report of your Victory Garden Committee.

This year we eliminated three of the plots used in previous years. We had about 350 lots, which on the whole were well cared for.

This was a better growing season, and those who took care of their gardens were well repaid for their work.

We again thank the private owners for the use of their land.

We are turning back the private plots in the spring to their respective owners, and we shall endeavor to leave them in good condition. They will probably be harrowed and seeded down to grass or rye.

Funds to take care of seeding and harrowing of private plots will be requested in 1946; also, for the care of the Norris Farm, which is town-owned land, there being about 100 lots available for future gardening. Those desiring lots on the Norris Farm for 1946 will please apply to Mr. Hollis.

Respectfully submitted,

WILLIAM S. CASSIDY, *Chairman,*
LESTER C. HOLLIS, *Vice-Chairman,*
AGNES G. GILLESPIE, *Secretary,*
Victory Garden Committee.

JURY LIST — 1945-1946

Rodney S. Adams	Salesman	232	Manning St.
Ernest E. Aikens	Manager	27	Concord St.
Elmer F. Ardiff	Rate Engineer	87	Harris Ave.
Henry W. Armington	Engineer	14	Allendale Rd.
William S. Austin	Executive	766	Chestnut St.

REPORT OF COMMITTEE ON THE NORRIS FARM PROPERTY

February 9, 1946.

Since this committee was appointed after the Town Meeting in 1942, a careful survey of the main house on the property was made by the committee, together with the Department of Inspection and the Department of Public Works, with the understanding that the latter department would be able to do most of the exterior repair work on the roof, gutters, piazza, steps, etc., and the painting by Town employees. A new roof was put on, but further repairs or painting has not been done during these last three years, due to scarcity of labor.

In 1943 we reported that this building was structurally sound and the interior in exceptionally good condition; floors, walls, ceiling, woodwork, etc., and for the war period we recommended again that the House be painted after a few more exterior repairs, to prevent any further depreciation, but it has been impossible for the Public Works Department to have this done.

During this period, the Committee have received several suggestions for Town use of this property, as a Community House for public or semi-public, or civic groups, and on a fee payment basis by these or other organizations of the Town.

Others have suggested that the House cannot be considered apart from the place as a whole, and there are objections to reconverting the House for residential, or certain other purposes, as the Public Works Department utilizes most of the immediate surroundings.

The whole property might be used for recreational purposes — playground, baseball — can be easily flooded for swimming or skating as it is adjacent and lower than the Reservoir, with outlet into the River; or for building lots along the Dedham Avenue frontage, which would develop a source of revenue and taxation.

The present non-use of the thirty acres of land on this property tends to depress valuations of properties immediately opposite along Dedham Avenue, and is an unsightly entrance into the Town.

Whatever may be done with this property, it seems to the Committee that the tree-lined entrance to the House, if the latter is to be retained, should be kept free of heavy trucking and machinery, and Public Works Department material and supplies, and that the Public Works Department use for such trucking the Pumping Station entrance to the Town Sand Pile, and use the back entrance to the Barn by building a short piece of road, leaving the main entrance to the House for lighter loads and vehicles.

The House can easily be converted into a Community House by removing the partitions on the 1st or 2nd floor making it into one large room to accommodate easily 60 to 75 people. There are three floors in the house, each with a large central hall, and large rooms adjoining, and they can be used for any number of purposes in the Town, as there are all kinds of small gatherings and meetings being held throughout the year with no suitable place for such meetings.

Another suggestion was to reserve this House for the use of the Veterans of World War II.

A suggestion from some of the doctors in the Town is that the House be made over for a Convalescent Home as an Annex to the Hospital,

relieving somewhat the present and increasing congestion at the Hospital. This could either be operated by private parties, or under control and supervision of the Hospital.

During the war years, nothing could be done to repair or alter any structural or interior changes, but shortly now it will be possible to have this work done, when a decision may be made as to the best use of this property in the interests of the Town.

Surveys and Inspections of this House indicate that the heating plant was installed in 1907; there have been several freeze-ups, and the plant is currently useless. There are *no* radiators. Most of the plumbing fixtures have been removed and some are being used elsewhere in the Town. There is no water connection to the House, but same could be connected from the driveway (about 40 feet). There is no sewer connection. This would have to be laid to Dedham Avenue, about 200 feet. Would have to have new electric wiring and fixtures.

According to Inspection and Expert reports, the above would cost, under normal conditions, $3,500 to $4,000.

Until a decision can be made by the Town as to what use this House shall be reconverted, of course no interior changes can be made, but we submit two suggestions for further study and early report.

No. 1—Convalescent Home, either as Annex to the Hospital, or under lease to private parties, under proper supervision and control.

No. 2—Community Center for semi-public and organization groups, including room headquarters for various civic organizations on a fee-payment basis.

We further recommend that this Building be put under the direct charge of the Town Custodian of Public Buildings, and that this Committee be discharged.

Respectfully,

WILLIAM A. MANN, *Chairman*,
FREDERICK ALEXANDER,
JOHN T. KENNEY,
WILLIAM G. GUERNSEY,
HAROLD D. TOONE,
Committee on Norris Farm Property.

REPORT OF THE NEEDHAM AIRPORT COMMITTEE

Under Article 40 of the Annual Town Meeting of March 19th, 1945 it was voted:

That a Committee be appointed consisting of the Planning Board and four other persons to be appointed by the Moderator to study and investigate the advisability of establishing a public landing field for aircraft and a suitable site therefor in the Town, or of joining with an abutting City or Town to form an Airport District for the same purpose and to make a report at the annual Town Meeting in 1946.

The Moderator appointed on this Committee in addition to the Planning Board

EVA H. CHURCHILL
ALLAN M. CATE
ALBERT E. HUNTER
GEORGE A. POTTER

Meetings of the Committee, investigations by individual members, conferences with the Newton and Wellesley Airport Committees and a study and survey made by Reginald L. Reed, District Airport Engineer of the Civil Aeronautics Administration in Boston, have brought out the following facts:

A. There are in our town two possible sites, suitable for a public anding field for aircraft.

1. The Pine Swamp Area bounded on the north by Great Plain Avenue, on the east by Central Avenue, on the south by Pine Street and Charles River Street and on the west by Grove Street.
2. The McNamara Gravel Pit site, located on the easterly side of the town about two miles from the Town Hall and bounded by the Charles River on the east, Circumferential Highway on the west, Kendrick Street on the south and Highland Avenue on the north.

B. The cost of converting either one of these sites into a suitable Class 1 airfield will be high. In addition there will be the purchase price for the land. Unofficial estimates on the total expenditures range anywhere from $150,000 to $250,000.

C. The Newton and Wellesley Airport Committees have after due study and consideration decided to defer action for the time being, thereby eliminating for the present at least consideration of joint action with Needham.

D. Two Bills pertaining to the financial assistance, which the Government will extend, are still pending. These Bills, if passed in their present form, will provide payment by the Government of approximately 50% of the construction cost of airports, subject to approval of the location.

In view of the foregoing facts your Committee feels that it is inadvisable to submit at this time a final report or make definite recommendations. It is, however, in favor of continuing an Airport Committee, whose duty it will be to further study the matter and keep in close touch with any developments, which either directly or indirectly may have a bearing on this project.

Respectfully submitted,

WALTER R. CLARENBACH, *Chairman*,
EVA H. CHURCHILL, *Secretary*,
ARTHUR W. ROHN,
HERBERT W. MOORE,
CARLETON D. MORSE,
PAUL U. NICKERSON,
ALLAN M. CATE,
ALBERT E. HUNTER,
GEORGE A. POTTER,
Needham Airport Committee.

REPORT OF THE TRANSPORTATION COMMITTEE

December 31, 1945.

To the Honorable Board of Selectmen: —

Gentlemen: — Your Transportation Committee, as well as the Town, suffered in February a very real loss in the passing of one of its members, Roland Gordon Lott.

On April 24th, the Board of Selectmen appointed Mr. Eugene M. McSweeney to fill the vacancy caused by Mr. Lott's death.

Use of the Needham Junction "Yard" for overnight storage of engines and cars was discussed at two hearings called by the Board of Selectmen — on May 29th and June 6th. Representatives of the New Haven Railroad said that it would be impossible to remove the trains on week-day nights, but they would do so over Sundays.

Warning signal lights are to be installed at the Rosemary Street railroad crossing.

The proposed Rapid-Transit plan for Greater Boston, as outlined in the Report of a Special Legislative Commission, was the subject of a public meeting called by the Board of Selectmen for June 20th, in the Junior High School Auditorium.

On June 12th, the Transportation Committee, without passing on the particular plan set forth in the Legislative Commission's Report, took the following action:

> "The Needham Transportation Committee approves the overall objective of the report of the Legislative Commission on Rapid Transit, providing adequate, integrated, and efficient commuter transportation for the Boston area.
>
> "In arriving at this unanimous decision, the committee realizes that the details involved in carrying out this proposed program are complicated and numerous and it is expected that the citizens of Needham will have an opportunity to offer suggestions in so far as the program affects Needham."

On June 19th, George D. Horr, a member of the committee, made an additional statement as follows:

> "Because I wish to make my position clearer in the matter of the proposed Rapid-Transit Plan for Greater Boston, I have decided to make the following statement to accompany the vote taken in Committee on June 12, 1945.
>
> "A matter of vital importance to the public welfare demands that the individual member express his own opinion if he finds that the Committee's vote fails to do so.
>
> "While approving the overall objective of more adequate, integrated and efficient commuter transportation for the Boston area, I do not believe Needham should be forced into what is primarily a high-speed trolley-car type of service, with stops in the Kenmore Subway.
>
> "Needham, at a suburban distance of over ten miles, should have essentially a railroad type of service, and the connection between Needham Junction and West Roxbury, also serving Bird's Hill, should be retained if possible."

Both the statement of the committee and that of Mr. Horr were read at the public meeting on June 20th. A copy of the Report of Legislative Commission on Rapid Transit was obtained and placed at the Needham Public Library for perusal there by townspeople.

In response to a petition by the Modern Bus Lines, Inc., for permits to operate buses over two specified intra-town loop lines, the Board of Selectmen held a hearing on October 2nd. The bus Company offered to operate these two routes for a trial period because of requests for such a type of service. Discussion brought out the fact that one of the routes was definitely opposed; subsequently the Company withdrew the petition.

During 1945, the question of the proposed bus route between Needham and Park Square, Boston, was deferred.

Your Transportation Committee is aware of the many involved problems that affect the Needham transportation picture, and is deeply indebted to the Board of Selectmen for their cooperation.

People have realized that in war-time increased patronage and improved service do not so nearly go hand-in-hand. Normally these factors are inter-related. The committee believes, however, the railroad and the bus lines have done a very good job in the face of war-imposed restrictions and shortages. Ever since V-J Day, patronage has continued heavy and it is hoped service may be improved when some of the present difficulties are overcome.

Respectfully submitted,

GEORGE D. HORR, *Secretary,*
Needham Transportation Committee.

REPORT OF SCHOOL COMMITTEE

To the Citizens of the Town of Needham:

We submit herewith the Report of the School Committee for the year 1945.

During the year, the Committee received the resignations of six teachers, two for the purpose of doing further study, one to join her husband returned from the service, and three because of a higher salary. To our knowledge, this is the smallest faculty turnover in recent years and reflects, in our opinion, the wisdom of the adoption of the salary schedule by the Committee in 1944.

We welcome to our staff Miss Madeline E. Bartell as Supervisor of Elementary School Education, and Mr. William F. Valdina as Director of Guidance. We were pleased to have Miss Katherine Locke of the Junior High School staff return for the fall term. Miss Locke served in the South Pacific with the Red Cross.

Due to the illness of Miss McCann, the Committee temporarily closed the Riverside School in September and arrangements were made to transfer the eight pupils to the Avery School. Miss McCann will retire in January, 1946, after having served 37 years. We regret that illness forces the retirement of one who has given so unselfishly of her talents to the children of our Town. With Miss McCann's retirement, Riverside School will be officially closed and the building turned back to the Town.

A change in residence necessitated by his professional duties caused the resignation May 28th of the Committee's Vice-Chairman, Dr. Donald Wyman. In accordance with the provisions of State Law, the Committee met with the Board of Selectmen and appointed Mr. W. Bigelow Hall to Dr. Wyman's place on the Committee until the next Town Meeting. After Dr. Wyman's resignation had been accepted, Mr. Henry D. Hersey was elected Vice-Chairman.

The question of the proper entrance age in Public Schools has been the subject of much investigation and discussion. The Committee, on recommendation of the Superintendent, and after having given the matter careful consideration, voted to increase the automatic chronological entrance age for children in our schools from four years and eight months to four years and ten months for kindergarten, and from five years and eight months to five years and ten months for first grade. The new entrance age regulation became effective for kindergarten children with the September term and will become effective for the first grade in September, 1946. A more detailed discussion of this change will be found in the report of the superintendent.

In May, vandals caused flood damage in excess of $3,000.00 at the Junior High School. Had it not been for the fact that the Junior High School was scheduled for a major renovation during summer, the costs of the repairs would have materially exceeded this amount. We wish to take this opportunity publicly to express our appreciation to the members of the Needham Fire and Police Departments, the Auxiliary Fire Department, the Boston Protective Association, and our janitorial staff for the exceptionally fine work done in this emergency.

For some time parents have been apprehensive about the participation of their sons in competitive sports, particularly in those instances where the cost of injuries might be unduly burdensome on families. During the past year, the Committee voted to insure each Senior High School athlete participating in competitive sports under the Athletes' Accident Benefit

Fund sponsored by the Council of the New England Secondary School Principals Association. Our experience in the past year proved the advisibility of this action, and it is our plan to continue. As yet Junior High School competitive sports participants have not been insured by this association.

The Committee voted to invite the Eastern Massachusetts Music Educators' Association to hold its annual Music Festival in Needham. The invitation was accepted and the Festival will be held in Needham on Saturday, May 11, 1946. A special Sub-Committee of the School Committee has been appointed, and plans are well under way for this event. The hearty co-operation of all Town departments, service organizations, churches, and the citizens of the Town will be required to make this program the success that our Town will want it to be.

Extremely crowded conditions on the Stephen Palmer School bus necessitated the addition of another vehicle in September of this year. This will require an increase in the 1946 transportation appropriation of $1,000.00.

Early in the year, the Lions Club of Needham presented the schools a most valuable and appreciated gift in the form of twenty additional head phones and other necessary equipment, for the testing of hearing. With the additional audiometer equipment, it is possible to test the hearing of a whole class at one time.

Although it is impossible to speak of all the individuals and groups who have manifested an interest in the schools during the past year, the Committee takes this opportunity to express to them its deep and sincere appreciation.

The Committee has given consideration to the matter of visual education in our schools. We are of the opinion that the time has arrived to discard the hit-and-miss methods at present used and to embark on a suitable program of visual education throughout the system. To that end, we ask an appropriation of $2,000.00 in our Budget for 1946.

It is the plan of the Committee to have two special articles in the Town Warrant at the time of the regular Town Meeting in March, 1946. One of these will have to do with a survey of school building needs in the near and more remote future. Even without an influx of new people to the Town, it will appear that a new building will be required as soon as 1948. The other article in the Warrant will be concerned with the renovation or reconstruction of the Emery Grover School. The top floor of the building has been condemned for school use for more than a decade. The School Committee office, the office of the Superintendent, the offices of the Director of Guidance and the Elementary Supervisor, the Supervisors of Music, the Custodian of School Buildings and the central stock room are located here. Four class rooms are in constant use by the Junior High School. Most of the permanent records of the School Department are also housed here. If the space in this building could be properly utilized, the overflow from the junior high school might be better cared for, the Department of School Health which is not centralized now could have much needed quarters, and it might even be possible to centralize all maintenance.

Our experience in the complete renovation of the Junior High School convinces us that this policy should be continued; therefore it is our intention to renovate the Stephen Palmer School during the summer of 1946. As the Stephen Palmer School renovation job is a bigger one than the Junior High School done last year, our request for maintenance funds will be slightly higher than that for 1945.

We wish to take this opportunity to express our sincere appreciation of the assistance and splendid co-operation of all other Town departments.

Respectfully submitted,

JERRY BOND, Jr., *Chairman,*
HENRY D. HERSEY, *Vice-Chairman,*
W. HENRY H. PEIRCE,
MABEL PARKES FRISWELL,
ALICE B. DUNN,
W. BIGELOW HALL.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Needham:

It is my privilege to present my second annual report as superintendent of schools. This is the fifty-third such report made to Needham School Committees. It is difficult to realize the events of this past year. We have lived too close to them to have perspective, but we know that the atomic age is upon us — that we have no choice but to make the most of it. Our world is narrowed until every man is our neighbor and the alternative to living together in peace is unthinkable.

With all its horror, four years of war welded us perforce and for a time into an irresistible whole in which our differences were submerged, our goals clear. Now that it is over, we must find what William James long ago called "A Moral Equivalent for War." By the narrowest of margins we have succeeded in assuring ourselves another chance with what we call the "American Way," but we realize that it is only a chance. Our greatest problem is how to safeguard what may be a last opportunity for democracy. The responsibility for its solution devolves to a very great degree upon education. In his recent book, "For Us the Living," John J. Mahoney lists ten civic objectives, first of which is "An adequate understanding of, and a wholehearted allegiance to the democratic way of life." Here is an objective which is a challenge to everyone of us — something we must stress in all our teaching — a fitting "Moral Equivalent for War."

Every war in our history has been followed by new developments in the field of education. Thus far the developments have always been in the direction of increased educational opportunities. Due in part to the unreadiness of the schools to meet the situation which grew out of the depression, such governmental substitutes for locally controlled education appeared as the N.Y.A. and the C.C.C. Unless the public schools are ready to assume the burden of education for our young people, governmental agencies will again step into the breach, at a far greater cost to the taxpayer than would be the case if handled locally.

Indicative of the trend toward greater educational opportunities made available through governmental subsidy are the richly merited opportunities offered through the so-called G. I. Bill of Rights. While no one questions the need and desirability of federal aid in this particular matter, certain aspects of the remote control of a federal educational system need sober judgment and very careful consideration.

Our State Department of Education is already on record as favoring the inclusion of grades 13 and 14 in the public school set-up. The extreme urgency of some such action is greatly sharpened by the very legislation

mentioned above, since with the facilities of all the colleges in the land strained to the utmost to care for the returning service men and women, a very great number of our graduates without war experience or service connections are not going to be able to get into college, certainly not right away, and they are not going to be satisfied to mark time — give up their plans and dreams. Post-graduate work, if merely a repetition of what has been done already, is a waste of time to the individual and an economic loss to the community of which he is a part. If we are to have grades 13 and 14 we must have something worthwhile to offer. The situation is not a temporary one; at least it is not one which will be over in less than five to six years. It would appear that perhaps the surest way a student can get into an institution of higher learning is by way of the armed services, and even then he must demonstrate high scholastic aptitude and achievement.

As this report is written, a beginning is being made on one of the more important aspects of the preparation of our youth for the new world of their tomorrow. Mr. Pollard tells in his report of his appointment of a group of teachers to study the program at the Senior High School, with the object of evaluating what we have, and of making such changes as may appear to be most desirable. Sometimes teacher groups feel that such an assignment is just another burden added to a busy schedule. To make sure that the importance of this assignment would be fully appreciated, and that a thoroughly democratic joint operation of all concerned should result, the high school principal, the superintendent, and most significantly, a student representative and an interested and able lay member were added to the group.

Parents of children about to begin the absorbing educational journey are always interested in the initial process. In this state attendance in school is compulsory between the ages of seven and sixteen years. The practice among the different states varies somewhat, but most children in this country are in school before they are seven years old.

Observation of many thousands of children has led to the conclusion that, on the average, children become ready to read between the ages of six years and six years and six months. The younger children are on entrance to school, the larger the number who will experience partial or total failure at the very beginning of their school careers. To insure a larger percentage who will be ready to read during their first year in the grade school, the School Committee voted to raise the automatic entrance age to the kindergarten from four years and eight months on September 20, to four years and ten months on September 1.

However, as the rate of maturation differs with respect to reading readiness just as it does with respect to height, weight, rate of dentition, etc., it was voted that children who are really ready for school, as demonstrated by objective tests and the subjective judgment of experienced teachers, may be admitted if slightly under the age of four years and ten months.

The kindergarten year closed two weeks early in the spring in order to enter children who were candidates for admission in September. They were registered and checked as to their physical readiness and prepared emotionally for the great experience of going to school. In addition, those children who did not meet the minimum age requirements as of September 1 were observed with utmost care as to their relative emotional, physical, and social adjustment, and they were given objective tests to determine their real mental maturity. About one-third of the children tested were admitted in September, the youngest being four years and six months old. There were two children of this age. While it had been anticipated that there might be one or two children as young as four years and five months who would meet the requirements, our actual experience indicated that about four years and six months is the minimum age.

While it is still too early to draw any conclusions, the results so far have been highly satisfactory, and the plan will be continued with some slight modifications. If the youngest children to meet the entrance requirements successfully are again found to be four years and six months old or over as of September 1, I shall probably recommend that the minimum age for kindergarten entrance be set at that age.

We are most fortunate in the assistance we can now give our children and young people as a direct result of the appointments of Miss Madeline E. Bartell and Mr. William F. Valdina. Miss Bartell's expert advice with educational problems at the elementary level and her co-ordination of the work of the various schools and grades within them is invaluable, while Mr. Valdina's counsel to pupils, veterans, teachers, and parents is more than filling a need whose magnitude even yet is not fully appreciated.

Equipment for the Industrial Arts may be expected to be available soon now that hostilities have ceased; in fact, some equipment has already been obtained from First Service Command releases, and more may be available in the near future through the Reconstruction Finance Corporation. For several years it has been hoped that more equipment could be made available so that pupils who elect Industrial Arts courses in the Senior High School may familiarize themselves with a wider variety of tools and processes.

With the exception of the sound treatment given in the cafeteria at the Junior High School, very little modernization was accomplished. The one exception is in the Domestic Science rooms, where the condition of the stoves and sinks was such that it was necessary to have replacements. Six new five-speed electric ranges were installed and four new cabinet sinks were put in. An excellent exchange program has been arranged with the electric company so that the electrical equipment will never become obsolete again.

Contrary to the general belief, rather considerable sums of money return to the Town each year because of the School Department. The largest sum is the return under Section I, Part I of Chapter 70 of the General Laws. This money is included without breakdown or explanation in the reimbursement to the towns from income tax; it amounts to two hundred dollars for each full time teacher, supervisor, principal, or superintendent whose salary rate is twelve hundred dollars a year or over, who is a college graduate and has taught at least two years, or who has had preparation and teaching experience accepted as equivalent. Lesser amounts are paid for teachers whose training and/or experience are less.

Below are shown the various amounts turned into the General Fund during 1945:

Part I, Chapter 70, General Laws		$19,882.80
Department of Public Welfare	$328.90	
Division of Child Guardianship Juvenile Training	8.64	
Non-resident Tuition	115.00	
		452.54
Needham School Activities		
Manual Training	$42.41	
Breakage (Chemistry)	38.92	
Telephone Tolls	86.42	
Cafeterias	1,760.00	
Use of School Buildings	60.00	
Sale of Junk	1.00	
Refund to Salary Accounts	6.67	
Refund to Reserve Fund	21.76	
		2,017.18
From State on account Vocational Tuition		922.29
From Court Action		120.00
		$23,394.81

All of these amounts go directly into the General Funds of the Town and decrease the tax rate proportionately.

PERSONNEL CHANGES

There were a number of changes in personnel during the year. As has been indicated in the report of the School Committee, the number of resignations from the teaching staff was lower than in the years preceding the adoption of the salary schedule. There were a few transfers or changes in assignment. Two janitors retired and one resigned, and Mrs. Esther Robinson became full-time secretary to the superintendent.

Resignations, retirements and reassignments are listed below:

Staff Resignations

Shogher Baghdoyan	Supervisor of Art	Further Study
Elizabeth McLaughlin	Junior High	Further Study
Muriel Morgan	Stephen Palmer	Professional Advancement
Margaret Powell	Junior High	Non-tenure military substitute
Elizabeth Robinson	Carter School	Professional Advancement
Nora Tomes	Carter School	Professional Advancement
Priscilla Turner	Carter School	To rejoin husband returned from service

Resignation (Janitor)

George LaChance	Dwight School	January 13, 1945

Retired — Staff

Edith McCann	Riverside School	January 1, 1946

Retired — Janitors

Charles H. Bailey	Eliot School	June 30, 1945
William S. Whelan	Stephen Palmer	December 31, 1945

Retired — Cook

Jessie R. Gillespie	Senior High School	June 30, 1945

Transfers

September 4, 1945

Mary E. Dugan	Senior High School to Junior High School
Dennis E. Foley	Special Class Carter School to Grade 6 Carter School
Barbara S. Hatch	Grades 4, 5 Dwight School to Grade 1 Stephen Palmer
Margaret Heideman	Grade 4 Harris School to Grades 5, 6 Stephen Palmer
Evelyne S. Merrill	Junior High School to Senior High School

Returned to Service

Katharine L. Locke	Foreign Service Red Cross to Junior High School
Evelyn Lowell	Study at Columbia University to Harris School

New Personnel — Staff

Madeline E. Bartell	Elementary Supervisor	Sept. 4, 1945
Mildred S. Crocker	Grades 4 and 5 Dwight School	Sept. 10, 1945
Joseph DePasqua	Junior High School	Sept. 4, 1945
Elsie S. Kalin	Grade 3, Carter School	Oct. 1, 1945
Marion E. MacKenzie	Art Supervisor	Sept. 4, 1945
William F. Valdina	Guidance Director	Sept. 4, 1945
June Weingarten	Grades 3 and 4, Carter School	Sept. 4, 1945

Clerical

Esther P. Robinson	Superintendent's Office	Nov. 26, 1945

Janitors

Lester Merritt	Emery Grover School	Jan. 10, 1945
George Noyes	Eliot School	Sept. 18, 1945

Cook

Anna M. Slaney	Senior High School	Sept. 4, 1945

Once again I welcome the opportunity to express my appreciation of the high calibre and professional competence of my colleagues both on the teaching and non-teaching staff. It is a pleasure to work with them.

I should like to add my appreciation to that of the Committee for the assistance and friendly co-operation of the other Town Departments.

It is a pleasure once more to thank the Mothers' Clubs and the Public School Association for their unflagging interest and support. The advice and counsel of this latter group has been particularly helpful on numerous occasions and the opportunities arranged for public explanation of policies and plans have been most welcome.

My enthusiasm becomes constantly greater for this Town which is so interested in the educational opportunities of its youth and it is an inspiration and a privilege to serve them through you.

Respectfully submitted,

DERWOOD A. NEWMAN,
Superintendent of Schools.

REPORT OF SENIOR HIGH SCHOOL PRINCIPAL

December 21, 1945.

Dr. Derwood A. Newman,
Superintendent, Needham Public Schools,
Needham, Massachusetts.

Dear Sir: — Herewith I submit my annual report as Principal of the Needham Senior High School. It will concern itself with events of importance in the life of the school during the year which has just come to a close, as well as with things that lie ahead.

On Thursday, June 14, 1945, 113 members of the Class of 1945 received their diplomas. Of that number 49 have gone on to higher institutions of learning, 31 are definitely employed, 1 is at home, 1 is married, and 31 are in the service of their country. The central theme of the graduating exercises was "Better Attitudes for a Better World." The class gifts to the school were a set of scenery for the stage, a service honor roll, a framed Constitution of the Student Council, and money toward the purchase of an electric scoreboard for the gymnasium.

Graduates of the class entered the following colleges: Bates, Boston University, Brown, Colby, Emerson, Goucher, Harvard, Middlebury, Massachusetts Institute of Technology, Mount Holyoke, Northeastern, Simmons, Skidmore, United States Coast Guard Academy, and Yale.

James S. Gracey and Lindsay Russell, members of the Class of 1945, brought honor to the school by their achievements. The former, in competition with thousands of candidates throughout the land, was, as a

result of his splendid work on entrance examinations, one of three hundred to receive an appointment to the United States Coast Guard Academy; the latter, in competition with 15,000 young people from all parts of this country, was one of 260 high school students who received honorable mention in the annual Science Talent Search sponsored by Westinghouse. Another member of the class, John C. Powers, received honorable mention in the annual examination sponsored by The League of Nations.

During the past year our graduates have done scholastic work of superior quality at Brown, Smith, and Syracuse.

New Prizes

Two new prizes were awarded at the graduating exercises. The first, The Kenrick Whetton Memorial Award, to be awarded to the junior football letter winner with the highest scholastic average for his sophomore and junior years, was made possible through the generosity of Mr. J. H. Whetton and Sons. The second, The Liljequist Award, to be awarded to the boy and girl in the senior class selected by vote of the students and faculty as most outstanding for their participation in worthwhile community affairs, was given by Mr. Albert T. Liljequist of The Liljequist Company.

Gift — Collamore

The school acknowledges with thanks the gift of athletic equipment and a set of books on sports to the school library by Mr. and Mrs. Alonzo Collamore in memory of their son, Lt. Robert C. Collamore.

Enrollment

The enrollment in September was 494, as against 451 a year ago. It was distributed among the classes as follows: 1 post-graduate; 134 seniors; 154 juniors; 205 sophomores.

Faculty

With the exception of the following changes the faculty remains as it was during the previous year; Mrs. Helen Ritchie did not return, and Miss Mary E. Dugan exchanged places with Mrs. Evelyne S. Merrill of the Junior High School Faculty.

Community Service

The school has endeavored to do its part in community enterprises. It has been very successful in meeting its quota in the various bond campaigns, and on one occasion helped to give impetus to a drive by staging a Bond Rally on the Common. A Blood Donor Drive, sponsored and carried out with considerable success by the student body, brought much favorable comment to the school. The band, under Mr. Fisher's direction, has furnished music for community affairs. A unique contribution to the life of the community took the form of An Inter-Faith Community Service of Sacred Music in the school auditorium on Palm Sunday afternoon. The event had the backing and co-operation of the local clergy. The program, supplied by the band and chorus, was appropriate to the season, and at the same time served as a fitting memorial service for the boys who had given their lives in behalf of their country. From time to time the Commercial Department has rendered valuable service to individuals and committees engaged in work for the betterment of the community. The benefits derived from such service have not accrued solely to those for whom it has been rendered, but also to those who have had a part in providing it. Service rests at the bottom of community life. It should teach our young people that the greatest satisfactions come from doing worthwhile things for others.

Young People

Never in the history of our country have our young people been called upon for so much. Invariably they have come through splendidly. They are not perfect by any means. They, like the rest of us, do foolish things from time to time, but, by and large, they are a wholesome group, and can be depended upon to do their share in shouldering the burdens necessary for the preservation of our American democracy.

Veterans

The latchstring of the school has always been on the outside for returning veterans. I am pleased to report that a large number have called upon us for advice and assistance. Many hours have been given over to them in advising them in educational matters, helping them to secure statements from the United States Armed Forces Institute, evaluating credits for courses taken in service-connected schools, for basic training, and in correspondence courses, and informing them as to how they can earn their high school diploma or go on to either vocational schools or colleges. It is our policy to do everything within our power to make their rehabilitation as smooth and as efficient as possible. Mr. Valdina's assistance in this work has been of an exceptionally high order and has been greatly appreciated by all.

Guidance

It is a source of satisfaction to realize that at last we are in a position to make a worthwhile start in the field of guidance. Mr. William Valdina, Director of Guidance, has impressed us very favorably at the Senior High School. We feel that his work with us is going to be very helpful and will benefit greatly teachers, parents, and pupils.

Since the Iowa General Educational Development Tests, given to every pupil in the school, were administered by Mr. Valdina, it is fitting to report at this point that the results show that we stand considerably above the national average and compare very favorably with the school averages for the New England and Middle Atlantic States.

A Forward Look

We are looking forward to the time when we can get substantial support from the Town for our school library and our work with audio-visual aids. In previous reports I have dwelt upon the importance to the school of both of these phases of education; consequently, I see no need of elaborating upon them at this time. May it suffice to say that any additional support that can be given to either or both of these things will be greatly appreciated.

It is my opinion, as well as that of many of the teachers, that the present marking system and report card should be revised because they fail to give accurate and sufficient information to pupils and parents. The five-point system as proposed by you, Dr. Newman, is, in my estimation, a step in the right direction. I hope that the matter will receive careful consideration in the near future and that, as a result of such consideration, something will evolve which will be more satisfactory to all concerned than the present set-up.

Our Program of Studies has never been static. It has been revised frequently in order to meet the changing conditions under which we live. During the period of war it was geared to meet the war effort. Now that we are at peace it should be revised to meet adequately local, national and world conditions. For that purpose I have appointed a committee of teachers representing the various departments in our school. The committee, I am sure, will be very receptive to any suggestions which you may care to offer toward the solution of the problem.

Appreciation

To the members of the faculty for their devotion to the work of the school, and to you and the members of the School Committee for the support you have accorded me in all matters pertaining to the best interests of the school, I extend my sincere thanks.

Respectfully submitted,

WILLIAM F. POLLARD,
Principal.

CLASS OF 1945

Name	*Present Occupation*
1. Mona Eileen Abbott	Sullins College
2. Dilla June Adams	Office, United Shoe Co,. Boston
3. David Ellery Alden	In the Service
4. Donald D. Anastasi	In the Service

115. Lillian Mary Wright	Boston University

REPORT OF JUNIOR HIGH SCHOOL PRINCIPAL

January 29, 1946.

Dr. Derwood A. Newman,
Superintendent of Schools,
Needham, Massachusetts.

My dear Sir: — In September when we arrived to begin the new school year, we found the interior of our building fresh, clean, and bright, in a new coat of paint. The home economics rooms had been provided with new lighting and six up-to-date electric stoves replaced the old equipment. Much had been done to make our work shop comfortable and cheerful.

Last spring the cafeteria was sound proofed, giving us all much needed relief from the noise that had resounded there during lunch time.

School opened last fall with an enrollment of 581 pupils — 205 in grade 9, 210 in grade 8, and 166 in grade 7 — 70 fewer pupils than in September, 1944. This drop was due in large part to the entering of a smaller 7th grade. Next fall, however, the entering class will again number about 200.

Curriculum

No changes have been made in the curriculum. We are continuing the stressing of fundamentals in order that our pupils may learn how to read, write, and reckon, and how to live with their fellow men understandingly. To that end they should acquire good study habits. Much more can be accomplished through close mental attention over a shorter period than over a longer period interrupted by distracting influences.

Few Changes in the Teaching Staff

Mrs. Merrill was transferred to the Senior High School.
Mrs. Powell left the system.
Miss Dugan came back from the Senior High School.
Miss Locke returned from the services.

Mr. DePasqua came to us after a year teaching in California before which he had taught for 10 years in Franklin, Massachusetts.

Mrs. Williams is dividing her time among our school and the elementary schools.

Mr. Sisson returned to us after nearly 4 years in the Army, releasing Mr. Holt for some physical education work in the lower grades.

Education Week

During that week we kept open house on Tuesday and Wednesday afternoons and on Thursday evening. About 300 parents visited us and had their interviews with a minimum of delay. Parents are cordially invited to visit us.

Assemblies

Our assemblies, especially those in which the pupils participated, have been of a very high order. In the school there is much musical talent and acting ability. The staging, direction, and presentation of our Thanksgiving and Christmas assemblies were outstanding.

Athletics

Our football team had a most successful season, winning five games and tying one.

We are now in the midst of our basketball season with an inexperienced but determined squad. In the spring we shall have a baseball team. In season the girls play interclass basketball and hockey.

The School Publication

A very important school activity is "The Nee-Hi News," our magazine, which is published each year in June and which calls forth from the pupils much fine literature. Soliciting advertisements and subscriptions and issuing the publication gives them excellent business training.

Contributions

During the seasons of Thanksgiving and Christmas and at other times during the year, our teachers and pupils contribute their share towards those in need of help.

At Christmas our stained glass windows painted by the Art pupils were an inspiration to all who saw them.

Cafeteria

The lunch room serves wholesome, well-balanced meals at moderate prices. Occasionally, because of rationing or because of other conditions beyond our control, we run out of some food before all are served. To foresee each day just exactly how much the pupils will consume is impossible.

Nurse's Room

Because so many pupils become sick in school, a place other than the teachers' room should be provided for their immediate care here in the building.

Visual Education

Quite a number of films are shown in classes, especially science. The films are for the most part loaned to us free of charge except for the transportation.

Guidance

We appreciate the assistance being given us in this field by Mr. Valdina.

Janitors

The two fine gentlemen who take care of our building do their work cheerfully and well. Not only do they keep the school neat and orderly, but they are most accommodating and obliging to us all — teachers and pupils.

Teachers

During the past year the teachers have been constant in the performance of duty and loyal to the trust of teaching and guiding youth.

The business in the school office, too, has been handled by the secretary in an efficient, tactful manner.

To you Dr. Newman, to your office staff, and to the School Committee go my thanks for your friendly advice and support.

Respectfully submitted,

JOHN E. NELSON,
Principal.

REPORT OF SUPERVISOR OF ELEMENTARY EDUCATION

Dear Dr. Newman:

The following is a résumé of the fundamental principles underlying the program of supervision for the past four months in the elementary schools in Needham:

School Readiness as Related to Learning to Read

Reading is considered one of the most important subjects in elementary education. It is basic to the acquisition of all knowledge and ideas. There has been much concern about the reading achievement of boys and girls of all age groups from the elementary levels through the secondary levels, both by parents and educators alike.

Numerous investigations have been made to determine ways and means of improving children's reading. Remedial reading classes have been set up in elementary, junior, and senior high schools, and colleges for the primary purpose of promoting reading achievement. Reading materials have been re-evaluated by publishers so that today we find an abundance of excellently worked out reading series and supplementary readers. Numerous diagnostic reading objective tests are on the market. Methods of teaching reading have been greatly changed. More recently, educators have been re-evaluating the instruction in beginning formal reading, for it is generally agreed that there is need for change in the method of introducing children to formal reading.

It is an accepted fact among educators that most children make the best progress in reading when the formal instruction is delayed until they are at least six years and six months of age chronologically, though a few children are ready to begin before this age, and some are not ready to start until nearer their seventh birthday. Because of this fact many communities have made an earnest attempt to raise the entrance age to school and have initiated programs of instruction that will help children gain greater enjoyment and satisfaction from their first reading experience. A program of this type is termed developing reading readiness.

The kindergarten and first grade teachers in Needham are planning such a program this year because it was found that only one-half of the children enrolled in the first grades in September were ready for formal reading instruction. This is partly because children vary greatly in native ability, in environmental background, in social and emotional adjustment, in physical efficiency, and in the depth and variety of their experiences. The fact was recognized that in order to learn to read one must be physically strong and well; one must have good visual perception in order to discriminate likenesses and differences in letter and word forms; one must have excellent auditory discrimination in order to detect slight variations in sounds of letter combinations; one must be free from mental and emotional stress and strain; one must be happily adjusted to the other people with whom one works and plays. A child who does not have these qualifications is likely to develop serious complications if exposed to reading instruction prematurely.

In our program for instruction that will foster reading readiness, we plan to give a series of objective tests to determine specifically what each child needs to develop before he begins to read the printed page. We plan to study the child's emotional and social behavior and will provide opportunities whereby he will be confronted with situations that will help him grow in these respects. We plan to check the child's visual perception, auditory discrimination, peculiar speech habits, oscular-muscular co-ordination, his ability to do problematic thinking, and his facility with language expression. When an analysis has been made of the individual needs of each child, a program of instruction will be adapted to promote the growth of those factors necessary for learning to read the printed page.

We are certain that delaying the formal instruction in reading for many children will pay big dividends. Children will avoid all the bad habits and emotional blocs against reading which are built up by unwilling and immature readers. We are certain that they will forge ahead at an amazing speed in reading when their powers are equal to the task and they read avidly and happily.

The program for fostering reading readiness is the beginning of a comprehensive re-evaluation of the entire language arts program in the elementary schools.

Respectfully submitted,

MADELINE E. BARTELL,
Supervisor of Elementary Education.

REPORT OF THE GUIDANCE DEPARTMENT

Dear Dr. Newman:

The Department of Guidance and Research has had four months of activity since its inauguration, September, 1945. This department has been set up by the School Committee to meet the guidance needs of Needham youth.

The aim of this department is to make available to each pupil adequate guidance. This aim stated as an objective would be to help each individual know his interests, aptitudes, and abilities, so that he may better find his proper place in life. Evidence of this need is contained in requests by principals in past school reports.

One of the first activities of the department was the establishment of a placement service. Employers in the Needham area were sent a form letter in order that they might be informed of this placement aid. The following are the placement aims:

1. To assist Needham High School graduates in finding permanent jobs.
2. To help out-of-school young people who desire placement in jobs.
3. To aid pupils in school in obtaining suitable part-time and summer employment.
4. To assist and counsel pupils leaving school to enter the world of work.

Another activity of the department has been the aiding of Needham Veterans. It is felt by the State Department of Education as well as by our own school committee that the school department has a definite responsibility in regard to returning Needham Servicemen. Many of these boys had not completed high school at the time of their induction. To this group we have the responsibility to provide free public education through the twelfth grade. Chapter 676 of our General Laws indicates that the schools have a responsibility of "placement and occupational information of all youth in the community in school or out, from 16 years up." And finally, we owe a moral debt to these boys which we shall never be able to pay completely.

Work with returning veterans has consisted of testing and subsequent counselling. An effort has been made through the use of objective tests to give information and not advice; to give help at two times only, when it is needed or when it is wanted. Many of the veterans tested have been aided in completing their high school training, or going on to college, or finding their proper place in the world of work, or in starting on a program of apprenticeship in various vocational fields.

In the Junior and Senior High, pupils have been taking psychometric tests, the results of which will be used to more adequately help them choose their courses of study. These test results will be available to pupils to the degree that they can understand the test findings. These test results will be used to help a pupil to better know his interests, aptitudes, and abilities, so that he may choose a vocation in harmony with his total personality.

Needless to say, the task of providing adequate guidance for our pupils cannot be done by one person. Guidance is recognized as the responsibility of each teacher and is synonymous with education, yet with the complexities of our time, the need for guidance specialists to co-ordinate and supplement the work of the teacher is clearly recognized. Educators

indicate that there should be one counsellor for every 150 to 300 pupils. We here in Needham must necessarily give consideration to the development of the guidance program, to the point where the guidance needs of each individual pupil are being met. The Department of Guidance and Research will submit recommendations in this area from time to time as the total program is evaluated in terms of the guidance needs of the pupils.

Respectfully submitted,

WILLIAM F. VALDINA,
Director of Guidance.

Receipts for year 1944–1945	40.35	
Total Receipts		$40.45
Expenditures for year 1944–1945		0.00
Balance on hand July 1, 1945		$40.45

Dwight School Milk Fund:

Balance on hand July 1, 1944	$15.84	
Receipts for year 1944–1945	304.15	
Total Receipts		$319.99
Expenditures for year 1944–1945		288.94
Balance on hand July 1, 1945		$31.05

Dwight School Activity Fund:

Balance on hand July 1, 1944	$286.61	
Receipts for year 1944–1945	146.40	
Total Receipts		$433.01
Expenditures for year 1944–1945		112.63
Balance on hand July 1, 1945		$320.38

Eliot School Milk Fund:

Balance on hand July 1, 1944	$0.00	
Receipts for year 1944–1945	113.50	
Total Receipts		$113.50
Expenditures for year 1944–1945		107.83
Balance on hand July 1, 1945		$5.67

Eliot School Activity Fund:

Balance on hand July 1, 1944	$18.27	
Receipts for year 1944–1945	12.96	
Total Receipts		$31.23
Expenditures for year 1944–1945		0.00
Balance on hand July 1, 1945		$31.23

Carter School Milk Fund:

Balance on hand July 1, 1944	$17.10	
Receipts for year 1944–1945	437.84	
Total Receipts		$454.94
Expenditures for year 1944–1945		422.17
Balance on hand July 1, 1945		$32.77

Carter School Activity Fund:

Balance on hand July 1, 1944	$83.77	
Receipts for year 1944–1945	324.49	
Total Receipts		$408.26
Expenditures for year 1944–1945		317.34
Balance on hand July 1, 1945		$90.92

Summary of School Funds

Total balance on hand July 1, 1944	$4,535.14	
Total receipts for year 1944–1945	32,530.72	
Total Receipts		$37,065.86
Total Expenditures for year 1944–1945		30,479.30
Balance on hand July 1, 1945		$6,586.56

The foregoing financial statement does not include net worth. Many of the organizations have equipment, goods and supplies on hand. It is probable that their inventories of such goods and materials are valued at several thousand dollars in addition to cash receipts and disbursements which are listed.

TREASURER'S REPORT

January 1, 1945 to December 31, 1945

Balances, January 1, 1945		$378,505.54

TOWN WARRANT and REPORT

OF THE

FINANCE COMMITTEE

TO THE TOWN

AT THE

ANNUAL MEETING, MARCH 19, 1945

ELECTION, MARCH 12
BUSINESS MEETING, MARCH 19, 1945
AT 7:30 P. M.

NEWTON
GARDEN CITY PRINT
1945

WARRANT FOR THE ANNUAL TOWN MEETING

Monday, March 12, 1945

(Including the Recommendations of the Finance Committee)

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To either of the Constables in the Town of Needham in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in Town Affairs to meet at the Town Hall in said Town on

MONDAY, the TWELFTH DAY OF MARCH, 1945

from twelve o'clock, noon, until eight o'clock in the afternoon, then and there to act upon the following articles, viz:

ARTICLE 1. To choose by ballot the following Town Officers — Three Selectmen for one year; one Moderator for one year; one Town Clerk for one year; one Town Treasurer and Tax Collector for one year; one Assessor for three years; two Members of the Board of Public Welfare for three years; two Trustees of the Public Library for three years; one Trustee of Memorial Park for three years; two Members of the School Committee for three years; one Member of the Board of Health for three years; one Commissioner of Trust Funds for three years; one Member of the Town Planning Board for five years; two Constables for one year; and sixteen Town Meeting Members for each District, namely, 1, 2, 3, 4 and 5, for three years.

ARTICLE 2. To submit the following question, upon the official ballot, to the registered voters of the Town:

> "Shall the Town vote to accept the provisions of section six C of chapter forty of the General Laws, which authorizes cities and towns to appropriate money for the removal of snow and ice from private ways therein open to public use?"

on the petition of Lester C. Hollis and others.

and at the Junior High School in said Town on

MONDAY, the NINETEENTH DAY OF MARCH, 1945

at seven-thirty o'clock in the afternoon, then and there to act upon the following articles, viz:

ARTICLE 3. To choose and appoint all other Town Officers in such manner as the Town may determine.

ARTICLE 4. To hear and act on the reports of Town Officers and Committees.

ARTICLE 5. To see what action the Town will take relative to unexpended balances and deficiencies of 1944.

RECOMMENDED: That the unexpended balances be returned to the Treasury and that the sum of $150.00 be appropriated to pay "unpaid bills" and $300.00 to pay deficiencies of 1944.

ARTICLE 6. To see what action the Town will take relative to unexpended balances and deficiencies of 1945.

RECOMMENDED: That unpaid bills contracted in 1945 but not received by the Town until after January 1, 1946, regarded as "unpaid bills" be paid in January, 1946: from cash on hand and that the amount so paid be reported by the Town Accountant to the Finance Committee to be included in their report of appropriations for 1946.

ARTICLE 7. To see what disposition the Town will make of monies received pursuant to Section 172 of Chapter 140 of the General Laws as the Town's share of the unexpended balance of the Dog Fund.

RECOMMENDED: That the monies received from dog licenses, to wit: $1,966.60 be appropriated for the Public Library.

ARTICLE 8. To see what action the Town will take relative to the report of the Special Committee appointed under Article 12 of the warrant for the Annual Town Meeting of 1944 to re-examine and review the Rules and Regulations governing the Classification of Personnel Service and the Standard Rates of Salary adopted by the Town under Article 4 of the Annual Town Meeting for 1940.

The Finance Committee does not report on other committees.

ARTICLE 9. To see what action the Town will take relative to the Salaries of its Town Officers.

RECOMMENDED: That the salaries of Town Officers for the year 1945, be the same as voted in the Annual budget.

ARTICLE 10. To see in what manner the Town will have its taxes collected for the current year.

RECOMMENDED: That the taxes for the current year be collected in the same manner as in the year 1944, and that the compensation therefor be the same as voted in the budget.

ARTICLE 11. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

See pages 15 to 20.

ARTICLE 12. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note, or notes, therefor, payable within one year, and to renew any note, or notes, as may be given for a period of less than one year, in accordance with Section 17 of Chapter 44 of the General Laws.

RECOMMENDED: That the Town Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note, or notes, therefor, payable within one year, and to renew any note, or notes, as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 13. To see if the Town will authorize appropriations, or any part thereof, granted to the several departments to be transferred from one classification to another within each department respectively, upon the approval of the Finance Committee.

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 14. To see if the Town will appropriate the sum of $480 for instructing adult aliens residing in the Town of Needham in Americanism and preparation for citizenship, said instruction to be under the supervision of the School Committee.

RECOMMENDED: That the substance of this article be adopted, and that $480.00 be appropriated.

ARTICLE 15. To see if the Town will establish a Recreation Commission under the provisions of General Laws, chapter 45, section 14, to succeed and replace the commission established under Article 43 of the Annual Town Meeting for 1939; or take any other action relative thereto.

RECOMMENDED: That this article be dismissed.

ARTICLE 16. To see if the Town will appropriate a sum not exceeding $2,000 for improving Rosemary Beach and the facilities thereat; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $2,000.00 be appropriated for improving Rosemary Beach and that the Public Works Dept. have charge of same as the Agent of the Selectmen who are the Park Department.

ARTICLE 17. To see if the Town will appropriate a sum not exceeding $3,000 for the purpose of conducting a bathing beach and other related recreational activities at Rosemary Beach; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $2,500.00 be appropriated for conducting Rosemary Beach and that the Public Works Dept. have charge of same.

ARTICLE 18. To see what sum the Town will appropriate for the operation and maintenance of public playgrounds at various locations in the Town; determine in what manner said sum shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $2,500.00 be appropriated for PLAYGROUNDS and that the School Dept. have charge of same.

ARTICLE 19. To see what sum the Town will appropriate for the purpose of maintaining a recreation center and conducting recreational activities thereat and at other indoor locations in the Town; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That this article be dismissed. In the appropriations enough has been appropriated to take care of the Center until its closing.

ARTICLE 20. To see if the Town will authorize the Board of Health to employ a Sanitary Inspector; and appropriate the sum of $500 for his compensation; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That the Town employ a Sanitary Inspector and that $500.00 be appropriated for salary.

ARTICLE 21. To see if the Town will appropriate the sum of $2,200 for the purpose of establishing a branch of the Needham Free Public Library in or near Needham Square; determine in what manner said sum shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $2,200.00 be appropriated for a Branch Library for a year's trial.

ARTICLE 22. To see if the Town will appropriate a sum not exceeding $14,000 for the control and eradication of mosquitoes; determine in what manner said sum shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $14,000.00 be appropriated for Mosquito control and that same be under the Board of Health.

ARTICLE 23. To see if the Town will appropriate a sum not exceeding $13,500 for the purpose of grading and filling Memorial Park; determine in what manner said sum shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That $7,000.00 be appropriated for Memorial Park fill.

ARTICLE 24. To see if the Town will vote to acquire by purchase from Frances A. Williams a certain parcel of land in Needham, described in Land Court Plan No. 4382A, being that part of Parcel B thereon situated on the westerly side of High Rock Street and on the northerly side of the New York, New Haven & Hartford Railroad Co., and consisting of 64.82 acres, more or less, for park purposes; appropriate the sum of $5,242.30 therefor; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $5,242.30 be appropriated for same.

ARTICLE 25. To see if the Town will authorize the purchase of about 51,450 square feet of land on Chestnut Street including buildings thereon, now or formerly of Arthur W. Walkup, for municipal purposes; appropriate the sum of $17,000 for this purpose; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That this article be dismissed.

ARTICLE 26. To see if the Town will appropriate the sum of $900 for maintenance of Chapter 90 roads, so-called, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $900.00 be appropriated for same.

ARTICLE 27. To see if the Town will appropriate the sum of $2,000 for installation of a storm water drain outlet from Forest Street and additional drainage facilities in Grant Street; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $2,000.00 be appropriated for same.

ARTICLE 28. To see if the Town will appropriate the sum of $5,000 for constructing particular sewers or connecting drains to buildings under the provisions of law authorizing assessments; or take any action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $5,000.00 be appropriated for same.

ARTICLE 29. To see if the Town will appropriate the sum of $10,752.11 to the sewer construction account which shall be transferred from the Sewer Assessment Reserve Fund for payment of $2,703.12 for note and interest due on sewer construction loan and the construction of sewers in portions of the following ways:

Dedham Avenue
Harris Avenue
Marked Tree Road

or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted.

It is not a taxable item, being only a transfer from one account to another.

ARTICLE 30. To see if the Town will authorize the installation of six street lights on unaccepted ways, as follows: Dana Place — 1; Hawthorn Avenue — 1; Douglas Road — 1; River Park Street — 3; or take any action relative thereto.

RECOMMENDED: That this article be adopted. The Supt. of Public Works states that there is money available for this work.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of increasing its water supply by constructing an additional well and other facilities at its Charles River Street water supply location; or take any other action relative thereto.

RECOMMENDED: That on account of the large sum of money involved we think this project should be delayed at the present time.

ARTICLE 32. To see if the Town will appropriate the sum of $800 for the preparation of victory garden plots at the Norris Farm and at other approved locations in the Town, and for care of the orchard at the Norris Farm; determine in what manner the money shall be raised and expended; or take any action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $800.00 be appropriated for same.

ARTICLE 33. To see what sum the Town will appropriate to be expended by the Board of Trustees of the Glover Memorial Hospital for the purpose of obtaining from a competent architect, to be selected by said Trustees, plans and drawings for the enlargement and expansion of Glover Memorial Hospital; determine in what manner said sum shall be raised; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted and $1,500.00 be appropriated for this work to be under the Hospital Trustees.

ARTICLE 34. To see what sum the Town will appropriate for the purpose of obtaining the services of a competent architect, to be selected by the Selectmen, in connection with the preparation of plans and draw-

ings for the erection of a garage for the Department of Public Works; determine in what manner such sum shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted and that $500.00 be appropriated for same.

ARTICLE 35. To see if the Town will appoint a committee to recommend a site for a new fire station in Needham Heights with authority to secure an option upon such site, with the approval of the Selectmen, such option, if secured, to be subject to acceptance or rejection at the next Annual Town Meeting, and to obtain from a competent architect plans and drawings for the erection of such new station; to see what sum the Town will appropriate for these purposes; determine in what manner the money shall be raised and expended; or take any other action relative thereto.

RECOMMENDED: That this article be referred to the Committee on Post-War Activities appointed under article 29 of the warrant for 1944.

ARTICLE 36. To see what action the Town will take relative to civilian defense; what sums the Town will appropriate for the Needham Committee on Public Safety for the purposes of civilian defense; determine how the money shall be raised and expended; or take any other or further action relative thereto.

RECOMMENDED: That the unexpended balance amounting to $449.13 be used by the Committee.

ARTICLE 37. To see if the Town will authorize the Selectmen to sell and convey to The William Carter Company, for $450, certain land situated on the easterly side of Hillside Avenue in Needham, which land is designated and shown as the lot of land marked "8753 Sq. Ft.," on a plan entitled "Plan of Land in Needham, Mass., Scale 1 in.: 40 ft., Frank L. Cheney, Civil Engineer, September 20, 1944," and more particularly bounded and described according to said plan as follows: Westerly by Hillside Avenue, 50 feet; northerly by land marked on said plan "Central Railway Signal Co.," by two lines measuring 139.7 feet and 80 feet, respectively; easterly by land marked on said plan "The William Carter Co.," 35 feet; and southerly by land marked on said plan "The William Carter Co.," 232.4 feet; reserving, however, an easement to construct, maintain and use a covered underground drain under said land and the right to enter on said land in connection therewith; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 38. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to sell the land of the Town situated on Webster Street and purchased by the Town as a gravel bank under Article 25 of the Annual Town Meeting of 1916; or take any other action relative thereto.

The Committee has no recommendation.

ARTICLE 39. To see what action the Town will take relative to the appointment of a committee to study district or precinct voting and to make recommendations relative to the advisability of such voting in the Town of Needham and the manner in which such voting may be put in effect, and to see what sum, if any, the Town will appropriate for the expenses of such committee.

The Committee has no recommendation.

ARTICLE 40. To see what action the Town will take relative to the appointment of a committee of five consisting of the Superintendent of the Public Works Department, the Town Engineer, and three other persons to be appointed by the Moderator, to study and investigate the advisability of establishing a public landing field for aircraft, and a suitable site therefor, in the Town, or of joining with an abutting city or town to form an Airport District for the same purpose, and to see what sum the Town will appropriate for the expenses of said committee; or take any other action relative thereto.

The Committee has no recommendation.

ARTICLE 41. To see what action the Town will take relative to the report of the committee appointed under Article 42 of the Annual Town Meeting of 1942, and continued under Article 30 of the last Annual Town Meeting.

The Finance Committee does not report on other Committee reports.

ARTICLE 42. To see if the Town will accept gifts of $1,000 under the will of Alfred T. Baker and $739.40 under the will of Margaret Constable, to be held and administered as trust funds for the benefit of Glover Memorial Hospital.

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 43. To see if the Town will ratify and approve the action of the Selectmen in accepting on behalf of the Town the provisions of the will of the late Sarah J. Thorpe for the erection of a bronze tablet on Thorpe Memorial Park indicating that such Park was given the Town by Sarah J. Thorpe and Joseph Thorpe in memory of Bessie Thorpe.

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 44. To see if the Town will amend Section 10 of the Zoning By-Law by adding the following new sentence to the first paragraph of said section:

> "Lots of land in residence district "A" shall each have a frontage of at least 150 feet, and lots of land in residence district "B" shall each have a frontage of at least 80 feet."

No recommendation.

ARTICLE 45. To see if the Town will vote to amend its zoning map by changing from a single residence district to a business district the land bounded and described as follows:

> Northerly by Central Avenue; easterly by Webster Street; southerly by land of the Town of Needham about 187.72 feet; and westerly by other land of the petitioner about 137 feet; said land containing 20,416 square feet, more or less, as shown on a plan dated November 29, 1944, on file in the office of the Town Engineer;

on the petition of Lillian V. Ferguson.

No recommendation.

ARTICLE 46. To see if the Town will amend Article III of its By-Laws by adding the following new section thereto:

> "*Section 3.* Every person making or opening a subdivision of land in the Town shall at his own expense make such provisions for the development of streets therein, including the construction and drainage thereof, and the installation of water mains therein, as may be required by the Planning Board. Such street development

and construction shall be in accordance with specifications therefor which the Selectmen may from time to time adopt, and water mains shall be installed only in a manner approved by the Selectmen. The Planning Board may require a proper bond with an adequate surety or sureties to secure performance of its requirements hereunder."

No recommendation.

ARTICLE 47. To see if the Town will amend Article II of its By-Laws, entitled "Town Finance And Administration" by adding thereto the following new section:

"*Section 12.* On and after January 1, 1946, all Town officers except constables, shall pay all fees received by them by virtue of their office into the Town treasury."

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 48. To see if the Town will amend Article IV of its By-Laws, entitled "Police Regulations," by adding thereto the following new section:

"*Section 13A.* The Superintendent of Public Works may, for the purpose of removing or plowing snow, or removing ice, from any way, remove or cause to be removed to some convenient place, including in such term a public garage, any vehicle interfering with such work, and impose liability for the cost of such removal, and of the storage charges, if any, resulting therefrom, upon the owner of such vehicle."

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 49. To see if the Town will accept Section 6 of Chapter 85 and Section 7 of Chapter 40 of the General Laws relative to the removal of snow and ice from sidewalks and appropriating money therefor; or take any other action relative thereto.

RECOMMENDED: That the substance of this article be adopted.

ARTICLE 50. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the purchase of war bonds or other bonds that are legal for investments for savings banks, in accordance with the provisions of Chapter 5, Acts of 1943.

RECOMMENDED: That $50,000 War Bonds be purchased from E. & D. account.

ARTICLE 51. To see if the Town will vote to have the reports of its officers and the proceedings of this and subsequent Town Meetings printed; or pass any vote or votes relative thereto.

RECOMMENDED: That 1,200 of the Town Officers reports and the proceedings of this and subsequent Town Meetings be printed.

ARTICLE 52. To appropriate and raise by borrowing, or otherwise, such sums of money as may be necessary for all or any other purpose mentioned in the foregoing articles; especially to act upon all appropriations asked for, or proposed by the Selectmen, or any Town Officer or Committee; to appoint such Committees as may be decided upon; and to take action upon any other matter which may properly come before the meeting.

RECOMMENDED: That this article be dismissed.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said Town at least seven days before said meeting and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon unto our Town Clerk on, or before said day and hour.

Given under our hands at Needham aforesaid, this thirteenth day of February, 1945.

DAVID MURDOCH,
GEORGE A. POTTER,
CYRIL N. ANGELL,
Selectmen of Needham.

A true copy,
Attest:

ELDON L. MOULTON
Constable.

REPORT OF THE FINANCE COMMITTEE

To the Voters of the Town of Needham:

The Finance Committee of the town of Needham respectfully submits its report and recommendations on those Articles in the Warrant calling for appropriations at the Annual Town Meeting, March 19th, 1945.

If the recommendations of the Finance Committee as to appropriations are accepted at the Town Meeting, our closest estimate of the 1945 tax rate is $28.00. An accurate forecast, of course, is impossible at this time, due to the many uncertain factors which influence the tax rate.

Sub-committees were appointed as in prior years, but were formed early in the season this year, thus enabling the personnel of the sub-committees to know well in advance of the budgets, their respective assignments. Meetings have been held as required throughout the year, and physical inspections of Town properties have been made by members of the Finance Committee whenever it seemed desirable, in order to be in a better position to pass on the need or extent of the various requests for repairs and maintenance items from the heads of the various departments.

Because of the abnormal conditions now existing due to the war, and the inability to procure the necessary labor on account of the manpower situation, we have recommended only such repair and maintenance work on Town properties as is necessary to keep them in a safe condition and to protect them from the weather. To continually delay such work only proves more costly in the end.

Inasmuch as the Town voted at the last meeting on March 20th, 1944, under Article 12 to establish a special committee to re-examine and review and to make recommendations relative to the salaries and wages of Town Officers and employees, a somewhat complicated situation arose as to how best to treat salaries and wages in the present budgets now being submitted, in view of the fact that this special salary and wage committee recommends the new schedule be effective as of January 1st, 1945. After several discussions with this committee, of which the Chairman of the Finance Committee is a member, it was mutually agreed that the most practical method of handling the situation thus created was to request that the budgets be prepared on the assumption that the Town would accept the report of this special committee substantially in its entirety. If the budgets were prepared otherwise, it would entail considerable additional clerical work and delay the determination of a tax rate, which in turn would delay the mailing of the tax bills and consequently the receipt of revenue to the town. Accordingly your Finance Committee in recommending the salaries and wages for the departmental budgets have accepted the schedule suggested by the salary and wage committee, after very careful consideration in the belief that the rates are fair and equitable, having in mind the fact that no present incumbent will suffer any reduction in salary or wage as a result of the new schedule.

In close co-operation with the School Committee, the Finance Committee recommends that the salary and wage schedule adopted by the special salary and wage committee for the non-teaching positions under the jurisdiction of the School Committee, be accepted in their entirety, in order to bring about a uniform rate for comparable positions and to correct some existing irregularities. This tends towards a much more satisfactory condition all around.

There is a special Article in the Warrant requesting an appropriation for "fill" in Memorial Park. Although your committee is in favor of this work being done, your attention is invited to the fact that other departments of the town pay out money for removing suitable "fill". By

proper co-ordination it is suggested that some expense to the tax-payer can be saved. We understand that suitable "fill" is available from at least one local industrial concern.

During the year 1944 transfers from the Reserve Fund for "unforeseen and extraordinary" expenses were made in the amount of $10,466.48 itemized as follows:

Fire, Building Maintenance	$ 69.90	
Fire, Expenses	718.69	
Fire, Maintenance of Equipment	176.30	
Health, Expenses	149.36	
Hospitalization	606.63	
Hospital, Equipment and Supplies	1,033.78	
Inspection, Salaries	105.52	
Inspection, Expenses	37.00	
Inspection, Transportation	20.00	
Insurance, Robbery	155.63	
Library, Building Maintenance	240.00	
Memorial Day, Expenses	72.85	
Memorial Park, Expenses	208.47	
Military Aid	337.88	
Overdrafts and Deficiencies 1943	295.45	
Police, Auto Maintenance	276.86	
Police, Equipment and Supplies	440.57	
Police, Out of State Travel	200.00	
Police, Salaries	10.07	
Public Works, Administration Salaries	173.51	
Registrars, Expenses	100.00	
Selectmen, Salaries	46.00	
School, Outlay	1,000.00	
Snow Removal	198.43	
State Aid	80.00	
Town Clerk, Salaries	9.04	
Town Hall and Grounds, Maintenance	1,275.00	
War Allowances	2,189.54	
Welfare, Aid Dependent Children	43.20	
Welfare, Dependent Aid, Salaries	38.40	
Welfare, Old Age Assistance, Salaries	158.40	
		$10,466.48
Appropriation	$20,000.00	

In this connection we have recommended that $20,000.00 be appropriated for the Reserve Fund this year, believing this amount to be adequate.

The Excess and Deficiency account as of Jan. 1st, 1945, amounted to $246,921.84 and it is our recommendation that nothing be taken out of this account this year for the purpose of reducing the tax rate, because a goodly reserve will undoubtedly be needed in the post-war period.

DEPARTMENTAL COMMENT

Schools

The highest budget presented is that of the School Department. It contains increases in salaries for the teaching staff in accordance with a carefully worked out progressive plan by the School Committee. There is also included sufficient money to put the Junior High School into good condition as part of a rotating plan to put all schools in good repair over a period of about five years.

Recreation

The recommended appropriation covers only a part of the activities of this department. Further appropriations will depend on the outcome of the special articles in the warrant.

Library

The Library Trustees requested $2,200.00 in their budget to cover expenses of a suggested branch library. The finance committee, although approving of the project, were of the opinion that this item should be the subject of a special article.

Memorial Park

See previous comments regarding special article.

Public Works

Included in the budget of the Public Works Department were requests for the purchase of a Power Shovel to cost approximately $15,000.00, a Street Cleaner costing $7,500.00 and a Refuse Truck to cost $2,500.00, or a total of $25,000.00 of additional equipment. After very careful consideration, the Finance Committee rejected these items in the belief that now is not the time to appropriate $25,000.00 for this type of additional equipment. Although it might be desirable for the town to own such machinery, at the present time it is not a "must" and we can get along with our present equipment without too much inconvenience. Then too, it is very doubtful whether the Power Shovel could be bought because of priorities governing the manufacture and sale of this type of equipment. Furthermore, the committee feels that the two other items should be post-war projects, when it is hoped better selections and better quality merchandise will be available at more reasonable prices.

Health, Board of

After our experience last summer, we heartily indorse the special article calling for an appropriation of approximately $14,000.00 for Mosquito Control. Even though complete elimination is out of the question, we feel everything should be done in an endeavor to at least control this pest, particularly in view of a possible malaria epidemic which we are informed could be spread by certain types of mosquitoes said to be prevalent in this area.

Town Clerk

In agreement with the recommendation of the special salary and wage committee, the compensation of the present incumbent has been computed in the same manner as before for this year.

We acknowledge the co-operation and courtesies so willingly given to our committee by the various Town Officers and heads of departments.

Respectfully submitted,

W. BIGELOW HALL, 1945
PAUL T. BLOH, 1945
HERBERT E. BLAISDELL, 1945
D. W. SWIGART, 1946
EDWIN W. L. PAGE, 1947
DAVID O'LEARY, 1947
ROBERT N. KING, 1947
WILLIAM A. MANN, *Vice-Chairman*, 1946
HAROLD M. LAWSON, *Chairman*, 1946

FRED L. DONAHUE, *Clerk*.

BUDGET FOR 1945

Submitted by the Finance Committee

Department	Expenditures 1944	Requested 1945	Recommended 1945
Accounting:			
Accountant	$2,875.00	$3,000.00	**$3,000.00**
Clerk (sr.)	1,495.00	1,650.00	**1,650.00**

REPORT

OF THE

SPECIAL COMMITTEE

AUTHORIZED UNDER ARTICLE 12 OF THE ANNUAL TOWN MEETING HELD ON MARCH 20, 1944, TO RE-EXAMINE AND REVIEW THE RULES AND REGULATIONS GOVERNING THE CLASSIFICATION OF PERSONNEL AND THE STANDARD RATES OF SALARY AND WAGES ADOPTED BY THE TOWN UNDER ARTICLE 4 OF THE ANNUAL TOWN MEETING FOR 1940, AND TO MAKE RECOMMENDATIONS RELATIVE TO THE REVISION OR CHANGE THEREOF AND RELATIVE TO THE CLASSIFICATION OF EMPLOYMENT AND MINIMUM AND MAXIMUM SALARY AND WAGE RATES FOR TOWN OFFICERS AND ALL TOWN EMPLOYEES

GARDEN CITY PRINT
NEWTON, MASS.
1945

REPORT OF THE SALARY AND WAGE COMMITTEE

Authorized Under Article 12 of the Annual Town Meeting Held on March 20, 1944, to Re-examine and Review the Rules and Regulations Governing the Classification of Personnel and the Standard Rates of Salary and Wages Adopted by the Town Under Article 4 of the Annual Town Meeting for 1940, and to Make Recommendations Relative to the Revision or Change Thereof and Relative to the Classification of Employment and Minimum and Maximum Salary and Wage Rates for Town Officers and all Town Employees.

Pursuant to the action ordered under Article 12 of the Town Meeting held on March 20, 1944, a committee of five members was appointed to study the present employment and salary and wage "set-up" of the employees of the Town of Needham. This committee of five consists of two members appointed by the Town Moderator, one member of the Board of Selectmen appointed by said Board, one member of the School Committee appointed by said Committee, and one member of the Finance Committee appointed by said Committee.

The personnel of the Committee thus established is: Harold M. Lawson, Chairman of the Town Finance Committee, Cyril N. Angell, Secretary of the Board of Selectmen, Arnold Mackintosh, Town Treasurer, Frederick L. Bauer, Personnel Executive, and W. H. H. Peirce, Needham School Committee.

The Committee organized with Harold M. Lawson as Chairman, and Arnold Mackintosh as Secretary. With the exception of the summer months of July and August the Committee has met at least once a week ever since its establishment. Conferences have been held with the Heads of all Town Departments, the entire Committee meeting the Heads of the larger Departments, and sub-committees appointed by the Chairman meeting the Heads of the other Departments.

In making this study, as directed by vote of the Town, the Committee has had made available for its use an abundance of Federal, State and Municipal reports bearing upon the problem of employment and salaries and wages. Expert opinion from various Public Officials, Boards, and other investigating bodies has been sought and obtained freely. Especial care has been taken by the Committee to compare Needham conditions with those in relatively comparable Massachusetts towns.

The recommendations which the Committee now present for consideration by the voters are based upon the following premises: —

(1) Abnormal employment conditions in respect to salaries and wages are, and for some time to come, will be dominated by the wartime high rates of salaries and wages.

(2) Costs of living have risen to a marked degree, and show no sign of any possible recession for some time to come.

(3) The known inability of some Town Departments to adequately staff their working forces.

(4) To stabilize employment, and when a vacancy occurs to attract high grade applicants.

(5) The ability of the Town to pay adequate compensation to its employees, who number at present one hundred seventy-four (174) exclusive of the members of the teaching staff in the Public Schools.

The report, which is herewith submitted, consists of three parts: —

(1) The report and recommendations of the Committee. (2) The Rules and Regulations governing the use of the Salary and Wage Schedule. (3) The proposed Standard Rates of Salary and Wages.

Explanation —

Upon beginning its study of this problem the Committee discovered: (1) that great irregularities in salary and wages existed among the departments for what were to all effects comparable tasks. (2) that there was no uniformity regarding the "step-rate" increases necessary to reach the maximum salaries of the various positions under consideration. (3) that there was no uniformity regarding the amount of the various "step-rate" increases for the various positions. These irregularities the Committee has endeavored to remove.

In order to achieve the simplification which seemed desirable in the work of this Committee, it was decided: — (1) To establish three "step-rate" increases between the minimum and maximum rates to be established for each position considered. (2) Not to establish any "step-rates" for any part-time positions. (3) To classify all clerical employees on two levels, as (1) Senior Clerks, and (2) Junior Clerks. To qualify for the minimum rate of the position of Senior Clerk requires at least three (3) years comparable business experience of a clerical nature. (4) That in no case should the present incumbent of any position be reduced in his or her present wage or salary because of any change which might be made in the standard wage or salary assigned to that job or position as might be indicated in the new schedule herewith presented. (5) That in all decisions concerning the classification of positions, and the minimum and maximum salaries and wages for the same, the judgment and action of the Committee should be based upon the requirements and skills needed for the task, and never upon the personality and ability of the present incumbent of the position.

Recommendations —

The Committee presents the following recommendations based upon their studies: —

(1) The effective date of the Rules and Regulations and Standard Rates of Salary and Wages becomes effective as of January 1, 1945.

(2) All salary increases become operative only upon the anniversary of the beginning of the regular employment of the individual by the Town of Needham.

(3) A Personnel Record of all Town employees, either elective or appointive, be kept by the Town Accountant. Such records to contain all the vital statistics and other pertinent data of each and every person so employed by the Town of Needham.

(4) Reimbursement for the use on Town business of employee owned passenger vehicles should be paid for on a uniform basis by all departments on the basis of miles traveled.

(5) All applicants for appointive employment be certified by a local physician as to his or her physical fitness, the cost of such examination to be borne by the said applicant.

(6) Every five years all such appointive employees be required to be re-examined as to their physical fitness by a local physician at the expense of the Town, and that the report of such physical examination be presented to the Head of the Department in which the individual is employed.

Commentary —

By agreement with the School Committee the Salary and Wage Committee has established only the wages and salaries for all non-teaching employees of the School Department. The School Committee, in collaboration with the Public School Association, have studied and adopted a schedule of salaries for all teaching and administrative positions. As this study had already been made and since the establishment of such salaries is within the jurisdiction of the School Committee, we made no study of these positions.

At the request of the Public Library Trustees, we have recommended that the personnel of the Library Department be granted three weeks'

vacation instead of the customary two weeks because of the greater number of hours worked per year and because of evening employment.

Conclusion —

The members of the Committee wish to express their appreciation for the co-operation shown to them at all times by the various Heads of the Town Departments.

The Committee also takes great pleasure in reporting that all its decisions have been reached by unanimous votes of all the members of the Committee.

Respectfully submitted,

CYRIL N. ANGELL,
W. H. H. PEIRCE,
FREDERICK L. BAUER,
ARNOLD MACKINTOSH, *Secretary*,
HAROLD M. LAWSON, *Chairman*,
Special Committee on Salaries and Wages.

RULES AND REGULATIONS GOVERNING THE CLASSIFICATION OF PERSONNEL AND THE ADMINISTRATION OF STANDARD RATES OF SALARY AND WAGES FOR TOWN OFFICERS AND EMPLOYEES

1. Classification Plan

The classes of positions as named and described in the Classification which is appended hereto and hereby made part of these rules, with such amendments as may be made thereto under these rules from time to time, and as interpreted herein, shall with these rules constitute the "Classification Plan" for the classification of positions in the service of the Town of Needham.

2. Positions to which the Titles, Specifications and Standard Rates of Salaries and Wages apply.

These rules shall, as to title and specifications defining duties and responsibilities, apply to all officers and employees in the service of the Town of Needham, except those specifically exempted herein or whose duties or salaries are otherwise regulated by law.

3. Classification of Existing Positions

Whenever a position shall have been allocated to its appropriate class, except such positions as are exempted by Rule 2, the title of such class shall forthwith become the title of such position and shall be used in all administrative and employment records.

4. Classification of New Positions

(a) Whenever a new position is established, except by statute or vote of the Town creating the position and setting forth its title and duties, or whenever the duties of a position are so changed that, in effect, the old position no longer exists, but in its place there is created a position of a different class, the appointing authority shall report such fact to the Town Finance Committee and transmit a full statement of the circumstances and description of the duties. The Town Finance Committee shall thereupon, after investigation, classify or reclassify the position by allocating it to an appropriate class.

(b) The Town Finance Committee may likewise from time to time, of its own motion, investigate positions in the service of the Town, and whenever the facts are considered to warrant such action, it shall, after consultation with the employing authority, reclassify the positions, such reclassification to be subject to ratification, amendment or rejection by the Town at the next Annual Town Meeting. In cases of emergency only, such reclassification shall be effective immediately, but shall be subject to ratification, amendment, or rejection by the Town at the next Annual Town Meeting. In such reclassifications, when the duties of a position or of positions are so changed as to require the creation of a new class, Rule 6 shall also apply.

5. Interpretation of Class Specifications

The specifications of classes of positions are hereby declared to have the following force and effect:

(a) They are descriptive only and not restrictive. They are intended to indicate the kinds of positions that should be classified under the respective classes as determined by their duties and responsibilities. The use of a particular expression or illustration as to duties or other attributes shall not be held to exclude others not mentioned if such others are similar as to kind or quality.

(b) In determining the class to which any position should be allocated, the specifications of each class shall be considered as a whole. Consideration is to be given to the general duties, specific tasks, responsibilities, and relationships to other classes, as affording together a picture of the employment that the class is intended to embrace.

(c) As to the particular parts of the specifications of classes the following interpretation shall apply:

(1) "The duties statement" (see Rule 4a) shall be construed as a general description of the kind of work involved in a position that properly falls within the class, and not in any sense as prescribing what the duties of any position shall be, nor as limiting the power, express or implied, of the authority now or hereafter vested with the right to prescribe or alter the duties of any position. When a substantial change of duties is made, except for a temporary period (such period not to exceed 90 days) or by the addition of duties that are incidental to the main employment, such change shall be reported to the Town Finance Committee with a view to a possible reclassification of the position.

(2) "Tasks" shall be construed as examples only, illustrative of the duties as outlined by the general statement. These examples are not intended to be complete or exclusive, and the fact that the actual tasks performed in a position do not appear therein shall not be taken to mean that the position is necessarily excluded from the class, provided that the tasks constituting the main work or employment are duly covered by the general statement of duties. On the other hand, any one example of a typical task, taken without relation to the general statement of duties and all other parts of the specifications, shall not be construed as determining that a position shall be included within the class.

(3) In the case of positions the compensation for which is subject to the standard rates of salary, no substantial change in duties of a nature which will involve a reclassification of the position in a higher class shall be assigned to any employee except for a temporary period (see C1) unless and until such assignment has been approved in accordance with Rules 4 and 6.

6. Amendment of Classes

Subject to the approval of the Town at an Annual Town Meeting, the Town Finance Committee whenever necessary, shall amend the specification for any class other than those composed of positions whose duties are specifically fixed by law, and abolish, merge, or divide existing classes or create new classes.

7. Standard Rates of Salary

The scales of pay for the respective classes of positions in the service of the Town, with such amendments as may be made thereto under these rules from time to time and as interpreted herein, shall, in accordance with these rules, constitute the standard rates of salary for the services of the Town. Only in emergencies may such standard rates for the respective classes be altered by the Town Finance Committee. Such changes may be effective immediately, but must be submitted to the next Annual Town Meeting for ratification. The standard rates shall not apply to the positions excepted by Rule 2.

8. Authority to Administer

The Town Finance Committee is authorized and empowered to execute the provisions of these rules and to see that they are enforced.

9. Interpretation of Standard Rates of Salary

The standard rates of salary shall be construed as follows:

(a) The salary rates are in terms of dollars per calendar year for full-time employment, except where otherwise expressly stated. It shall be permissible to pay equivalent compensation on other time bases, provided that the equivalent amount for any time unit other than the year shall be as approved by the Town Finance Committee based on the ratio that such time unit bears to *full-time employment* for a 12-month period. In case of temporary or emergency employment, variation from the ratio heretofore mentioned may be approved by the Town Finance Committee in each individual instance.

(b) The salary rates prescribed, unless specific exception is noted in the compensation schedule for any class, represent the total remuneration to be paid to employees, including pay in every form, but not including reimbursement of actual and authorized expenses incurred as necessary incidents to the employment. If allowances to employees are provided, such compensation in kind, unless specifically included in the salary rate, shall be treated as part payment of the salary prescribed, to be deducted from the money salary actually paid to the extent of their cash value as appraised by the Town Finance Committee.

(c) In every case in which part compensation for an employment, exclusive of overtime, is paid by another department, branch or agency of the Town, or from a different fund or account, such payments shall be deducted from the compensation due at the prescribed rate, in the payment to the employee concerned, unless an exception has been specifically authorized in the individual case by the Town at an Annual Town Meeting.

(d) Where employment is on a part-time basis and no exception is noted in the rate for the class, only the proportionate part of the annual compensation for the time actually employed shall be paid.

10. Operation of Standard Rates of Salary

The standard rates of salary shall have the following force and effect:

(a) The Town Finance Committee shall approve as the rate of salary for entrance to any position, only the minimum rate in the scale for the class to which the position has been allocated. However, where a person already in the service of the Town is transferred, or a former employee is reinstated to a position in the class, he shall enter the position at the same rate as previously received. If the rate received in the former position is higher than the maximum of the class being entered, he shall receive the maximum rate of that class. However, upon the recommendation of the employing authority, supported by evidence of special reasons and exceptional circumstances satisfactory to the Town Finance Committee and approved by the Town at an Annual Town Meeting, the entrance rate may be other than the minimum rate.

(b) An employee whose rate at the time of taking effect of these rules exceeds the maximum thus prescribed, may continue at the present rate during his incumbency.

(c) Advancement from the minimum to the maximum rate shall be by successive steps as prescribed, but no advancement shall be approved by the Town Finance Committee until after the employing authority shall have recommended in writing to said Committee, that the advancement is merited.

(d) Provisions for increases are permissive and are not mandatory, and no increase shall become effective unless the appropriation made according to law, to which it is chargeable, is sufficient for the purpose, and unless it has been recommended in accordance with Rule 10 (c).

11. Recommendation for Revision of Rates

Whenever the Town Finance Committee or an employing authority believes that the rate in effect for any class is too low or too high, the said Committee shall investigate and if it finds such action warranted it shall recommend to the next Annual Town Meeting a revised rate for such class and for any related classes.

12. Adjustments of Existing Rates to Standard Rates of Salary

The Town Finance Committee is hereby authorized to make effective the adjustment of existing rates to the standard rates of salary, the adjustments to be made consistently with appropriations. In making such adjustments, the following requirements shall be enforced.

(a) No individual who has been or who may be assigned under this classification to a class carrying a salary level higher than the salary he is now receiving shall be deemed a member of the new class nor shall increased compensation be approved for him until the employing authority shall have stated to the Town Finance Committee in writing, (1) that the employee in question is fitted by training and experience to perform the duties of the class to which his position has been allocated, and (2) that the employee is in fact performing the duties of the position in an efficient manner.

(b) The rate of salary of an employee receiving more than the maximum prescribed for his class at the time of the taking effect of the rates prescribed by the Standard Rates of Salary shall not, because of the application of these rules, be reduced during his incumbency of the same position or of any position of the same class, but the rate of his successor in the same position and class shall conform to the rate prescribed by the Standard Rates.

REGULATIONS TO ACCOMPANY THE CLASSIFICATION OF PERSONNEL SERVICE

The following regulations shall govern the procedure under the rules of administration and application of the classification in the matter of requisitions and appointments whether original appointments, transfers or promotions in the service of the Town.

1. Any employing authority of the Town desiring to make a promotion or to create a new position, shall notify the Town Finance Committee in writing furnishing the following information:

   (a) Title of Position.

   (b) A statement of the proposed duties and the need therefor, if a new position is to be created.

   (c) The proposed salary rate, which shall be the minimum rate for the class unless another entrance rate is proposed under the provisions of Rule 10(a).

2. The Town Finance Committee upon receipt of this information, shall investigate regarding:

   (a) The need of the department for the promotion or the new position.

   (b) Compliance with classification of position.

   (c) The ability of the department to provide for the position out of funds appropriated.

3. Appeals from the findings of the Town Finance Committee may be taken to the Town at the next annual Town Meeting.

4. Vacations

(a) *Vacations for full-time personnel.*
(1) A vacation of one week with full pay shall be granted if the employee has been employed by the Town on May 1st for more than six months but less than one year.
(2) A vacation of two weeks with full pay shall be granted if the employee has been employed by the Town on May 1st for more than one year. Exception — Personnel of the Library Department shall be granted three-weeks' vacation.

(b) Vacations for regular part-time personnel.
Regular part-time employees shall be entitled to the amount of vacation in the ratio that their part-time employment bears to full-time employment.

(c) Exceptions.
(1) Vacations with pay will not be granted to temporary employees.
(2) Vacations shall not be cumulative from year to year.
(3) No additional vacation will be allowed if a holiday occurs within the vacation period.

5. Leave of Absence

Except for the provisions of Sections eight (8) and nine (9) of the Regulations all leave of absence shall be without compensation.

6. Occupational Sick Leave

If an employee is incapacitated in the performance of his duty, and is so certified in writing by a practicing physician, the term of receiving compensation shall be based upon the following:

(1) If such employee is insured for Workmen's Compensation, the Town may make up the difference between his regular salary or wage and the amount paid by the Insurance Company. It is understood that the amount paid by the Insurance Company, for purposes of calculating this feature, is the amount paid for "Wage-Benefits" only and not the amount paid by the Insurance Company for features such as Medical and/or Hospital Benefits.
After payments by the Insurance Company have ceased, further payments by the Town may be made only upon the specific recommendation of the Department Head supported by further written medical testimony and approved by the Finance Committee.

(2) If the employee *is not covered* by Workmen's Compensation Insurance — full pay shall be paid for the first three (3) weeks of incapacity and thereafter further payments by the Town may be made only upon the specific recommendation of the Department Head supported by further written medical testimony and approved by the Finance Committee.

7. Non-Occupational Sick Leave

(1) For all personnel, sick leave with pay during the first full year of employment — none.

(2) Sick leave for all personnel after the first full year of employment — a total of two (2) weeks per year with full pay.

(3) For all personnel after the second full year of employment — a total of two (2) weeks plus three (3) days for each additional year of employment with full pay per year.

8. Jury Duty

If the compensation (exclusive of travel allowance) received for jury duty is less than the compensation received for a normal working period, the deficiency in compensation shall be paid by the Town. If the compensation received for jury service is equal to or greater than the wages of the employee, based on a normal working period, no compensation payments will be made by the Town.

9. Military Training Service

Employees, with a minimum of six (6) consecutive months in Town employment, who attend State or Federal Military Training Camps under orders will be allowed not more than one normal working week's vacation pay in addition to the normal vacation allowance.

10. Compensation to Conform to Plan

No compensation shall be paid to any officer or employee of the Town whose salary is subject to the standard rates of salary except in accordance with these rules, and all employing authorities are charged with this responsibility.

PROPOSED STANDARD RATES OF SALARY

Reference to Appendix	Title of Classification	Present Maximum Salary Including 15% Cost of Living Bonus	Proposed Salary Range Minimum	Maximum
	Accountant	$2,875.00	$2,700.00	$3,000.00

	Attendance Officer	358.75		350.00

APPENDIX TO PROPOSED SCHEDULE OF STANDARD RATES OF SALARY

(a) Part-Time Positions.

(b) The service under this classification shall be rendered by the Chief of the Fire Department, the compensation for which is included in the salary of the Chief of the Fire Department.

(c) The salary of the Town Clerk for 1944, was $550.00 plus 15% "Cost of Living Bonus" in addition to the fees collected. It is understood that this situation will continue with the present incumbent but it is recommended that when there is a change in the office, the new Town Clerk be put on a salary basis as shown and that all fees be paid into the Town Treasury.

(d) Salaries in the Hospital Department are based on the 1945 Budget as submitted by the Hospital Trustees. Due to the present and prospective nursing situation, the Committee did not feel warranted in establishing maximum salary rates.
